CHARLESTON -- Booth Library of Eastern Illinois University is seeking Coles County veterans with tattoos to be a part of its spring 2018 exhibit, "Designs of Duty."

"Designs of Duty" will focus on veterans with any service-related tattoos. Veterans will be interviewed, as well as have their tattoos photographed. The exhibit will be on display at Booth Library in the spring of 2018 and then will be offered for display at other libraries in the Coles County area.

Booth Library staff would appreciate the opportunity to interview those who have served in any branch of the military and are willing to share their stories and the inspirations behind their tattoos. To participate in "Designs of Duty" contact Beth Heldebrandt, public relations director, at emheldebrandt@eiu.edu or 217-581-6064.

For more information on the library, visit the website, www.library.eiu.edu; call 217-581-6072; or find the library on Facebook or Twitter.
