ON OUR WAY TO CHAMPIONSHIP

Normal's Three Wins Last Week Make Us Strong Rivals at Tournament

Another week of the basket ball season has past and it certainly was a fine week for Normal. The boys have hit their stride and are moving fast. Three wins in a week is going some, and barring accidents, Normal should be a strong factor in determining the Conference tournament in Bloomington the first of March.

Normal has won the last six games played.

E. I. 37, St. Viators 19.

Normal defeated the strong St. Viator's College five at Bourbonias last Monday week. The game was rather rough, but fast and interesting. This is the first time the Catholics have been beaten on their home floor this season.

Normal's team work and basket shooting was fine. Brown and Anderson excelling in the latter.

The game was witnessed by a large crowd who expected to see E. I. defeated.

Normal 35, Illinois College 33.

We were up against a much harder team when we took on Illinois College last Thursday night. The blue and white men were big and fast, and their team work was excellent.

We were the first to score. Anderson caged a basket and Endsley followed with another. The visitors started scoring and made thirteen points to four for us. Hampton was sent in for Brown at forward, and immediately tossed a basket from the center of the floor. This seemed to give the boys new life and they were coming fast at half time, which ended with the score standing fif-

teen to twelve in favor of the visitors.

We opened the second half on high speed, and were soon in the lead owing to the good basket shooting of Hampton. The visitors were also going at top speed and kept the teacher's trail hot, but never headed them, and the time keeper's gun ended one of the fastest games that has taken place in the local gym for many a day.

Fouls, Normal 7; Illinois 10.
Referee, Young, Wesleyan.

Normal 42, S. N. U. 23.

The team journeyed to Egypt last Friday, where they took the Egyptian teachers over, in the Carbondale gym.

Normal started scoring in the rather slow game, and the first half ended with our boys leading the Southerners, twenty six to ten. The second half was a great deal like the first in the matter of scoring, the Normal scoring 23 to the Egyptians 13.

Anderson played his usual good game, and scored 33 points for his team.

PLAYED TWO GAMES

The boys of the Model School played two games of basket ball last week, winning the first and losing the second. They played the Reading Club, an organization of a few boys of the school, and defeated them by the score of 16 to 12. The Boy Scouts defeated

them Friday by the score of 29 to 16. The Model School team is composed of Cecil Prather and Ralph Brimberry, forward, John Bates, center, and Cyril Bell and Richard Fawley, guards. Mr. Pippitt is their coach.

The strong team from McKendree College come here next Friday to play the Normal Stars. We defeated the McKendree team on their floor, January 15, 36-25, and we should do as well on our floor. Everybody come out and help.

The scrubs defeated the all-star gym team 44-5 last Thursday afternoon. The game was close and exciting, as can be seen from the score.

Subscribe for The News

For this semester we are making a rate of fifty cents for the News. All students and faculty members who are not subscribers are urged to become ones. This is your paper and you support it. If you want your paper sent to your home address we will gladly do it at no extra cost.

FOREST STEWART IMPROVING

Forrest Stewart, the Model school boy who suffered a broken leg last fall, is improving fast and is expected to resume his school duties soon. He was injured while playing foot ball with some of his schoolmates.

ECLIPSE OF SUN

There will be a total eclipse of the sun on next Thursday. This is the first total eclipse which has been visible here since 1869. The eclipse will be visible between 9 to 11 o'clock.

NEW FACES

Many new students entered school today for this term. The freshmen and preps get smaller in stature every year. Everyone help the new ones to get acquainted and show them around. You were new yourself once. To the new students we wish to call to their notice the Normal School News, the official paper of the school. This paper will aid you in keeping track of all school affairs, is a great help to you in getting a knowledge of all that happens about you. A special price of fifty cents for the rest of the year should induce you to subscribe.

For 50 cents you can get the News for the balance of the term.

BUSY MONTH FOR Y. M. C. A.

February Meeting to be Addressed by Leaders in Y. M. C. A. Work

The regular weekly meeting of the Young Men's Christian Association was held in the music room last Tuesday evening at 6:45. After the singing of two hymns and the repeating of the Lord's prayer in concert Mr. Minter, county superintendent of schools of Coles county, addressed the meeting. His talk was enjoyed very much. President Andrew Phillips conducted the meeting.

The following programme for the month of February: There will be no meetings on the first and twenty-second of the month on account of the start of school and Washington's birthday.

Feb. 7: Joint meeting of the Y. M. and Y. W. in Pemberton Hall. The speaker of the evening will be Mr. F. E. Rindge of New York City. Mr. Rindge is an industrial worker and is interested in the teaching of immigrants who come into this country. Notice that the meeting is on Monday night.

Feb. 15. A member of the faculty will give a talk on the following subject: "Is there any real case against cribbing in exams?"

Feb. 29. A talk by Jack Watson. Mr. Watson was captain of the 1915 foot ball team of the University of Illinois, and is a powerful man in Association work. Everybody remember the date and make the meeting one of interest and enthusiasm.

JUBILEE MEETINGS

The Young Women's Christian Association meetings for the entire month of February will be jubilee meetings to celebrate the fifty years of existence which the organization has enjoyed. The first meeting will be held Friday, Feb. 4, on which an interesting programme has been prepared. All through the month the meetings will be especially worth while and everyone should make it a point to attend.

STANLEY CROWE

The past week has been a bad one for Stanley Crowe. Although he is about the same as last week the looked for improvement did not come and his condition is therefore not so good.

Subscription Price

\$1.00 the school year, cash in advance.
Single Copies, 5 cents each

Well, the new term has started
we are again striving to get
the good grades. Perhaps we
did not succeed in getting the
marks last term, but the old say-
ing that if you don't at first suc-
ceed, try again, still stands to
reason.

A good start has lots to do with
one's conduct during the whole
term, so if we start right there
will be no faults to correct later
in the term. The teachers are
not supposed to read this, but re-
member first impressions are the
lasting impressions, at least our
psychology said so. So it is good
to start right and make a good
impression on your teachers the
first thing off the reel. Many a
good term's work has been spoilt-
ed by a bad start.

Also a bad start has much to do
with your own attitude to the
duties of a student. You may
start out taking it easy and draw
the conclusion that you have got-
ten along alright so far, and that
you can get along somehow. But
when the day of reckoning comes,
study, lest you be found wanting.

A word to the wise is sufficient.

Y. W. C. A.

The regular meeting of the
Young Women's Christian Asso-
ciation was not held last Friday
on account of the close of school
for the term and the fact that
many of the girls went to their
homes for the week-end. The
regular meeting will probably be
held Friday as usual.

For 50 cents you can get the
NEWS for the balance of the term.

GRINS AND GROANS

A new law in physics has been
discovered. It is as follows: The
deportment of an individual varies
inversely as the square of the dis-
tance from the teacher's desk.

When asked which state he liked
best, Chick, who has travelled ex-
tensively, said Georgia.

We know of two leap-year engage-
ments already.

The scandal-monger is the sub-
marine of the human race.

Stranger: Are you sure it was a
marriage license you gave me last
month?

Clerk: Certainly sir. Why?
Stranger: Well, I've lead a dog's
life ever since.—Boston Transcript.

You can't make people think
you're a card shark by shuffling
your feet.

Oh how sweet

Oh how bitter

To love a girl

And her clothes don't fit her.

"I think a girl is very foolish to
propose to a poor man," said the
leap year maid.

"Yes," replied the grass widow,
"but not any more foolish than the
poor man who accepts that kind of
a girl."

Unless a man is a good listener
he should stay out of the matrimo-
nial game.

LA GRIFFE

The Christmas season's over and
LaGrippe is at your door, and many
folks are dying now, who never died
before. The germs of Grippe are
everywhere, they light where least
expected. The doctors give the ways
and means by which the stuff is de-
tected. When'er the throat gets
sore and dry and sneezing in the
nose, a thousand devils in the head
and icebergs on the toes, don't over-
eat, don't oversleep and please don't
overwork; be sure you wear the
heaviest clothes and draughty rooms
you shirk. For when you show these
symptoms and your spine with shiv-
ers squirms, you know you are in-
fected with the real LaGrippe germs.
And so, dear friends, lest Father
Time, with glass and sickle sharp,
comes on you and you find yourself
in Heaven, with a harp, be sure to
shun all cause of grippe, all aches
and pains abhor, and keep those
pesky little germs, like wolves from
the door.—Ex.

SOCIETY NEWS

By Pauline Shortess

MUSIC CLUB MEETS

The regular bi-weekly meeting of the Charleston Music club was held in the assembly room last Monday evening. A program on "The Sea" was produced, all the selections given having to do with the sea. Those from the school who belong are Miss Newell, Miss Geiger, Miss Kennard, Sara Johnston and Mr. Koch. Mrs. Thomas is also a member.

The Junior class gave a dance in the gym last Monday night. About twenty-five couples were present. Mr. and Mrs. Wilson and Miss Skeffington were present. The Juniors are giving a dance in the gym every two weeks.

IT PAYS TO ADVERTISE

The question "Does it Pay to Advertise?" was given a test at Matechen, N. J., recently by Charles M. Freeman, a lumber merchant, and the results were somewhat spectacular.

Freeman ran an "ad" with a head that had only a bunch of figures which said "\$67,653.85," and then under this head was ranged the names of the people of the town that owed him for lumber and the amount they owed, the total footing up being the amount given in the head of the article. He then stated the case that he needed the money and made a plea that the parties whose names appeared in the advertisement please call and settle. The money began to roll in to his treasury and the value of advertising was proven.

SOME WEATHER

January has certainly been some month for weather. There has been more kinds of weather crowded in the month of January than there are sardines in a box. There was rainy weather, cold weather, slushy weather, snow, sleet, and all other forms of precipitation. Today is the first of February and if the ground hog sees his shadow tomorrow, there will be six weeks more of winter. I suppose you'll call this winter.

SENIOR CLASS PLAY

Work on the Senior class play should start some time in the near future. Miss Bennett and Mr. Widger have a list of good plays and are looking them over to decide which is the best. The decision will be made in the next two or three weeks and then practice will start in earnest. There is much work connected with the successful presentation of a class play and everyone should help to make it a success.

PERSONAL

Bess Cannoy has quit school.
Fern Wilkinson has quit school.
Nelle Linder spent Sunday in Kansas.

Margaret Manhart has quit school.

Miss Ewalt is ill at her room in Pemberton Hall.

Frieland Hill visited friends in this city last week.

Read the ads in THE NEWS. It helps us and you both.

Van Tarble spent vacation with his brothers in Cleone.

Miss Geiger spent the vacation with friends in Chicago.

Miss Gladys Daily has quit school on account of poor health.

Start the new semester right by subscribing for THE NEWS.

Paul Wilson, Floyd Wilson and Floyd List have quit school.

Dot Fox spent the vacation with Mary Lyle at her home in Shelbyville.

Ernest Bails spent vacation in Litchfield as the guest of Agnes Evinger.

Ruth Peters spent vacation with her sister Mary in Oak Park, where she is teaching.

Miss Coffman and Miss Hawkins left last Wednesday for Chicago, where they spent the last five days.

For rent--furnished room, convenient to the Normal school, suitable for several students. Address 921 South Sixth street. Phone 115.

Pemberton Hall did not close on account of vacation but remained open. About thirty girls stayed at the hall during vacation.

Mr. Lord read "The Imp and the Angel" Wednesday at chapel. This selection is a great favorite of the students and was enjoyed very much.

James Law, a former student at the school, left last week for El Paso, Texas, where he will engage in real estate work.

The seniors changed their grades in teaching this week and all are making the change to other grades and subjects. One senior girl was heard to remark, "I just don't see how I can leave those little youngsters. I just love them."

Students at the University of Illinois are required to take two years of military service. Evidently the officials of the University believe in "preparedness." The idea of compulsory military service in colleges and universities is spreading farther and farther every year.
