VOL. 3 CHARLESTON, ILLINOIS, TUESDAY, NOVEMBER 6, 1917 NO. 8

HOME COMING, SATURDAY, NOV. 17. WE WANT TO SEE YOU

CHARLESTON 35 ST. VIATORS 0

Saturday proved to be an excellent day for our game with St. Viators, and our gridiron was in perfect condition. Many were the expressions of fear for our light team when the husky Irishmen appeared on the field, but it was soon evident that no one need fear for the blue and gray team.

The game was started by Charleston kicking off to St. Viators. Cook made a splendid kick and the St. Viators man was downed in his tracks. It was not long until E. I. got the ball, and then began a steady march down the field by a series of line plunges and end runs. When within thirty yards of the goal Cook tried a place kick but failed. Soon after this S. Turner caught a pass from St. Viators and made a good gain. Charleston was forced to kick on the fourth down, and S. Turner's long punt was the making of our first touchdown, when the ball glanced off a St. Viator's man and Gray fell on it behind the goal line. S. Turner punted out for position, but McCabe failed to make a fair catch.

Cook kicked off. Hampton intercepted a pass and again the blue and gray team steadily walked down the field. The quarter ended with our boys near the goal line, and the score 6 to 0.

Soon after the ball was put in play Cook carried the ball through the line for a touchdown and then kicked goal. Score 13 to 0. The second quarter ended with the above score.

The third quarter proved to be disastrous for St. Viators. Several of their men were forced to leave the field, and one man was carried off the field badly injured. S. Turner was taken out and M. Turner went back from the line to play left half. Funk took M. Turner's place at left tackle. During this quarter M. Turner made two touchdowns and Cook kicked one goal. Score 26 to 0.

The fourth quarter was similar to the others. Cook made a place kick. Score 27 to 0.

Adams went over for a touch down on a long forward pass. Score 35 to 0. Hampton failed to punt out. Leathers and Bennett went in for right guard and tackle for Bradley and Hood.

While our boys were making these points St. Viator's boys were not idle. Their hands and fists were busy most of the time.

Special mention of McCabe's work on defense must be made. The Irishmen didn't get past him.

Our boys say that St. Viators has the best team they have played yet.

We meet Carbondale's team on our field next Friday. Everybody come and see another good game.

SATURDAY GAMES

- Northwestern 12, Purdue 6.
- Chicago 0, Illinois 0.
- Camp Sherman 26, Camp Taylor 7.
- Bradley Poly 30, Ill. Normal 9.
- St. Louis 26, Southern Normal 0.
- Rose Poly 12, Franklin 6.
- Lombard 24, Monmouth 14.

MORE "PEP"

Not being satisfied with the enthusiasm aroused for the team on Friday night, the students asked for permission to use the chapel exercises on Saturday morning for another "pep" meeting. Many who could not attend the meeting Friday night were given the opportunity to learn the new songs and yells, and were aroused with the real school spirit.

With the continuance of this splendid backing of the student body, the blue and gray warriors should find it practically easy to defeat the Millikin "bunch" Thanksgiving day.

BIG GAME FRIDAY

What promises to be one of the best games of the season will be played on the local field next Friday with the Southern Illinois Normal University.

The dope says we will beat them as we beat Illinois College by a larger score than they did.

Let everybody be out to the game and bring your voices with you, as we expect to have some tall cheering. Be sure and learn the new songs and yells before Friday.

Through an oversight we have failed to make mention in this paper of the arrival of Miss Hoy, of Chicago. Miss Hoy's duties are as follows: Social service work among all the girls of the school, and general nurse for the girls of Pemberton Hall. In addition to this she will probably give a number of lectures during the year on hygiene.

NORMAL 249 POINTS OPPONENTS 6 POINTS

- Co. D., Paris 0, Normal 86.
- Oakland 0, Normal 59.
- Ill. College 6, Normal 69.
- Ill. Wesleyan 0, Normal 0.
- St. Viators 0, Normal 35.
- Total, Opponents 6, Normal 249.

The above table of points shows better than words the speed of our foot ball team. All indications point to a championship team, but we have two more hard games here and all students must go out and boost for the boys. This is the least that the student body can do and there should be no slackers. In fact no slackers should be tolerated.

TRAINING TABLE

A movement that should have been started much earlier in the season will be started this week. This is the training table at Pemberton Hall.

It must be said for the boys that they have certainly taken it upon themselves to train and to keep in good physical condition. However, it is not every one who knows how to feed an athlete to keep him in the best condition physically, and the planning of his meals should be under the supervision of some one who understands the planning of meals.

The following pledge has been signed by the players:

I promise to train the remainder of the foot ball season. The training to consist of (1) being careful what I eat, (2) not smoking, (3) going to bed not later than eleven o'clock and at ten the night before a game. I also promise to attend all practices unless excused beforehand by the coach.

Roscoe Hampton, Harold Barkley, Russell Giffin, Laurel Scran-ton, Merrill L. McCabe, Clyde Leathers, Ross Hall, W. Everett Cunningham, Horace Gray, Eugene C. Gordan, Edward E. Hood, John Bates, Stephen Turner, McKinley Turner, Joseph Reynolds, F. B. Norton, John T. Smyson, Ralph R. Adams, Hugh R. Hilsabeck, Howard Jones, Leslie Cook, Robert Williams, Truman May, Durward Barkley, Oren Swope, Guy Burwell, Carlos Talbot, John C. Funk, Geo. W. Pampe, Richard Fawley, Mack Moore, Vernon Baker.

Helen Crimmins, '17, now a teacher in the Mattoon schools, visited Florence Wright and other friends at school, Saturday morning.

"PEP" MEETING

A good old time pep meeting was held by the students and faculty last Friday night from 7:30 until 10 o'clock.

All students assembled in the assembly room at 7:30 and after several excellent speeches by the faculty and students, some new yells and songs were practiced, led by our cheer leader, Truman May, and our song leaders, Mabel Winship and Mabel Snyder.

Next the students, about three hundred in number, led by a student jay bird band, marched two abreast to the public square. After marching around the square the body stopped on each corner and gave the different yells and songs, showing the town that old E. I. was not yet a corpse.

Following this the procession marched down Seventh street and surrounded Coach Lantz's home in a regular old-fashioned carivari style, and again showed Mr. Lantz that E. I. was not yet dead. After the cheering Mr. Lantz made a very appropriate speech, and then the army of rosters proceeded to march down Seventh street, making more noise than had been heard in that neighborhood for many a day. After stopping at Oakwood and giving the members of the faculty some roaring cheers, the throng marched to the entrance of the campus where a large mass of wood awaited the match. The match was applied and soon a roaring fire was blazing away, while the students surrounded it and again gave their yells and songs time after time. In fact, many of the crowd could not talk the next day. As the fire burned down the crowd dispersed to their homes, feeling confident that we would win the game with St. Viators. And we did.

Did this pep meeting have any thing to do with it? Ask any of the boys who played Saturday if it did. They will say, yes. Keep it up, go out to the games and yell for the team and let them know you are for them.

Are you a coward? Most persons having this question put to them would answer "No", with a great deal of emphasis. But really, are there very many persons who are not cowards? A coward is a person who lacks courage. Many persons have plenty of courage for some occasions, but lack courage for other occasions. The foot ball player goes into a game with no thoughts of being afraid. He hits the line and tackles hard. He is no coward in the game. Take the same boy on a different occasion. He is with some of his friends, who suggest that they take another friend's car and go for a ride. This particular foot ball player knows that it is the wrong thing to do, and he would rather not do it, but he is with the crowd, and therefore, says nothing. Here, he is a coward. He lacks courage to do what he knows is right. Often this is the case. A person has plenty of courage to do the right thing, if he is by himself; but when, with his companions, he will do what they suggest, because he doesn't want them to call him a slacker.

We must learn to stand up for the things we know to be right, even if our companions do laugh at us. The laugh will be coming the other way some day. He who laughs last, laughs best.

Mabel Tyner, Rachel Risser, Cecille Ellsberry, Esther Kelso, Homer Sewil and Lyman Ritter are indebted to Harold Eugene Hutton, of near Dog Town, for a ride in his Buick, to Ashmore, Sunday.

Carl Vogelsein, of Highland, Ill., was the guest of Marian Everett, Saturday evening.

HALLOWE'EN

The most conspicuous thing Halloween was the absence of preps and seniors on the streets. Owing to a notice which was found under the clock Wednesday morning, stating that all preps and seniors would be chastised if found later than seven p. m., most of them suddenly decided that they had a great deal of studying to do that night. As a result many of the seniors and preps starred in classes the next day.

Lucile Rhodes, a former student of the school, visited friends at school, Saturday morning.

SOCIETY NEWS

By Cecile Ellsberry

A very pretty Hallowe'en party was given Wednesday night at the appropriate hour of midnight, by Mabel McMinn and Herminia K. Menzie. The room was decorated with pumpkins, black cats and witches. The refreshments were in keeping with Hallowe'en, consisting of pumpkin pie, hot chocolate, doughnuts, apples and candy.

Those present were: Mabel Snyder, Marie O'Donnell, Beulah Smith, Evelyn Frye, Lucy Gray, Lottie Leach, and Fern Hostettler.

A very enjoyable party was held in Marie O'Donnell's room, Sunday evening, Nov. 4. Refreshments were served, consisting of creamed tomatoe soup, crackers, celery, olives, cake, hot chocolate and bonbons. Those present were Catherine Ford, Eva Frye, Miriam Coen, Herminia, Menzi, Mabel McMinn, and Marie O'Donnell.

The regular weekly meeting of the Y. M. C. A., was held Friday evening. The candle light recognition service was used for the new members. Rev. C. P. Greenfield, of the local Baptist church, gave a very instructive talk.

The annual Hallowe'en dancing party was held in the gymnasium, Saturday night, from 7:30 until 10:00 o'clock. The most of the gay revellers came masked and remained so until about 8:30. About sixty couples were present. Music was furnished by Gilfin and Barton.

A number of our readers will be interested to know of the marriage of Lawson Hawkins, a former student of this school, to Miss Elva Snyder, of Sullivan. The ceremony was performed in the presence of a few of the immediate friends and relatives of the bride and groom. The News unites with the many friends of the couple, in wishing them much happiness.

PLEDGES BEING PAID

When the amount pledged for the students' Friendship War fund was posted on the bulletin board on the day of the campaign it was predicted by some that those pledges were made under the influence of great emotion, and that as soon as this emotion passed away many would fail to pay their pledges. However, to date \$400, or about one-third of the amount pledged, has been paid in to the local treasurer, which goes to show that those who gave did so out of the fullness of their hearts and not under the influence of strong emotion only. We predict that every dollar of the amount will be paid in before December 15. Any who have not yet made their pledges and desire to do so should see some member of the committee this week.
