BLUE AND GRAY NINE EVEN WITH BRADLEY

Gilbert and Co. evened matters with Bradley by outplaying the up state team, 5-3, Thursday at Peoria. Coming as the second conference victory in a week it puts the local crew well up in the Little 19 standing.

Gilbert took the honors but did not escape unscathed, getting into hot water more than once in the late innings from a seemingly incurable wildness. However, his mates gave him a big advantage to work with right at the start and a double play, Bennett to Miller to Osborn, in the fourth inning cut down the enemy's first opportunity to even the count.

Miller opened the game with a double, going to third on Correll's handling of the ball. White scored him with a one base drive but was out at second when Green grounded in. Thompson's punce credited his initial time at the bat this spring with a two base that brought Green in, "Dunc" taking third on the throw to the plate. Muchmore lifted a long fly to Wallace, left fielder, and Duncan legged it home after the catch. Osborn got a life on Smith's, second baseman, fumble but Bennett grounded out for the third fatality.

In the second Warner connected for a single, being dismissed at second, however, on Gilbert's hard line at Thompson that went for a hit. Buckley made a bad play to catch him at second and the big pitcher rested on third. Miller whacked a grand outer to short and Gilbert raced in ahead of the throw, Miller resting on first. White fanned but Green pasted a long liner that allowed the fleet scout stop to dead home. Duncan lined out to second. Outside of White's single in the fifth the Lantansmen did no further damage.

Gilbert had the enemy swatters guessing at his curve the entire game but two punce ahead of Correll's triple on a fast straight one in the fifth frame accounted for 2 Bradley markers. Again in the seventh a hot groover suited Smith's liking and the only circuit smash of the afternoon was recorded. In the closing round Rakovitz, who had taken Buckley's catching mitt in the fourth, came to bat with orders to get hit and was successful. Dixon followed with a double to left and the strike out catcher went to third on Wallace's inability to judge the pop. Smith, the home run hero, approached the plate to tie things up but Gilbert retired him on strikes. Correll and DeCramer grounded out to finish a threatening rally.

The win was one that the E. I. gang can well feel elated over as Thursday's opponents rode over them less than two weeks ago, 8-0, on Schahrer Field.

Summary: Home runs—Smith. Three base hits—Fritz, Correll. Two base hits—Miller, Duncan, Dixon. Double plays—Bennett to Miller to Osborn. Strike out—by Gilbert; 9; by Thompson, 3. Bases on balls—off Gilbert, 6; off Thompson, 1. Hit by pitcher—by Gilbert, Rakovitz, Umpire, Jones.
The sporting of Duncan, captain and catcher, and Ashby, third baseman, has pepped up the team considerably. Both are good hitters and old hands at the pastime. Should Ashby take his old stand, White can

go to his regular position at second and Bennett take up the cudgels with Osborn for the first sack. Brown who has been displaced behind the bat is a first sacker of three years experience and can give the above pair a tussle for the job should the E. I. coach elect to change the appearance of the infield. Of course Bennett can be used with White at the keystone corner and Brown will be carried as relief backstop. Whether the afore mentioned shifts occur or not will depend on the showings of the candidates in the coming contests. Hitting strength may tell the tale.

Rose Poly is due to exhibit their prowess on Schahrer Field this Wednesday and Millikin will be taken on the following day at Decatur. The latter tussle was billed for Friday of last week but the music festival could not get along without that famous trio of songsters, Gilbert, Muchmore and Bennett, and consequently J. M. U.'s liking had to be postponed—art before pill slinging.

WARBLERS DISTRIBUTED

True to predictions the 1924 Warbler was off the press and ready for inspection by May 1. With this latter process over by the following day the managing circle of the sophomores were checking off names as they handed out the neatly-made-up product of this year's industrious staff. There are still a few more to be distributed and provision will be made for this on Wednesday, probably from 1 to 1:30. Several have yet to be mailed. All but about fifty copies have been paid for by those pledging and, since the "by May 1" pledge is broken, the staff is at liberty to sell them to anyone wishing them at \$2.75. However, the pledge signers who failed to pay by the required time may redeem their pledges if they choose to before all the copies are gone.

This twenty-fifth anniversary annual is one that anyone can be proud to own. Not only is it the best looking book issued here, but it also features some of the best material that E. I. can boast of—with financial backing from the sophomore class the imitation leather covers were made a reality for everyone.

The contents live up to all that has been said of them previous to distribution, and those in charge are to be commended for their good work. However, we recommend first-hand exposure to the Warbler as the best way of getting to appreciate it and we will not attempt to detract by reviewing it here.

SCHAHRRER FIELD GETS IMPROVED

E. I. is to have 5 sections of 20 foot, 10 row, movable bleachers erected on Schahrer Field sometime this week. The new seats will be placed on the west side of the cinder straight away and will probably see their first use at the field meet, Saturday. The present stands will be torn down, the south section remaining until after the meet, and the new additions will be in place for the remainder of the baseball season. A field house will be built somewhere on the athletic field to keep them in during the winter months.

The old movable bleachers are undergoing a thorough overhauling and repainting in anticipation of the greatest field meet crowd in E. I. history. Incidentally, new fine mesh wire now adorns the backstop and spectators can watch them "break" in perfect peace.

The track and diamond were put under the machinations of the big roller that is preparing Lincoln and adjacent avenues for a concrete covering and "smooth as a floor" at last applies to a considerable portion of Schahrer Field. One thing is needed to complete the refurbishing, a serviceable wire fence around the entire field. A large force of special cops are going to do the job, after Saturday, trying to take its place, not to mention the past and coming baseball games. May some agency come forward to fill the dire want. The News hints that possibly Wednesday class meetings would be a good time for certain classes to consider it.

TWO-DAY MUSIC FESTIVAL ENJOYED

And then came the music festival more delightful, more inspiring and more extensive than ever before. As we always notice when the date for music festival approaches, these developments around E. I. increased cooperation of students and faculty and students with each other. In preparation for one of the important home affairs, the students zealously engaged in a ticket campaign. Other students—and here to the boys in the credit due—other students wielded hammer and saw and built the stage Thursday evening.

Friday evening at 2 o'clock the first program was launched, the high school contests. All the contestants sang as never contestants here sang before. Notice should surely be given to the friendly attitude of the various schools as evidenced by their smiles but amiable exchange of songs and yells while waiting for the judges' decisions. The development of such a spirit gives our music festival a very good reason for existing. In the hands of Mr. Rademacher of Nokomia, Miss Garvin of Windsor, and Mrs. Hopkins lay the contestants' fates. In the boys' solo contest David Hull of Arcola was awarded first place, and Charles Bennett of Champaign placed second. In the girls' contests Neil McDonald of Urbana took first place and Helen Price of Champaign took second. Prizes were only given to the winners of first place in each of these contests. These prizes were music scholarships.

A new feature this year was the girls' and boys' quartettes. Champaign carried off the honors in both of these contests. In the boys' quartette contest Arcola and Urbana tied for second place. In the girls' Casey was awarded second place. Prizes of plaques were given to the winners of first place. The choruses were unusually large this year. Urbana with its eighty singers received first honors, and surely they deserved it. Champaign and Arcola tied for second place; but when lots were drawn, Champaign was the lucky school. To Urbana and Champaign loving cups were awarded.

Thursday night came the big event that we had looked forward to so enthusiastically. It may be because it is so fresh in our minds, but it seems that the artists' concert was never so well before. Each of the four artists was an artist in the full sense of the word. Far be it from us to attempt to tell of their individual excellencies. We can only say that they were skillful, entertaining and worthwhile. Especially impressive were the renditions of "In a Persian Garden." The numbers by the glee clubs were received with generous applause by the audience. We must of necessity speak with modesty here. Although the mass chorus was handled by Mrs. Willey's enforced absence, they sang well if we are to believe the remarks of members of the audience and the applause they gave the renditions. The mass chorus was composed of the student body of E. I. assisted by a few others. An orchestra composed of E. L. Stover, Mrs. Frazier, Katherine Briggs, Chenault Kelly, Ella Greer and Edward Thomas accompanied the choruses.

Saturday afternoon came the children's concert. The large chorus from the Charleston public schools, under the direction of Miss Kendall, sang their selections excellently. Their distinct pronunciation was especially praiseworthy. Miss Muensterman and Mr. Mitchell assisted at this program. Their numbers were in the same excellent manner as they were Thursday night. The castata by the seventh and eighth grades of the training school was well presented under the direction of Harriet Tate. Francis Weir played the accompaniment and the children gave evidence of extensive training.

As a most fitting climax to the other delights of the music festival came "The Babes in the Woods"—the operetta by the children of the third, fourth, fifth and sixth grades of the training school. Throughout it was pretty, melodious and well done. The troupe of little fairies gave the proper fairy atmosphere, with its ever

present pretty, little maids, its glimmering, shimmering queen, and the beautiful flowers. The gypsy camp seemed very much the gypsy camp with its gay colors and singing. The outstanding characters taken by Harry Waters, Virginia Frazier, Kenneth Sloan, Marjorie Digby, Lillian Waters, Betty Shaffer, Edward Thomas, Lyle Henderson, Hildrith Baker, Winifred Miller, Wilma Willson and Joe Newman were well handled.

And then of course, credit to whom credit is due. It was only very natural that the students who helped should feel they have contributed some little something to the success of the festival. They are thoroughly justified in this and the directors and managers appreciate very much their willing cooperation and assistance. Just as thoroughly justified are the students in wishing to give to Mr. Koch and Mrs. Willey the greatest credit for the success of the festival. We can only say that we appreciate their effort to give us something more worthwhile than we can get ordinarily and to give us enough of a taste of the higher art better to start us towards that higher and better. The students can never repay the debt of gratitude we owe them. Of that we are sure, but perhaps the thought that they have put the students on a little higher plane is in some degree payment on account. Mr. Koch is particularly worthy of praise for meeting so ably the emergency that came up.

We had thought the joy of realization could not equal the joy of anticipation. That idea has now been entirely disqualified. Nevertheless, we are beginning already to anticipate next year's festival. We are looking forward to a delightful group of entertainments such as we have enjoyed this year, another home feast.—Bernadine Abel.

NEW POWER HOUSE UNDER CONSTRUCTION

The much-talked-of new power house on our campus is at last under construction. Although it has been nearly four years since the appropriation was made for it nothing was done and the last legislature voted a reappropriation which makes the building possible.

For the past two weeks men have been at work on the basement which will be about fourteen feet deep. During this time the lily pond has become ancient history for E. I. and a thirty foot terrace south of the greenhouse is becoming a current event. The new and tall house next to the annual arts building has disappeared and ere long will be replaced by this new structure (to be made of brick with stone trimming) which will extend about sixty-five feet above ground. The smokestack will be nearly one hundred fifty feet high.

A number of changes are to be effected. In the first place nearly a hundred per cent greater capacity will be provided for. The boilers will be on the ground floor instead of being sublevel; they are in the present location and the equipment is to be modern in all respects.

It is not definitely known what will become of the old plant, but it will be abandoned as a heating concern. There is some talk of its being made into a water storage reservoir or a greenhouse, but as yet that is unofficial.

PHIPPS TO ATTEND ALTON TENNIS MEET

The southern sectional tennis tournament at Alton this week end, May 9 and 10, E. I. Carbondale, McKendree, Blackburn, Shurtleff and Ill. College are the schools listed, but whether all will send teams or not is unknown to The News. Clem Phipps will be the sole contestant from the local camp. The Kansas netman, easily the class of the school, is playing consistently good tennis against imported opponents and ought to place. The winner and runner-up will go to the state meet, May 23 and 24 at Peoria.

MID-SPRING REGISTRATION NOW TOTALS 168

Mid-spring registration has surpassed all records made so far with 168 enrolled. Of these 27 are men. It is interesting to note that 88 of the total number have been enrolled here before.

FIFTEENTH ANNUAL TRACK MEET MAY 10

The present list of high schools entered in the fifteenth annual track and field meet to be held under E. I. auspices, Saturday, May 10 includes Paris, Robinson, Windsor, Willow Hill, Urbana, Sullivan, Rose Hill, Arthur, Casey, T. C. High, Charleston, Chrisman, Danville, Fillmore, Effingham, Kansas, Longview, Neoga, Newton, Mattoon, Ridgefarm, Shelbyville, Hillboro, Litchfield. There may be a few late entries.

Danville was runner-up in the Paris meet and boasts of a javelin thrower, Whitlock, who won his event with a heave of 176 ft. 6 in., amazingly better than the local mark of 166 ft. 1 in. made last year by W. Poland of Olney. Although Skidmore of Robinson failed to capture first place in the mile at the Wabash Valley meet last Saturday he has circled the track under 4 min. 47 sec., the record held by McElwee of Urbana last spring. Kirkcrafer of Kansas is sure of reaching 11 ft. in the pole vault and is determined to break our record of 11 ft. 3 in. held jointly by Kirkpatrick of Champaign, '16, and Steele of Urbana, '21. The other marks are not likely to fall: 60 yd. dash—5 3-5 sec. held jointly by 13 daah men, Wiley of Champaign, '23, being the last to enter the tie; 100 yd. dash—10 sec., held by Southard of Edwardsville '17; 220 yd. dash—22 4-5 sec., held by Southard of Edwardsville '17; 440 yd. dash—62 5-8 sec., held by Higgins of Flora '19; half mile run—2 min. 7 sec. held by Grantham of Hillsboro '23; 230 yd. low hurdles—26 1-4 sec., held by Overton of Champaign '21; high jump—5 ft. 8 1/2 in., held by Wiseman of Atwood '20; running broad jump—21 ft. 7 1/2 in., held by Adams of Casey '21; 12 lb. shot put—49 ft. 0 in., held by Bitterburg of Raymond '18; 15 lb. hammer throw—157 ft., held by Stephens of Paris '17; diard throw—129 ft. 9 in., held by Byard of Milford '10; mile relay race—3 min. 42 4-5 sec., held by Champaign '16.

All events except the relay race count in the point column, first place, 5 points, second, 3, third, 2, and fourth, 1. Gold medals will be awarded first place winners, silver for second, bronze for third and copper for fourth. A silver flying cup is given to high point man and a smaller one to second high point man. Shields are presented to the winners of the meet and relay race. The above is in accordance with the customs of the local meet.

Albert Moore, agriculture teacher and track coach at E. I. last year, has been engaged as starter. Mr. Moore was starter of the meet last year and is one of the best fitted officials that can be found for the difficult task of getting the runners off.

As has been the case since his advent at E. I., Coach Lantz will be manager. It is safe to say that nowhere is a meet more promptly and fairly run off than ours and the credit belongs to the E. I. coach. The usual large staff of faculty, townspeople and students will be on hand to help put the different events over.

ACCEPTED TEACHING POSITIONS

Members of the graduating class are now being concerned with teaching offers. Several superintendents have visited here and have held interviews with a number of candidates and others have written asking for recommendations. Then, too, those students who have enrolled with teachers' agencies are receiving word of a number of vacancies throughout the country.

While there may be others who have already accepted contracts, among the hired ones and their positions are:

Jessie Springer, superintendent of grade schools of Arcola.

Dorothea Jones, departmental English at Pekin.

Blanche Henry, third grade at Pekin.

Katherine Briggs, second grade at Atchison, Kansas.

Katherine Gray, fifth grade at Pekin.

Gladys McMillan, fourth grade at Atchison, Kansas.

Clara Rodebaugh, fifth grade at Alton.

EDITORIALS

SPEAK FOR E. I.

One of the best advertisements of the school and one of the best opportunities for us to advertise the school is approaching. Our annual field meet and oratorical contest attracts upwards of three hundred entrants from fifty surrounding high schools who bring with them a host of interested strangers. The campus, famous throughout the Middle West, will be at its prettiest and the buildings, always easy to look at from any point of view, will furnish many complimentary remarks. But in the final taking stock by the visitor, just how he was treated by us will weigh heaviest in his final opinion. It is expected that all students will be polite and courteous to strangers within our walls, but on field meet day let's make it a special point. Show them E. I. and in your speech let them know why this would be a good school to come to next fall. Express the cordiality that is said to be lacking in our greeting to newcomers at times. Make them feel at home with you.

The most and oratorical contest is run off in admirable style—a model for neighboring ones. There's never a hitch and things go off smoothly, due to a well prepared and executed plan that has as its creator and executor, Coach Lantz. The way our meet goes off is in itself a favorable advertisement of E. I. and much depends on those students who are helping Coach.

The signs foretell our greatest field meet and oratorical contest. It's in our power to turn it into one of E. I.'s greatest advertisements.

DOING ONE'S BEST
Why do we become discouraged when we fail after we have done our best? For when we have done our best we have done well; and already we have experienced that nucleus for the success of any undertaking. Then if our cause has been proper we have done what we could for the welfare of the world.—George Conrad.

WHAT SAY?

Question: What do you think of class fights?

Mr. Willey (a faculty member who has not seen E. I. rivalry until this year)—I never did believe in that sort of thing myself. These class fights show too much animal nature. It's all right to have class spirit, but it ought to be shown in a push-ball contest or something of that kind. The high school has taken it up now. You can't blame the boys though. They ought to be given something better to do.

Brent Warner (a remaining senior collegian noted for athletic)—I'm wondering. I think they ought to get

aside a certain number of days for class fights and not drag it on for weeks. Mr. Lord and I have agreed pretty well so far. There's no use to have trouble now.

Coach Lantz (a new victim)—I don't think much of them—anyone that takes part in them ought to be put in jail. It seems to me they ought to have one day and have it over with—a regular class rush, with someone at the head and a system to it. Another thing, it's too hard on the baseball players; just this week we had one or two fellows on the team almost laid up as a result of the class fights. This thing of throwing the fellows in the lake—all classes should go in together and duck all the fresh guys around here,—it would be the making of some of them.

Claude Combs (a senior collegian Y. M. C. A. worker)—They're lots of fun, I think. Of course they can be carried too far, but I don't think they have been yet. They're not fighting. No one gets mad about it. I had a good time in them last year. What do you think about it?

Mr. Crowe (talking after Wednesday's chapel exercise)—There'll be a little more time for school work now that the night raids have stopped. The atmosphere from now on will be very unfavorable for them.

TENNIS CLASSES STARTED
This spring has seen for the first time an organization for teaching tennis. There are now two classes of girls. These classes meet on Tuesday afternoons, all courts being reserved for this time. The class meeting from 3:00 to 4:00 is mostly college girls and the one from 4:00 to 5:00 is high school.

As for other athletic activities, points are given—5 for an hour's practice and 15 for regular attendance at these practices.

Katherine McMunn and Robert Shoemaker have charge of these classes.

VARSIITY LOSE TWO GAMES AND WIN ONE

On Thursday, April 17, the day everyone left for Easter vacation, the Blue and Gray pill chasers let themselves in for an awful lambasting at the hands of Bradley, 8-0. The affair took place on Schahrer Field before a negligible crowd. The sixth inning was a bonanza for the visitors, 4 hits and 4 E. I. errors giving them 6 runs.

Muchmore with a pair of hits and Shipman with a neat job of relief hitting were the only local performers of merit.

Bradley's slab artist, Thompson, proved to be that rare exception—a good pitcher and a first rate batter. The rival team as a whole were better fielders and heavier swatters.

On the succeeding day the team journeyed to Terre Haute where they received an even worse trouncing by Indiana Normal, 11-0. Indiana clearly had the upper hand but the score should not have been quite so bad. Six errors, nearly all the glaring variety, helped pile up the score. The victors were the best all around hitting team that the E. I. aggregation hopes to meet this season and boasted of an errorless bunch of fielders.

A drizzling rain throughout the contest was the cause of its termination in the seventh and the end of a perfect day—for Indiana Normal. Not a single luminary managed to shine forth for the humbled men of Lantz while the opposing nine had them too numerous to mention.

Friday, April 25th, witnessed a genuine E. I. comeback one that should not have been necessary, and Normal U. had to console themselves with the receding end of a 5-4 score. The winners appeared better with the stick than heretofore, running up 9 safe base clubs with Miller registering 4 of them.

Normal generally helped out with some "chose" fielding, although it was not confined to that alone, just when E. I. hits were resounding all over the lot. Outside of Miller's and Grose's tangle over a fly ball in the sixth stanza, the team showed a big improvement in handling fielding chances.

The visitors were weak at the mound position but must be given credit for taking advantage of every E. I. bobbie.

OUR RECEPTION ROOM TRANSFORMED

Those who have looked into the
reception room during the past few
days have wondered at the transfor-
mation. What was before little more
than four walls, a floor, and a ceiling,
enclosing a miscellaneous lot of tables
and chairs,—seats of money-

changers of various organizations,—
has become one of the most attrac-
tive rooms anywhere about the school.

A soft grey carpet—soft both to
touch and to sight—is on the floor;
homelike curtains hang in the win-
dows; new chairs with beautifully
patterned tapestry upholstery, on the

table runners made from the same
tapestry, a large lamp, a copper vase,
candle sticks and candles on the man-
dle beneath the portrait of Mr. Lord,
and in one corner the bronze statue
of Mary Stuart—the gift of the class
of 1922: all of these properties blend
into the harmony of charm, fairly in-
viting the passerby to come in, and
rest, and admire. And when the
passerby comes in to rest, he does
invariably remain to admire; and he
goes away genuinely proud of the
reception room at E. 1., and genu-
inely grateful to the committee
whose taste and judgment has
brought about the transformation.

Bernadine Abell and Valentine
Fulleyblank went to Terre Haute last
Saturday to hear Paderewski.

THE PENN MUTUAL LIFE INSURANCE COMPANY of Phila-
delphia, organized in 1847, is one of the few oldest life insurance
institutions in the United States. It is also one of the greatest.
In its more than seventy-six years, breath of scandal has never
touched it nor tarnished its name. Its policy contracts are the
equal of those of any life insurance company, and the service it
gives to its representatives and to its policyholders and their
beneficiaries is as good as the best and is constantly being im-
proved.
