## Fall Enrollment Heads for New Record; Over 900 Registered

Over 925 Registered at 2:00 on Monday; 76 Over Last Year's Total.

### TEACHERS COLLEGES GAIN

According to a late report Monday afternoon from Miss Thomas, college registrar, the registration during Saturday and Monday was an increase from the number at that time last year. At the time of this printing the total number of registrations in the college and high school was 927. Of this number 157 were in the high school.

Last year at the close of registration on Monday the number of students registered in the two schools was 835. Of this number 175 were in the high school. This shows an increase in the college and a decrease in the high school.

It is understood that the enrollments of the other normal schools of the state are showing similar increases. The situation this year is due largely to economic conditions. The teachers colleges being called upon to provide further education for those young men and women who normally enter business and industry at the close of their high school years. It is expected that many students who would otherwise attend the state university or endowed schools will go to the normal schools, where tuition and general living expenses are more reasonable.

## News Editor Calls for Candidates to Work for Positions

"I want to see at least 20 freshmen working on the News staff this year," said Paul Elliot Blair, 33, editor of the News, when interviewed last week. Plans are under way to cover the news of the school more thoroughly than ever before, but to do so, we must have the help of a large number of reporters. The bulk of these will necessarily have to be chosen from the new students.

While only a few members of the 1931-32 News staff have been lost through graduation, there will be more responsible positions open this fall to promising journalists than in the past years.

### To Meet Wednesday

Former members of the News staff will meet Wednesday morning in the reception room at 9:30 for a short session, at which time plans will be made for the coming year. Assignments for the next issue will be made, and according to the editor, "positions will be given to those who show the most industry, ability, and readiness to cooperate."

Newcomers who wish to try-out for positions of the News staff should write their names, experience, telephone numbers and the positions desired on a slip of paper to be placed in the News box in the east hall before Friday of this week. A meeting will be called later in the week at which time Mr. F. L. Andrews, faculty adviser of the News, will address the neophytes.

## SIGMA DELTA TO MEET NEXT MONDAY EVENING

Sigma Delta, local journalists' fraternity, will hold its first meeting next Monday evening at the home of Mr. and Mrs. F. L. Andrews, 1540 Third Street, at 7:30. During the business meeting plans for initiation of new members and a platform for the news will be discussed.

An entertainment programme will allow the business meeting. Harold Nottingham '33 will read an article by Robert Sanchaly, "A Talk to Young Men." There will be more entertainment, but definite plans have not been made at present. Refreshments will be served.

The executive council of the fraternity will draw up a new set of rules concerning eligibility for membership at its meeting.

## Union President Urges Action by Men of College

### Lair Now Open to Men of College After Thorough House-cleaning.

"We want all men of the school, especially the freshman, to take an active interest in the men's club house, The Panther Lair, this year. Spend your leisure hours there and feel free to come at any time." This was the statement given out for the men of the college by the Union President, Alvin Von Behren '33, last week.

The Lair is a large stucco house on Fourth Street, just across the road from Lake Abnoveenah. The house has been painted both inside and out, a general cleaning up has been done inside, and everything is all ready for another school year. Eleven or twelve students may live here and anyone desiring a room should see Mr. Von Behren.

House Well Equipped  
The house is equipped and arranged so that students may use it both for a recreational and study center. Radio, cards, checkers, and ping pong are a few of the various forms of recreation. A reading room is provided which can also be used for study purposes. House rules are posted in the vestibule.

There will be a meeting of the Union early this quarter and all men of the college should attend. The executive board of the Men's Union, consisting of four class presidents and one additional member elected from each class, initiate and carry out all the activities of the Union.

## Phi Sigma Epsilon Members Work on the Chapter House

A general house-cleaning, painting, papering, and several other improvements having transpired, the boys of Phi Sigma Epsilon are all ready for the coming school year. The chapter house will be located at 1010 Sixth Street again this year as it has been during the past two years.

Three of the downstairs rooms have been papered and the kitchen painted. The addition of several pieces of furniture and the waxing of all the floors are some other changes which have taken place during the past two weeks.

Dawn M. Nell is president of the local chapter for 1932-33 and Mr. S. E. Thomas continues as adviser. Visitors are always welcome at the chapter house.

### New Recreation

Horseshoe pitching threatens to replace marbles as the leading sport at the house this year. The ring of the horseshoes on the iron pegs can be heard at various intervals and some hotly contested games will take place. Because he moved in a week early and got extra practice with small neighbor boys, Paul Elliot Blair is the star pitcher as this issue goes to press.

## CHANGE BOOKS FOR NEW ELEMENTARY LIBRARY

To give some measure of relief to the crowded condition of the library, about 2500 children's books have been transferred to the third floor of the Elementary Training school where they will be made available to pupils. The rooms which last year were used for freshman education and English recitations will be changed into the library.

The new library is now ready for occupancy and will be used by the training school students.

Do you know an alumnus who wants the News this year? Subscription blank on page five, 92-93.

LIVINGSTON C. LORD  
President of the College

## Six Teachers Are Absent this Fall from the College

### Two Members Have Leaves of Absence to Study for Higher Degrees.

Miss Parker of the English department returns to her native state as a member of the faculty of the University of Vermont at Burlington this year. Her place is being taken by Quincy Guy Burris. Miss Parker was dramatic coach for the high school senior class play and was chairman of the Entertainment Course committee.

Mr. Hughes and Mr. Beu will be away on leaves of absence to work on degrees this year. Mr. Hughes will return to Stout Institute to work for his degree. He was critic teacher in manual arts and taught much of the metal work in that department.

Mr. Beu to U. of C.  
Mr. Beu, education teacher, track coach for the college, and football coach for the high school, will continue work for his doctor's degree at the University of Chicago this fall.

Mr. Clement H. Sievers is now at Cary, Indiana, working on an unemployment commission. Later he is to work in Chicago in connection with the juvenile court.

Miss Carol L. Bestland, who was school nurse for over four years and head of Pemberton Hall for nearly five years, expects to leave soon for a position as health adviser in Chicago.

## PEM HALL WILL SELECT OFFICERS FOR FALL TERM

Pemberton Hall will select the members of the governing council and a social chairman at an election to be held early this week. Evelyn Barger '34, elected last spring, is president of the student government at the Hall for this year. This will be the third year that the women of the Hall have had self-government. Miss Bestland, former head of the dormitory, established the present form of government in 1930.

New Dean of Hall  
Miss Nathalie McKay takes Miss Carol Bestland's place as Dean of Pemberton Hall this fall. Miss McKay is experienced in personnel work, having worked in the dormitory at the University of Texas and since then in summer camp in Missouri.

## Where Are You?

Many inquiries for students and faculty come to the office outside of class hours.

For the convenience of yourself, your friends, and the office, your correct address with the name of the householder and the telephone number should be on your office directory card.

Any change should be reported to the office the day the change is made.

## Seven New Teachers Secured for College and Training School

### Welcome from League Head to College Women

### Representatives to Be Elected for the Council Early This Fall.

"A most hearty welcome to you," is the message from Ruth Lippincott Keran '33, Women's League president, to all women of the college who are newcomers. Mrs. Keran further states, "We urge each of you to help us in achieving the purpose of the League, which is to promote solidarity among the women by uniting them in social functions and directing the self-governing organization of various units."

A tea for "little sisters" has been planned for the second week of school and further details concerning it will be published in the next issue of the News.

Throughout the year the League will sponsor teas, musicals, and parties, as was done during the past year. Bridge and ping-pong contests will be held later in the year.

The League is headed by a council and a president. The council consists of two representatives from each class and holds one meeting each week. These representatives will be elected at the first or second meeting of each class.

The women of the college are organized into governing bodies according to the locality in which they live. Each unit has its own officers, and the presidents of the various units make up the executive board of the Women's League.

## Degree Candidates Asked to Fill Out Programme Blanks

Every candidate for a degree or diploma, 1933, is asked to fill out a programme blank and leave it at the office before the second Thursday of the fall quarter (Thursday, September 2).

College seniors will need to use a four-year curriculum, pp. 45-50 of the catalogue. College sophomores, in the two-year grade curriculum, will need to use page 4 of the catalogue. High School seniors will use pages 51-52 of the catalogue.

Every one will use his fall quarter "Trial Programme" and the year programmes, between pages 54 and 55 of the catalogue. If you cannot tell the hours at which courses will come, just give the list for each quarter.

At the bottom of the blank, list all conditions to be removed and all other courses needed which are not included in the year or summer programmes. Those who do not receive a blank before Thursday, September 15, should ask for one at the office.

The programme blank will be returned to the student after it has been checked with his record at the office and will be his guide for later programmes.

## GIVE FINAL NUMBERS OF THE 1932 GRADUATES

According to the figures last released from the office of the college the total number of students who were graduated in 1932 is 133. In the two-year course there were 67 graduated. Of this number only four were men, the remaining 63 being women.

In the four-year course for a degree there were 66 graduated, only one less than in the two-year course. The women were in minority in this class, there being only 23, as compared to 43 men.

Remember the Charleston merchants showing the sign, This Store Advertises in the Teachers College News.

## Former Teacher and an Alumnus Return to Take Positions on Faculty.

### TWO IN TRAINING SCHOOL

Seven new faces will be seen among the teachers in the college and the training school this fall as students return to the classes. In the English department, Quincy Guy Burris, A. B., Ph. D., University of Illinois, replaces Miss Parker. Mr. Burris has had teaching experience at Purdue university, the University of Illinois, and Millikin university. Mr. and Mrs. Burris have taken the Nehrling house on Fourth street.

The position made vacant in the botany department by the resignation of Mrs. Stover is to be filled by Hiram Thut, A. B., Bluffton college, M. A., Ph. D., Ohio State university. Mr. Thut taught at Ohio State university under Mr. Transeau, and at Alabama Polytechnic institute at Auburn.

Alumnus Returns to Teach  
Harry R. Jackson, B. Ed., Eastern Illinois State Teachers college, will take Mr. Hughes' place in the manual arts department. Mr. Jackson was graduated with the class of 1932 and has been teaching in junior high school in Indianapolis during the past year. His previous experience includes two years work in the rural schools of Shelby county and three at Indianapolis, Mo.

(Continued on page 8)

## Fresh Handbook Is Ready to Be Given to Newcomers Soon

The "Counselor," successor to the "Gray Book," the freshman manual of instruction, will be distributed to the members of the class of '36 early this week. This book, which is published by the Men's Union and the Women's League, is in its second year, the first issue being printed in 1931.

The "Counselor" contains much interesting material on the organizations, activities, and institutions of the college. A greeting from Mr. L. C. Lord, president of the college, is contained in the booklet. There are 22 pages devoted to the various organizations on the campus. Instructions as to the methods of obtaining membership in the clubs may be found on these pages.

Add Items of Importance  
In the back of the book may be found a number of interesting items concerning the social life of the school.

A list of the "big days" of the college are included with programmes of social dates. A list entitled, "At E. I. You—" which tells simply what is expected of new students is to be found in this part of the booklet.

A list of all the churches, their pastors, and their locations is to be found in the "Counselor." On the remaining pages of the booklet are the songs which E. I. Students sing.

The "Counselor" was edited by Roy Wilson '35, associate editor of the News, with the assistance of individual contributors of the various organizations.

## FRESHMAN APPOINTMENTS FOR FIRST SCHOOL WEEK

On Tuesday morning, September 13, at 9:00, freshmen will attend chapel exercises for the first time.

On Tuesday, September 13, at 11:10 freshmen will take an intelligence test under the direction of Miss Fitzhugh. Note: The 10:26 classes will close at 11:00 in order that this test may begin promptly at 11:10.

On Wednesday, September 14, at 9:30, freshmen will meet in the Assembly Hall with Mr. Stover in charge. The object of this meeting is to bring to the attention of freshmen the student activities at the college. The "Counselor" will be distributed at the close of this meeting.

On Thursday, September 15, at 10:35 in the Assembly Hall, the heads of departments will make short statements to freshmen as to the work.

# T. C. HIGH SCHOOL

## Football Schedule

Sept. 24—Mt. Zion at T. C.  
 Sept. 30—Oakland at T. C.  
 Oct. 7—Martinsville at Martinsville.  
 Oct. 15—Paris at T. C.  
 Oct. 22—Oakwood at T. C.  
 Oct. 29—Casey at Casey.  
 Nov. 11—Charleston at Charleston Field.

## News Staff Calls for Volunteers for Paper

The News Staff is hoping that its head start on all the other T. C. activities is going to help it to forge ahead this year, keeping in the lead through the school year and paving the way for some new wrinkles in high school. Its members are hoping to be able to do as much for our high school page as last year's staff did. The following temporary staff has been selected. Subject of course, to changes and additions. Editor, Libby Weir; news reporters, Margaret McCarthy, Walt Morris, Ruth Royce, Frances Durgue, and Ruth Henry; feature writers, Mary Alice Harwood and Frank Voris.

The assistant editor and freshman reporters have not yet been selected, but volunteers will be called for and the permanent staff chosen very soon. If you are interested in trying for a position on the staff, see the editor or one of the present members. T. C. is getting some good new material both in Room 6 and Room 29, and making use of this and of our old members, we hope to turn out a Blue and Gold Page you'll be proud of.

## Mrs. Stover Resigns from T. C. Faculty

Mrs. Stover, who resigned from her position this year, will be greatly missed by the school, for every one who has come in contact with Mrs. Stover remembers how generous she was with her time to sponsor our trips and clubs and her interest in everything we did from a science club tour to a play. She was always ready to assist us when we asked her. Her suggestions seemed without end and were always useful. With the absence of Mrs. Stover it will seem as if part of T. C. had disappeared. It is up to us to continue with that same spirit so that the classes to come will have some of the joys of Rocky Branch.

## Successful Year Is Planned by T. C. Band

It is going to be a big year for the band this year. Members who attend a set number of the practices will receive band letters at the end of the year. Practices are scheduled to start in either the first or second week of school. They will be held every morning of the school week at 7:30 in the band building. Prospects look good for an excellent band!

## Faculty Notes

In the English department, Mr. Shirley will continue with his second year. Mr. Shirley is to have charge of the senior English classes.

Our faculty members have had most varied vacations. Miss Michael spent the summer abroad. Miss Beatty flew East.

Mr. Shirley and Miss Huestler were most fortunate to have attended the Olympics.

Miss Parker was very happy to be at her Vermont farm. She has had a small Charleston colony there as the following people, Mr. and Mrs. Andrews, Miss Beatty, Miss Ruth Dunn, and Miss Howell, visited her.

Miss Neal spent an enjoyable summer in New Brunswick, Canada. Miss Carlson spent the summer visiting her brother and his wife in Kansas City.

Miss Orcutt had the pleasant opportunity of attending opera in St. Louis.

Mr. and Mrs. Cavins motored through Colorado. Thus our faculty return to us refreshed and rested by their interesting trips.

## G. A. A. Opens Season with a Constitution

T. C.'s newest club, the Girls' Athletic Association, is looking forward to a successful launching into the regular activities this year. The club was introduced by Miss Chase late last spring. Little was done with the organization of the club at that time except the election of the following officers and committees: president, Margaret McCarthy; vice president, Mary Alice Harwood; treasurer, Mary Katherine Kincaid; secretary, Nellie Phipps; publicity manager, Josephine Thomas; constitution committee, Isabelle Barnfield and Helen Puri; and faculty adviser, Miss Chase. Due to the graduation of the secretary, a new one will be elected this fall.

During the summer the constitution has been drawn up and the club is eager to get under way. Such sports as tennis, hockey, hiking, and baseball will be enjoyed by the members. T. C.'s here to boost the G. A. A.!

## Scholarship Honors for Spring Quarter

**High Honors**  
 Ninth Year—Lola Pauline Smith; Tenth Year—Marguerite May Inman, Ruth June Royce, Gertrude Louise Tym; Eleventh Year—Daisy Ruth Icenogle, Alice Evelyn Reynolds, Ruby Evelyn Stallings, Mary Elizabeth Weir; Twelfth Year—John Tarleton Ferbrache, Roscoe Neil Gray; Ruth Mary Johns, Mildred M. Brown Kedley, Florence Elizabeth Wood.

Total—13 received high honors.

**Honors**  
 Ninth Year—Robert Lane Bagley, Aline May Clear, Henry Jacob Phipps, Margaret Eleanore Servey; Tenth Year—Raymond Bernice Cole, Mary Alice Harwood, Nannie Louise Inman, Ruth Merriam Stallings; Eleventh Year—Mary Rosalie Bear, Kathryn Christina Merritt, Helen Amelia Puri; Twelfth Year—Thomas Wilson Chamberlin, Esther Marian Shubert.

Total—13 received honors.

28 received either high honors or honors.

## Scholarship Honors for the Year 31-32

**High Honors**  
 Ninth Year—None; Tenth Year—Marguerite May Inman, Ruth June Royce; Eleventh Year—Daisy Ruth Icenogle, Alice Evelyn Reynolds, Ruby Evelyn Stallings, Mary Elizabeth Weir; Twelfth Year—Ruth Mary Johns, Florence Elizabeth Wood.

Total—8 received high honors.

**Honors**  
 Ninth Year—Aline May Clear, Henry Jacob Phipps; Tenth Year—Gertrude Louise Tym; Eleventh Year—Kathryn Christina Merritt; Twelfth Year—John Tarleton Ferbrache, Roscoe Neil Gray, Esther Marian Shubert.

Total—7 received honors.

15 received either high honors or honors for the year.

## Now I Aze You

How does it feel to start to school after an exciting vacation?  
 Eddie Elwood—"It feels grand!"  
 Bill Edelman—"Doggone! I'm without words."  
 Harrod and Harrod, Inc.—  
 President Shirley—"Quite exotic and quite ecstatic! Also, I feel rather dumb like I might get some noise in my head someday—maybe."  
 General Manager Max—"I feel like I'm gonna stab my toe walkin' down them long corridors. (Adv.)"  
 Nina Tefft (a newcomer)—"I feel like a bird that has been set free and is about to be caught."  
 Helen Puri—"Well, I'll tell you, I don't want to start very bad but still it's nice to see your friends again and to get back into the general swing of things."  
 Bill Barnfield—"It feels grand!"

## Greetings!

Best wishes for the success and happiness of every member of T. C.:

When we come together as an old organization with many new members, each fall, we are strongly reminded of our opportunities and responsibilities, as individuals and as a school. Those of us who have been here before are eager to share our good times and T. C. spirit with those who are new to our school. May our new members find worthy friends, may you become alive with the T. C. spirit of "Do it now, do it willingly, and do it well!" May you soon enjoy the satisfaction of work well done.

To our loyal T. C. members who have been here before, the principal wishes a happy home-coming. Let us all highly resolve to be satisfied with nothing less than our best. May we have more education, more good times, and more friends, all in the proper proportion for the steady growth of T. C.

Sincerely,  
 EMILY R. ORCUTT,  
 Principal

## Editorially:

**COOPERATION**

To make 1932-33 school year a success everyone must cooperate with the other fellow in keeping up high standards of sports, classes, and other outside activities. If you will do your share the other person will follow your example. Begin in the first term of school by doing your best and see how easily it can be done throughout.

## THAT ENTHUSIASM

After three months of carefree vacation let's don't settle down to the monotony of work, but let's carry over our buoyant spirits into school. Why feel that now we must settle down to a dull grind when we can apply our energy and ambition to making school a success this fall? Let's start off with a bang with vacation pep in the halls and vacation industry in the class room!

## Notes of T. C. High

Miss Dorothy Fuller, 1932 graduate from T. C., left in July for Cincinnati, Ohio, where she has been taking nurses' training at the Good Samaritan Hospital. She returned to Charleston on Sunday for a three week's vacation. On her return she will take up her studies again. Dorothy reports that she is enjoying her work greatly and is enthusiastic about her new profession.

The Misses Beatrice, Jean, Elizabeth, and Mary Widger have returned with their mother from San Diego, California where they have been living since December, 1930. Jean will be a freshman in college this year, but the other three girls will be enrolled in T. C. We welcome the Widgers back home again.

## T. C. Opens 1932 Grid Season with Eight Lettermen, Difficult Schedule

### Four Linemen and Four Backs Remain from Last Year's Eleven.

**Monday**—Coach Lantz announced today that Homer Cole, of the coaching school at the University of Illinois, has accepted the position of football coach at T. C. high school. Mr. Cole arrived today to take up his duties. He will also attend classes in the college working on a degree.

T. C. High School opens the 1932 football season with eight lettermen from which to build a team capable of competing with other teams of this section.

The Blue and Gold faces one of the most difficult schedules of the past few years. Martinsville, a strong contestant, and Oakwood have been added to our list of foes. The remainder of the schedule consists of Casey, Wabash Valley champs, Paris, Oakland, Mt. Zion, and our North side rivals, C. H. S.

Of the eight lettermen, Captain Stillman, fullback, looks most promising. Woody has three years' experience as a regular for the Blue and Gold. He should prove a good leader for the squad candidates of less experience. Other backs include "Butch" Cole, Chuck Spooner, and Frank Voris, three backs that gained some prominence on the B Squad last year.

The line prospects are rather weak. Both end positions are open to any candidate. Johns, a guard, and Barnfield, a tackle, show great promise. Wetland, husky center, should be able to hold his own against the stiffest competition. Bill Hite, Matt Harris, Frank Day, and Russell Bearrows are other men who should hold positions in the line.

This season T. C. is handicapped by the small number of available players. No doubt there are several fellows of

no little ability who will spend their leisure time worthlessly. Presently now is the time to start football. Every year of experience counts. Wouldn't you rather play football than loaf?

## T. C. Shows Loss of 20 in Registrations

At 11:30 on Saturday morning, September 10, the high school enrollment came within twenty of last fall's final enrollment, and it is expected that late registration will nearly make up the difference by the time school is actually started. This is a pleasant surprise, as in spite of the tuition being reduced to \$7.00, a decrease in enrollment had been expected this year.

One hundred fifty-seven students had registered Saturday morning, 117 in upper high school and 45 coming into high school as freshmen. Last year's final enrollment numbered 179, with 37 in the ninth grade. The increase in the ninth grade is partly due to the exceptionally large number who came from the training school into T. C. high school. These graduates of the training school comprise more than half of the freshman class. This freshman class helps make up for the large graduating class of 1932.

### Where T. C. Students Spent the Vacation

The majority of T. C. students remained in the Charleston vicinity. However, some proved to be most venturesome. Margaret McCarthy, accompanied by her aunt, spent an interesting two weeks in Atlantic City and New York City. They went by way of Kentucky.

Our Harrod twins, Shirley and Maxine, livened up Quincy and Waynesfield, Ohio, while they were visiting and camping there during the month of July. Another Ohio visitor was Josephine Thomas, who spent a week in Cleveland. Later she went to Fort Dodge, Iowa, and has just returned.

**Visit Near Galena**  
Katherine Kincaid spent a month visiting her aunt near Galena. Elizabeth Irwin accompanied her and together they enjoyed horseback riding and the country life. Ruth Royce also spent a month in Illinois, but in Naperville, where she enjoyed the swimming. A week's camping out at the Rocks added much to the enjoyment of the summer for nine girls. Josephine Thomas, Lucille Thomas, Isabel Barnfield, Helen Purl, Kathryn Waiker, Margaret McCarthy, Elizabeth Weir, Bobbin Lantz and Audrey Oldfield were the lucky ones.

Bill Setliffe visited in Chicago and Wisconsin during the summer and spent a month at the C. M. T. C. camp at Fort Sheridan. Bill's on his way to becoming a sergeant. Luck to you Bill.

Margaret Servey also spent some time in Wisconsin. Green Bay, however, was the city that called her.

**Michigan Visitors**  
Betty Lou Bails found visiting her aunt in Lisbon interesting especially with the trips to Starved Rock and Deer Park. Another freshman, Rosemary McArthur, spent the summer in a camp in Michigan. Other Michigan enthusiasts were James and Ward Weiland, who were camping in the state. Janet Bahnbrieger has just returned from one of the Michigan lakes.

T. C. representatives were also found in Indiana where Charles Spooner spent most of the summer at Walnut, a band and orchestra camp. Frances and Claude Durgue traveled for a week in northern Indiana. Billy Hite also found Indiana worthwhile for traveling.

Billy Heinlein, a new addition to T. C., had a most exciting summer. His hours ranged from Detroit, camping at the Rocks for three weeks, numerous fishing trips (where he caught cold if nothing else), to the garden where he was probably most active.

**Campers at The Rocks**  
Garrison Rains, Max White, Bob Duncan, Bill Sunderman, Raymond Abernathy, Mac Heinlein, Billy Heinlein, and Don Neal also spent a week at the Rocks.

Mary and Elizabeth Widger undoubtedly were our farthest and longest wanderers. They have just returned from San Diego, California, where they have resided for the past year and a half. We welcome Elizabeth back into our midst and Mary for the first time. Though some have traveled far and others only in books it's comforting to be back at T. C. again.

### Former T. C. Students Enroll at City High

Several former members of T. C. have enrolled at C. H. S. for the coming year. Among those are Marjorie Redman, Mary Chilton Crews, Martha June White, Ayleen Gilbert, and Wesley Neal.

It is reported that Herschel Cole has a good position in Mattson for the winter. Most of the other members of the 1932 graduating class plan to enter E. I. this fall.

## WALTER H. NEHRLING

**BORN**  
February 23, 1877

**DIED**  
July 9, 1932

The beautiful grounds and the landscaping of the college campus will remain a lasting monument to the skill and interest of Walter Nehrling. His thirty years spent here at E. I. as superintendent of grounds have been most valuable to the school and will not be soon forgotten.

### Talk of the Campus

**GRADUATE MARRIED**  
Marguerite Draper, Alvin, Illinois, married Homer Black, Danville, in Kanabos on June 13. Mrs. Black is a graduate of E. I.

**MIDSUMMER FROLIC**  
A midsummer dance for all active and alumni members of Delta chapter of Phi Sigma Epsilon was held in the college gymnasium on Wednesday evening, July 13. The chaperons were Mr. and Mrs. Thomas, Mr. and Mrs. Coleman, and Mr. and Mrs. Andrews. Music was furnished by Charlie Blair and his orchestra.

**REGISTRATION DANCE**  
Students of the college were guests of the recreation committee at the annual registration dance last night (Monday) in the gymnasium. Charlie Blair and his music, local band, furnished the music for dancing from 9:30 until 11:00 p. m.

**WEEK-END VISITOR**  
Forest Buckler 33, stellar center on the 1932 Panther football squad, who is now teaching in the Allendale, Illinois high school, visited friends in Charleston over the week-end.

**ALUMNI VISITOR**  
Erret Warner, a graduate of Eastern State, who assumed the position as principal of the Allendale high school this fall, visited with friends in Charleston over the week-end.

Asphalt, imported into Brazil and emulsified in a plant in that country, is being used with crushed stone to form durable and economical highways.

Germans have developed a method for fireproofing wood by immersing it in molten metal under pressure, the metal penetrating its surface.

Tooth and Lincoln  
Standard Oil Products

### Rules of Illinois Certifying Law

Following are the rules of the certifying law of Illinois:

- I. The completion of the freshman year in any curriculum admits the student to examination for a limited elementary certificate.
- II. The completion of the two-year grade curriculum gives a limited elementary certificate.
- III. The completion of the first two years in any curriculum gives a limited elementary certificate provided the student's credits include two quarters of work in practice teaching, history (or social science), and mathematics (or natural science).
- IV. Graduation with the degree gives a high school certificate. If the student has had four years of successful experience, or supervision, he may have also a supervisory certificate.
- V. Certification and graduation both require that not more than one-fourth of the student's grades shall be D.

New ice states that are fastened with toe laces and a heel strap without the use of metal parts to rust can be worn on shoes of any size.

### Decatur High Becomes a Three Year School

The Decatur public schools are in a critical financial condition. At a meeting of the Board of Education Friday evening it was seen that reduced income would leave but \$400,000 to carry on for the year a system which required \$600,000. It did not seem possible under the law to make an extra assessment effective soon enough to bring in the required funds and the board felt forced to reduce their high school term to three years. Under these circumstances they requested the non-high school board of Macon county to co-operate, making it possible for the fourth year students to attend any accredited high school in the state with tuition paid by the non-high school board. There are seven community or township high school districts in Macon county—Blue Mound, Argenta, Mt. Zion, Nantico, Maroa, Macon and Warrenburg.

The action brought quite a protest from Decaturites who on Sunday afternoon held a mass meeting with about 1,500 present but they were unable to see a way through. It was decided to hold an adjourned session of this mass meeting at 7:30 o'clock on Monday evening to make a further effort to solve the problem.

### THE NEWS ADVOCATES:

- A more comprehensive recreational programme
- A class in etiquette
- The abolishment of class dues and jewelry
- A more selective membership in organizations

TUESDAY, SEPTEMBER 13

I do not agree with a word that you say, but I will defend to the death your right to say it."—Voltaire.

## Student Recreation

The past year has probably taught the college student that he must find his recreation in some manner which will not draw too heavily upon his reduced finances. As he enters into the second college year of the "depression," he should feel more heavily the lesson the past year has taught him. Much depends upon his own ability to entertain himself this year. He cannot afford to hire people to entertain him; he will be thrown more and more upon his own resources.

In view of the opening of the school year the News brings forth a few suggestions for the recreational programme of the year. First, a larger intramural programme should be adopted this fall. Some means must be found to provide for those men of the college who do not play football. Playground baseball might be the solution. Other sports should be added as the seasons change. As to sports for the women of the college, the W. A. A. should seize upon this opportunity to strengthen its place in the college through the introduction of an interesting sport schedule for the women.

As regular monthly features the News advocates the sponsoring of vaudeville nights by some reliable organization of the college. The past year has shown to what degree of success "home talent" shows may be developed. More original costume parties should be given. Bridge and ping-pong tournaments should fill spaces in the recreational programme. The slogan, through necessity, must be "RECREATION AT ITS LOWEST COST."

## To the Freshmen

The welcome sign is hanging just outside the building, there above the door. Lift up your eyes from your shuffling feet, Freshmen, and read the sign. "Welcome to E. I." it says. And just below are the lines, "This is a Friendly College." The sign of welcome is the greeting from the present upperclassmen of the Eastern Illinois State Teachers College to the future upperclassmen.

The students of the college want you to feel welcome on the athletic teams, in the class organizations, in the social groups, and in the classrooms. Introductions are not necessary. If there is something you would like to know, step up to an upperclassman, ask your question of him, and save yourself the confusion of having to find out for yourself. Congenial companions may be found on both hands. It is your duty to find them.

Remember that your work in the classrooms comes first. Make a good impression now. Enter into the activities of the college. Find yourself a club with which you have like interests. Go out for the athletic teams, try for places on the student publications, sing in the glee club or play in the band. NOW IS THE TIME TO TAKE YOUR PLACE IN THE LIFE OF THE COLLEGE.

## Prospects for the Year

Looking over the records for the past school year we see victories and losses in competition, high and low scholarship, projects which have been successful and those which have not turned out so well. What is most interesting and inspiring is the fact that in the majority of cases the students of the college came out on top.

If we profit by the mistakes of the past year, and forge ahead as we have done in the past, the year 1932-33 should be one of the best ever. Of course, predictions as to the successes of the year cannot be made until we have a more thorough knowledge of the abilities of the students. The most important thing is that everyone is getting a new start. It is NECESSARY that EVERY STUDENT WORK HIS VERY BEST to insure the SUCCESS OF THE ORGANIZATION, ATHLETIC TEAM, or GROUP of which HE is a MEMBER.

## What Our Readers Have to Say

Letters do not necessarily reflect the opinion of the News. Please limit all communications to 150 words. All over that limit may be cut at the discretion of the editor. All contributions must be signed, though names will not be printed unless requested.

Dear Editor: Sharpen the old lead pencil and start the year off with a bang. Fire the first shot toward the freshman, and aim it straight and true. Write some editorials, write some news stories, write anything to bolster these fresh up, put them on their toes, and create enough vim and vigor in them to cope with the complexities of the new world they are in.

If you know what wobbly steps some of these "sophisticated high school seniors" take when they start out on registration day I'm sure you would create some sort of verbal tonic for them. Honestly, some of them regard their walk out here on registration day as a "death march."

Is this the sort of stock out of which a sturdy collegiate structure can be constructed? I should say not. Therefore, as editor of the college paper, I ask you to put into your editorials and news columns such an abundance of keen-edged, live-wire, dynamic spirit that even these meek creatures will absorb some of it, rare back with great gusto, and cheer their beginning days in college. —K. W.

Dear Editor:

I know that what I am going to say will not be in line with the usual type of letter written to the News, but nevertheless, I feel that what I have to write might prove interesting and also in line with what other young people are thinking.

Many of us are old enough to vote now, and this fall will be the first time we have been permitted to vote for the President of the United States. I feel a distinct thrill coming on when I think of getting to cast my ballot in such an important election, but I also feel incapable of selecting the best candidate. So much ballyhoo is printed in the metropolitan newspapers on the coming election that I don't know who and what to believe.

What I am driving at is that I would like some good common sense articles in the News giving the various students' opinions on the coming election and the candidates who will be running for office. Can you help me out?

A YOUNG DEMOCRAT.

Thirty-four kinds of destructive insects are estimated to cause an annual loss of \$900,000,000 in crops and property in the United States each year.

## One Year Ago

Registration on Saturday and until Monday forenoon showed a decided increase over the previous year. There was a slight decrease in the enrollment of the high school, but this was made up by the increased number in the college.

Twelve new teachers arrived to begin their teaching duties in the college. Miss Alice McKinney of the art department returned from Boston where she had been on a leave of absence.

The "Gray Book," freshman handbook sponsored by the Men's Union and the Women's League, was handed out to the members of the class of '33 at a meeting held Wednesday morning. Harold Middlesworth '31 edited the booklet.

The four-year curriculum leading to a degree of Bachelor of Education in Public School Music was registered in the college. Miss Ruth Major and Mr. Richard Weikel were announced as instructors in charge.

Zemherman Hall started the second year of student rule under the leadership of Helen Slinn '32.

Mr. L. C. Lord announced the rental of a stucco house on South Union street for the use of the Men's Union. This house is on property purchased by the Normal Board for the college.

Coach C. P. Lantz began his twenty-first season as coach of the Panthers with a veteran line returning. Powers, Smith, and Deverick were lost from the backfield.

Panther football schedule includes seven games with two new rivals added. The season opened on October 2.

## Opening of School is Event of Major Importance Says Superintendent Blair

By Francis G. Blair, Illinois State Superintendent of Schools

The beginning of a new school year is always an event of outstanding importance and interest. It touches the deepest springs of community life. Its advent is heralded by the return of parents and children from vacation; the consultation of parents, pupils and teachers over books and supplies which will be needed by the children and those infinite detailed preparations made by parents for the clothing and welfare of the children during the school days. Then comes the day and the hour when the children start to school. One with a little imagination can hear their shouts and calls as they move like an assembling army to the school houses throughout the nation. One can almost feel the tread of the feet of these twenty-five millions of children as from ocean to ocean they start to school on that momentous first day of the school year. Nor can one shut out of this vision the view of thousands of parents as they watch their children start away that first morning, parents who have sacrificed more than it is possible to state in figures in order that their children may have school opportunities, parents whose minds and hearts are filled with large expectations as to what the year's schooling will do for their children. Nor can we exclude from that vision the million school officers and school teachers who have prepared the school buildings and grounds and the year's work for these assembling hosts of children. Nor miss the little greetings of recognition on the playgrounds by the children of each other preceding the greetings by the teachers of the return of former pupils.

In any way we may look at it, it is an event of major importance. It stirs the whole life of the nation as no other event of the year.

But of the beginning of school in September, 1932, there will be notable changes in this picture. To be sure, the loving sacrifice and zeal of parents for the advancement of their children will be the same. The great need of

the nation to have its children properly housed and properly instructed will be the same. The teachers and school officers will be as eager and earnest to provide for the educational welfare of this vast army as ever before. But in hundreds and thousands of districts with diminished or depleted revenue boards of education will find it impossible to provide the kind of educational opportunity which they had formerly viewed. Teachers, however unselfish, loyal in the great work of teaching children, will be human enough to recognize and feel the uncertainties of their own tenure and their own income. In millions of homes where under ordinary circumstances parents have looked forward with pleasurable expectancy to the opening of their children with proper equipment for attendance, the want of employment by the fathers, the continued reduction and loss of income of their parents or guardians can not fail to cast a shadow over this otherwise joyous event. Many serious-minded devoted parents who have never before questioned the worth of the sacrifice and the value of their efforts, may entertain certain doubts mingled somewhat with despair over this year's prospects. It is a year that will try the faith, the confidence, the optimism of school officers, teachers and parents throughout the nation. One would be wanting in vision and common sense not to recognize the presence of these depressing financial forces in the outlook of the opening new school year. But one would be more foolish who, recognizing them, is filled with doubt and despair. The nation has passed through such emergencies and come forth stronger and better. Even now we seem to catch the signs of the breaking of a better day.

Let us hope that Illinois school officers, teachers and parents will untiringly labor to make this coming school year as happy and as profitable for the children as possible. Let us exalt the intellectual and spiritual qualities above material depressions and losses.

## In This Little World of Ours

By the Editor

"AND SO to start another year" might have been the words of Pepsy at this time of year if he had been a college student. The doors are opened wide, there starts a whirl of life in this little world of ours, which gradually grows and grows until 900 or more students enter, and then, this little world takes on added importance, the sound of voices is heard, and Mary Jones says, "Did you know that?..." The college journalist overhears that sparkling bit of news, and the News is born.

which carry signatures will be placed in that column subject to the rules which are placed under the heading. The News expects your comment.

THERE WILL be five new teachers in the college and two in the training school this fall. The News wishes them to E. I. and extends the wish that their stay in Charleston will be a happy one. The loss of Mr. Ben and Mr. Hughes for next year will be greatly felt by the men of the college who have been interested in athletics. These two men have always taken great interest in the victories and defeats of the Panther representatives.

WE RECEIVED our copy of the "Counselor" recently and were more than impressed by the excellent quality of the material in it. The Union and the League are doing a great service to the school in financing this worthwhile project. The freshmen should receive great benefits from this little manual. "A plumb," as one radio announcer calls it, should go to Roy Wilson '35, who edited the booklet this summer.

NOVEMBER brings around the great political circus. For the first time many students will go to the polls and mark their choice for the President of the United States. Also for the first time a bunch of politicians will attempt to humbug a group of new voters who have until now been "null and void" as far as being of assistance to the politicians. We have often marvelled at our importance after we get a ballot in our hands. Our advice is, as it will always be, "vote for the best man," but don't ask us who the best man is. We really don't know.

WHILE COACH Lantz is worrying over his football prospects the editor is laughing over his good fortune in having lost only three members of his staff through graduation. The "in-vincible line," the loss of which will cause no little trouble in the Panther camp this fall, remains intact on the News. With only three members lost, and the knowledge that there is some good freshmen material entering, the News staff looks forward to the best year in the history of the school for journalism. When we can start our articles with the phrase, "We point with pride to," we are happy. Watch for the smiles on our faces.

AFTER SPEAKING about politics, the coming class elections are brought to mind. The old admonition, "vote not for your friends, but for the man who will serve you best," proves good in this case. Last year several classes found themselves in "hot water" over entertainments, class dues, and class projects. Class officials of little ability might have caused much of the trouble. To terminate this trouble, each class should elect to office capable people, the most able to be found.

AS IN previous years the News will conduct a column of student opinion under the heading "Our Readers Say." If you agree or disagree with the ideas and statements of the editorial board, or feel that the News has overlooked a matter of importance to the school, write a letter explaining your viewpoint to the News for publication in this column. Anonymous letters, of course, will not be printed, but those

THIS FIRST word is a "get acquainted" word. In a few days we settle down to the routine of learning. Many difficulties which look momentous now will become quite trivial matters in a short time. Football practice will be under way; the band will be marching, and... there will be another issue of the News to get out.

### Spring Term Lists 89 Receiving High Honors or Honors

Freshman Class Leads Classes  
with Total of 34 of List  
Honored.

The following students received high honors in the college for the spring quarter of 1931-32. To gain high honors the student must have A in three credits and B or A in the fourth subject. There are 48 in the list.

#### Freshman Year

William Byron Balls, Teachers College High School; Rachael Ionna Bowden, Maroa High School; Leallyn Burr Clapp, Paris High School; Merry Virginia Clotfelter, Florence, Colo. High School; Jerry Lowell Craven, Charleston High School; Joseph Harold Dial, Noble High School; Ada Elizabeth Doty, Mattoon High School; Kenneth Boyd Duran, Oakland High School; Helen Bernadine Freeland, Teachers College High School; George William Henry, Charleston High School; Grover Donald Icenogle, Toledo High School; Mary Margaret Irwin, Teachers College High School; Mary Bernice Kaercher, West Salem High School; Jack Hal McClelland, Teachers College High School; Mary Maxine Michaels, Teachers College High School; Jewell Burdell Murray, Kankakee High School; Thomas Miles Stoddert, Teachers College High School; Herbert C. Vandevanter, Charleston High School; Roy Kenneth Wilson, Charleston High School; Ruth Eugenia Young, Altamont High School; Marguerite Marie Zimmer, Arlington Heights High School.

#### Sophomore Year

Evelyn Marie Barger, Mattoon High School; John James Black, Morris High School; Grace Fearl Diamond, Greenville High School; Rachel Elizabeth Guthrie, Alorton High School; Lodema Lucile Helton, Brocton High School; Nadine Averia Hill, Olney High School; Gertrude Irene Lane, Teachers College High School; Victor Patrick, Charleston High School; Susie Phipps, Teachers College High School; Alice Roberta Wickett, Greenup High School; Robert August Wright, Casey High School.

#### Junior Year

Ralph Osborne Cooper, Marshall High School; Tinsie Mae Welsh, Ladoga, Ind. High School.

#### Senior Year

Charles Glenn Askew, Casey High School; Bernice Irene Bankson, Bethany High School; William Forest Buckler, Newman High School; James Harrison Cherry, Herrick Com. High School; Ruth Corley, Shelbyville High School; Hanson Clarence Couch, Bridgeport High School; Hazel Alma Ferguson, Sumner High School; Norman Albert Goldsmith, Greenup High School; Agnes Kathryn Gray, Onarga High School; Mary Emeline Holmes, Robinson High School; Margaret Adline King, Newman High School; Natalie Virginia Lantz, Teachers College High School; Forest Eugene Montgomery, Martinsville High School.

The following 41 received honors during the spring quarter. To receive honors the student must have A in two credits, B in one, and B or C in the fourth subject. This makes a total of 89 who received high honors or honors in the college in the spring quarter.

#### Freshman Year

Agnes Marie Anderson, Stewardson High School; Florian John De Michael, Stonington High School; Donald Lee Grantham, Mattoon High School; Elmo Russell Gruenfelder, Granite City High School; Evelyn Hallowell, Teachers College High School; Lester Franklin Heckert, St. Elmo High School; Winifred Juanita Lane, Teachers College High School; Louise Gray McRutt, Charleston High School; Opal Margaret Nichols, Cowden High School; Katherine Gertrude Pier, Danvers High School; Bernice Celestine Scherer, Olney High School; Natalie Viletta Tibbs, Stewardson High School; Ralph Lavanda Wickler, Greenup High School.

#### Sophomore Year

Margaret Hester Brandom, Taylorville High School; Elizabeth Catherine Broom, Tampa, Florida, High School; William Stanley Claybaugh, Neoga High School; Marjorie Jane Digby, Teachers College High School; Lavon Alverda Houston, Mulberry Grove High School; Margaret Doty Houts, Arbutus High School; Harry Donald Lovelass, Watacks High School; Mabel Beverly Marshall High School; Clarence Edward Taylor, Ewing High School; Glen Neal Tins, Teachers College High School.

## ... THE LAST TRUMP ...

"This, Partner, Is Our Trick"

#### Address to Freshmen

Funny Little Folks, vacation is over, or more accurately speaking, loafing is about to begin, depending upon circumstances, your instructors, fresh eggs, and about everything but the Ku Klux Klan. You are in college, bah jove! You are here for a serious—or maybe a sad—purpose. Non est dubium. That purpose is to prepare yourselves for the depression. It may last 800 years. Upon your shoulders—you, the bonus army of tomorrow—will rest the tremendous responsibility of carrying on hard times. Who can tell but that one of your smiling faces may some day become the facsimile of a Republican or Democratic candidate? Who can tell (cf. Gray's Elegy) but what your mis-

What you learn here at E. I. may tend to make you sane and sensible persons. Forget it! What our country needs is leaders—men who can fiddle so sweetly no one feels the fire. There were never more opportunities than today, nor more numerous ways of committing suicide. You can become a leader of the unemployed without ever cracking a book. Is it not far better to receive cash than scrip? Indeed, Fanny Little Folks, the future is yours, if you can just pay the interest on your father's debts. I thank you!

Most people are born lucky, but some decide to go to college.

#### East is East

The East lives on the tourists; the West lives on the climate, and we live on the truck brought from home.

#### Take Your Choice of Greetings

1. Glad to see you back.
2. Sorry you didn't get a job.

You can find plenty of work in Charleston, but no one will pay you to do it.

#### Higher Mathematics

1. Space in the library varies inversely with the increase in enrollment.
2. Chances of fooling the instructor vary directly with the number on the class.
3. Dates vary directly with the car.

ownership and the girl's attitude toward the "dutch."

#### We Never Knew It To Fall

Now that you are here, everything's a going to start happening in the old home town.

#### Advice That Shouldn't Be Necessary

Wake up in time for the elections.

The world used to owe us a living; now it just owes us a schooling, which wouldn't be so bad if that was all it owed.

Of course we believe that everyone should take a little domestic science. In these days it's well to know at least 100 appetizing ways of serving "pork."

If we must economize, let's do it to-morrow. After all the weather will soon be bad, and we'll have to spend all our time studying then.

Students who have come up through the Training School can sigh, "Just another year." And there are others—No names, please.

School closes at noon on Saturday.

## Christian Church Endeavor to Hold Wiener Roast Soon

Members to Meet at Church Sunday at 8:00 o'Clock for Transportation

A firelight Endeavor service, which is to be followed by a wiener and marshmallow roast, has been planned by the Christian Endeavor society of the First Christian Church for next Sunday evening. A fee of 10 cents will be charged each person to pay a part of the expense. All students of Christian preference are cordially invited to attend this affair. Everybody is to meet at the Christian Church, corner of Fifth and Jackson streets, at 8 o'clock, where transportation will be furnished to the scene of the wiener roast.

The regular meetings of the Christian Endeavor are held at 8:30 o'clock each Sunday evening. Harold Robbins '31 is president of the society and invites all students of Christian preference to attend the meetings and join in the discussion of problems of interest to young people.

## Natalie Lantz Is Working in Chicago

Natalie Lantz '33, daughter of Coach Lantz, is working in Chicago at the present time with the Associated Charities. She has had three different positions in the office. When she first arrived she was placed at the complaint desk where she took care of the people who were not receiving their food and clothing. Later she was transferred to the department where she had to interview applicants for charity. At the present time she is investigating the conditions of the persons who apply for relief. According to Miss Lantz the work is very interesting.

An automobile license plate invented by a Georgia man to balk thieves breaks into two pieces when an attempt is made to remove it from a car.

### Scholarship Honors for the Year 31-32

There were 35 members of the college who received high honors or honors during the year 1931-32. This covers three quarters of work. The following received high honors: A in three subjects and B or A in the fourth.

#### Freshman Year

William Byron Baile, Teachers College High School; Mary Margaret Irwin, Teachers College High School; Mary Bernice Kaercher, West Salem High School; Thomas Miles Stoddert, Teachers College High School; Ruth Eugenia Young, Altamont High School.

#### Sophomore Year

Evelyn Marie Berger, Mattoon High School; John James Black, Morris High School; Gertrude Irene Lane, Teachers College High School.

#### Junior Year

None.

#### Senior Year

James Harrison Cherry, Herrick High School; Norman Albert Goldsmith, Greenup High School; Margaret Adline King, Newman High School; Forest Eugene Montgomery, Martinsville High School.

The following students gained honors during the year 1931-32.

#### Freshman Year

Leahly Burr Clapp, Paris High School; Ada Elizabeth Doty, Mattoon High School; Evelyn Hollowell, Teachers College High School; Grover Donald Icenogle, Toledo High School; Mary Maxine Michaels, Teachers College High School; Jewell Burdell Murray, Kanawha High School; Opal Margaret Nichols, Cowden High School.

#### Sophomore Year

Margaret Hester Brandon, Taylorville High School; Marjorie Jane Digby, Teachers College High School; Lodianna Lucille Reiton, Buxton High School; Clarence Edward Taylor, Ewing High School; Beulah Mabel Vandament, Bridgeport High School.

#### Junior Year

Lelah Mae Cook, Villa Grove High School; John Edgar Foster, Ambia, Ind., High School; James Milton Lattig, Ramsey High School; Tinsie Mae Welsh, Ladoga, Ind., High School.

#### Senior Year

Neal Ashley Adkins, Teachers College High School; Bernice Irene Bankson, Bethany High School; Alice Elizabeth Hamer, Onarga High School; Helen Glendora Phipps, Teachers College High School; Margaret Ruth Thompson, West Salem High School; Willard Edgar Turney, Hillsboro High School.

### Aunt Susan Says

Probably the most neglected parts of college students' lives, with the exception of studying, are food, health, clothing, and financial matters.

Some mighty helpful hints can be given to those students who do their own cooking. It is suggested that this list be clipped out and placed in a conspicuous location in your kitchen.

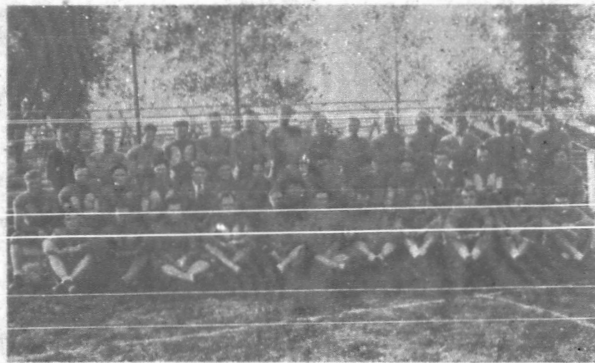

1. Always have a definite place to hang the can opener. In case this instrument becomes lost, an ice pick may be used. If you punch enough holes in the same locality a passage large enough for most foods to pass through may be made. Caution: A can of halved peaches cannot be opened during one noon hour with an ice pick. But why bother, we all know that the next door neighbor has a can-opener.

2. Three girls have been known to cook their meals for a dollar each per week. This was accomplished by bringing food from home. This plan is all right if not carried to extremes. Caution: It is better to use local eggs.

Down through the ages has come a question of all importance. Yes, even Actha and his terrible Huns were burdened with the question: Who shall wash the dishes? Not I, said the little red hen. I pardon a little neighbor boy for washing a story to my little niece and I allowed my mind to wander along with his reading. I promise you that this shall not happen again until I have this matter of washing the dishes settled.

The game, Dish-Luck, is suggested. A salt shaker is placed in the center of the table. The contestants stand on chairs three feet from the table, each armed with a tea cup. At a signal from some unknown person each contestant pitches his tea cup toward the salt shaker. The one whose cup lands

Front Row—Left to Right: Viseur, McKee, Hunt, Wyeth, F. Buckler, Baird, Kirk, Etnire, Shaw, Claybaugh, Barrick. Second Row—Simpson, Gray, Walker, Benahaw, Powers, Henderson, Hardy, Ogden, Chesser, Abraham, Clapp, Thudium, Parker, Strader, Fulton. Back Row—Neil, Manager, Haddock, Hance, Flake, Pricco, Thomas, Volc, Wassem, R. Buckler, Titus, Funkhouser, McMorris, Coach Lantz, McClane.

### Former E. I. Teacher Dies During Summer

J. Paul Goode of the University of Chicago died in August this summer, completing many years service to education. Mr. Goode was one of the first teachers to be employed in the college when it was founded. He taught physics and geography here from 1899-1901. Mr. Lord in speaking of J. Paul Goode said, "He was one of the best teachers we had. He was always studying his teaching technique and bettering it."

### Ruth Corley Receives Teaching Fellowship

Word was received here recently that Ruth Corley '31 has received a teaching fellowship at Ohio University. She will do part time teaching in the training school while working on her master's degree.

Upon accepting the position she resigned her teaching position in a Shelbyville grade school. Eliza Cooper, graduate from the two-year course in elementary teaching at E. I., has been employed to fill the vacancy.

Patrons of the Charleston merchants showing the sign, This Store Advertises in the Teachers College News.

Do you know an alumnus who wants the News this year? Subscription blank on page five, \$2.25.

on the shaker, covering it up, is declared the winner and is allowed to wash the dishes. The winner automatically becomes Dish Lucker of the day and is thus addressed by his associate cooks. Note: A perum mmas have helped prepare the meal to be eligible for the Dish Luck Contest.

I simply cannot close without making a confession. Now, my dear readers, my dear thousands of readers, you know, and I know and we all know that Aunt Susan would not write a column such as this, but why change horses in the middle of the ocean as Columbus said? So, with due apologies, I am, your advising,

Aunt Susan.

### Football Schedule

Oct. 1—Shurtleff at Charleston.  
Oct. 8—State Normal at Normal.  
Oct. 22—Indiana State Teachers at Charleston.  
Oct. 29—(Homecoming)—James Millikin at Charleston.  
Nov. 5—St. Viator at Charleston.  
Nov. 12—McKendree at Charleston.  
Nov. 19—Southern Teachers at Carbondale.

### New Football Manager

Paul Birthisel '34 was selected as manager of the 1932 Panther football team by Coach Lantz.

### RATS CAST THEIR SHADOW ON YOUR COIFFURE

Have you noticed how the new hats do everything possible to show a generous expanse of hair? We received this style forecast weeks ago and so are prepared to give you the latest in coiffures which are individual and becoming. Our favorite, a medium bob, with each slanting wave ending in chic ringlets, is just one of a dozen new styles we are offering.

# LANTZ STARTS 22nd SEASON WITH PANTHERS TODAY

## Graduation of 1931 Line Makes 1932 Showing Uncertain; Few Vets Left

Five Members "Uncrossed Goal-Line" Eleven are Lost to Team This Year.

C. P. Lantz starts his twenty-second season as the Panther football coach with only a few returning veterans and an unknown quantity of freshman material which may be good or may turn out bad. Almost all of the 1931 line is lost through graduation. Prisco, tackle, is the only regular linesman returning. Barrick and Funkhouser, who alternated at end, will be back. The center of the line must be built anew as P. Buckler, center, and McMorris and Baird, guards, have been graduated.

Medford Emire '34 and William Claybaugh, reserve guards, will probably be back. Charlie Shaw, reserve center, may continue to show improvement this fall. His work last year should aid him in winning a regular position this season. At tackle there will be Prisco, captain, and Tohill who is eligible this fall and should take care of the other end of the line in good shape. His work in the Fresh-Soph game last year was one of the features of the game. Benshaw and Volc will be battling for regular places in the line, although Volc's knee may not stand the season's strain.

No Ends in Sight  
Barrick and Funkhouser are the only experienced ends returning. There were an likely prospects shown at that position last year among the yearlings. A newcomer, Lusk of Xenia, is rated highly. Over six feet tall and weighing 210 he was a star in high school.

The backfield remains an unknown quantity. Titus, Wyeth, Fulton, and McClane are expected to return this fall. Haddock and Harty may also return. The backfield will probably find a number of freshmen at the posts at the opening of the 1932 season.

Practice opens today (Tuesday) on the practice field just east of the regular stand.

### "Little 19" Nips

The Panthers lost two good candidates for half back positions when Paul Weger and "Bill Duck" Warner, both of the Lawrenceville high school team of 1931, decided to attend Illinois Wesleyan at Bloomington.

A great shortage of football equipment is reported at Carbondale Normal where 200 candidates reported to Coach Bill McAndrews for practice.

The opening of the 1932 football season finds St. Viator with two new assistant coaches to aid Coach Corcoran. Sylvester McIntosh, of St. Louis, Mo., who will coach the backfield and Don Anderson of Berwyn, who will assist with the line. McIntosh is a former St. Louis University half back, and Anderson is a former St. Viator guard.

Shurtleff, who meets the Panthers in their opening tilt, opens their schedule with Carthage on Sept. 24. The complete Shurtleff schedule follows:

- Sept. 24—Carthage at Carthage.
- Oct. 1—Charleston Teachers at Charleston.
- Oct. 8—North Central at Alton.
- Oct. 15—Elmhurst at Alton (doubtful).
- Oct. 22—McKendree at Lebanon.
- Nov. 5—Southern T. C. at Alton.
- Nov. 12—Western State at Alton.

The McKendree gridders will be the first Little Nineteen team to see action this year and Millikin and Carbondale will be the latest. McKendree opens receivers on Sept. 16 with the Scott Field aviators from Belleville. Carbondale plays their first game Oct. 7, with the Southeastern Missouri Teachers and Millikin opens their schedule with Ripon on the same date.

State Normal, Carthage, and Monmouth, with 9 games each, have the

### Begins 22nd Season

Coach C. P. Lantz will bring forth his 22nd Panther football team on Schahrer field on October 1.

### Record Enrollment Teachers College

Carbondale, Ill., Sept. 8.—A record of more than 800 freshmen enrolled at the Southern Illinois Teachers College here yesterday at the end of the second day of registration, sending the attendance of the school up to 1615, the largest for an opening day in the school's history. This number represents a gain of nearly 300 over the opening date of last year.

largest schedules of the conference teams. Elmhurst with only five games doubted, and one of them marked "doubtful," has the smallest schedule.

A glance at the Bradley schedule shows that the Tech boys are going to have "plenty stiff" competition this season. The opener on Oct. 1 is with Iowa and the second game, on Oct. 8, is with Illinois. Two Big Ten teams at the beginning of the season is a big bite for any Little Nineteen team. Bradley ends the season in a tilt with Cornell on Thanksgiving Day.

Several long journeys will be made by Little Nineteen teams this season. The Illinois College team goes to St. Louis on Oct. 1, where they meet the St. Louis University squad. Oct. 15 might be termed "Michigan Day" as Illinois Wesleyan plays Michigan State at East Lansing on that date, and St. Viator meets the Michigan State Teachers squad at Kalamazoo on the same date.

The Southern State Sinoos encounter all the State Teachers College teams of the state, with the exception of Western of Macomb, this year. Following is the complete Carbondale schedule:

- Oct. 7—Southeastern Missouri Teachers at Carbondale.
- Oct. 15—Northern State Teachers at DeKalb.
- Oct. 21—McKendree at Carbondale.
- Oct. 28—Illinois Normal at Carbondale.
- Nov. 5—Shurtleff at Alton.
- Nov. 11—Southeastern Missouri Teachers at Cape Girardeau.
- Nov. 18—Eastern Teachers at Carbondale.

### Remarks From The Sidelines

By John Wyeth '34

With Charley Grimm's Cubs and Joe McCarthy's Yankees holding the news spotlight very successfully there seems little chance for "old man" football to make an impressive entrance on the front page. Nevertheless, he always does find a way to crowd out the national pastime which September rolls around. Just give him time.

With all these old friends back greeting each other again, that old question "what did you do this summer" arises quite often. Here's what a few of the favorite sons did to amuse themselves during the hot months. Football Captain Ernie Prisco spent the summer quietly at his home in Auburn, Illinois. Jake Volc, stellar guard and etter man of two seasons, had a busy time in the trucking business. Jake upset 200 dozen eggs in his first attempt. That reminds me of two years ago when on a certain class night Jake was smeared with eggs.

Scott Funkhouser, E. I.'s smashing right end, attended the Olympic Games at Los Angeles this past summer. He reports a great trip. Lloyd Thudium, who showed promise of becoming a regular wing man this year, is dishing out ice cream cones to the Charleston kiddies. He promises to be back for the second week of football practice.

Stanley Claybaugh, the most likely cooche as Baird's successor, spent the month redecorating the "Lair." He has it ready for habitation after much work. Glen Titus, last year regular, spent a strenuous summer heaving cakes of ice around for the local company. "Tite" should be plenty hard for the rigors of the early season practice. Charley Shaw, center, spent three months as life guard at the Mattoon city pool and showed up for school with a nice coat of tan.

Pete Barrick, end, spent the summer at Pem Hall. Pete says that the big trouble seemed to be that the girls were not there and that there were too many floors to wax. Wallace Cavins, promising quarterback of "Mac" Gilbert's famous "gray" team, has returned after spending a year in the State Educational department of West Virginia.

Rex McMorris, star guard of the last three seasons, has a teaching position in the Virgin Islands for the coming year. Omer Thomas, the big bone crushing, red-headed terror of last year's eleven, has retired to a quiet life as a teacher. He has a school near Lovington, Illinois.

## Panthers Open 1932 Football Season on Schahrer Field Against Shurtleff

### To Captain Panthers

Ernie Prisco '34 was elected last year to captain the 1932 Panthers, but at the time of this writing there was some doubt as to whether Prisco would be able to return to school this fall. Ernie was a star tackle and if he does not return his place will be a difficult one to fill.

### The Little Nineteen Conference Members

The Little Nineteen conference consists of representatives from 22 colleges in Illinois. Athletic teams in three major sports are included in each of the schools. At the end of each sport season the mythical champions are selected by the sports editors of the leading newspapers. All-star teams are selected.

The following schools are members: Augustana, Bradley, Carthage, Eastern Teachers, Elmhurst, Eureka, Illinois College, Illinois Wesleyan, Knox, Lake Forest, McKendree, Millikin, Monmouth, Mount Morris, Central, Northern Teachers-DeKalb, St. Viator, Shurtleff, Southern Teachers-Carbondale, State Normal-Normal, Western Teachers-Macomb, Wheaton.

Seven Games Scheduled for Panthers Starting Oct. 1 and Ending Nov. 19.

The Panthers open their 1932 football season on Schahrer field playing Shurtleff college of Alton on October 1. Last season the Panthers fell before the Lantzen 24-0 to open the 1931 season. In the second game State Normal will attempt to avenge a 13-0 defeat of last season. On Oct. 22 Indiana State Teachers from Terre Haute play on Schahrer field. Last year the Scyamoors completed a short pass to score the winning touchdown of the game.

James Millikin Here  
On October 29 James Millikin university of Decatur will help the Lantzenmen celebrate Homecoming. Last year Corbett and Co. led the Decaturites to a 25-0 victory at the expense of a dazed Panther team. This year with Corbett gone the Co. may not prove so fast. St. Viator of Bourbonnais will play here November 5. The game may be changed to upstate later. Last year the Irish came back to overcome a 9-0 lead and win with two touchdowns by Westray, elusive back. McKendree on November 12 will be the only new team added to the schedule. To close the season the Sinoos at Carbondale will entertain the Panthers on November 19. Last year the Sinoos ended the winning spell of the Panthers, winning 6-0 on Homecoming. Also, this was the first time in two years that the Panther goal line had been crossed.

## W. A. A. Plans New Sport Schedule for Women of College

A meeting of the Women's Athletic Association will be held early this week, probably Wednesday, according to the president, Kathryn Towles '32. All officers, with the exception of the president and social chairman, will be elected at this meeting. Plans for the initiation of new members will also be made at this time.

Fall sports such as tennis, hockey, soccer, archery, hiking, and baseball, will begin as soon as the heads of the various sports have been elected. A scoring system has been arranged and numerals are awarded in the various sports.

Numerous teas and parties will be sponsored by the W. A. A. during the year. After the sports have been organized a contest will be held to judge the best all round girl athlete of the college.

The two physical education teachers, Miss McAfee and Miss Chase, are advisers of this club, and a third adviser, from the faculty, will be elected later.

## Phi Sig Chapter House Absence Slips to Be Secured from Nurse

College students who are absent on account of illness will get excuses from the school nurse at the east end of the second floor corridor. See bulletin board for the hours.

College students absent for other reasons will go to the office for excuse at 8:00 o'clock in the morning or immediately after morning exercises.

Present the excuse to each teacher when you go back to your classes.

## Seven New Teachers Secured for College and Training School

(Continued from page 1)

and Mrs. Jackson are residing at 910 Seventh street.

Cari Colvin, B. S. M. A., University of Illinois, who taught here for two years, 1916-1917, returns to take Mr. Bee's place in the education department. Mr. Colvin returns after an interesting experience in education at Port au Prince, Haiti. He spent last year at the University of Illinois in work toward a doctor's degree. He expects to write his thesis this year. Mr. and Mrs. Colvin are living in one of the Skidmore cottages on Second street.

Two New to Training School  
Miss Margaret Adline King, B. Ed., Eastern Illinois State Teachers college, will have charge of the Third grade. Miss King comes from the Oak Park Public schools, from which Miss Morse, Miss Gardner, Miss Coffman, and Miss Ragan came to this school.

Miss Tinsie Mae Welsh will have charge of the Fifth grade. She received her Junior College diploma in 1924. She will complete her work for the bachelor's degree next summer. She was principal of a grade school for four years after two years of experience in the fourth grade at Atchison, Kansas. Miss Welsh was a high honor student while at this college.

New Dean of Hall  
Miss Nathalie McKay has been appointed Dean of Pemberton Hall. Miss McKay has the degrees of B. A. from Howard-Payne college, Brownwood, Texas, and M. A. from the University of Texas at Austin.

Miss McKay has done dormitory work before at the University of Texas. She spent the summer at Kickapoo Camp, Branson Missouri. She has specialized in personnel work.

## Accepts Position

Rex McMorris '32, last year's president of the Men's Union, left for the Virgin Islands three weeks ago where he will take a position in the public schools. He will be working under Mr. Ivins, education instructor here in 1930-31, who is supervising the educational system in the Islands. Rex will also be remembered as a stellar guard on the victorious Panther football team of 1930.

## Noted Educator Dies During the Summer

The teaching profession of Illinois suffered a severe loss by the death of T. J. McCormick last June. Mr. McCormick, who was principal of the La-Salle-Peru high school for many years, was an outstanding figure in field of secondary education. He was a frequent visitor at E. I. and a personal friend of Mr. Lord. Students will remember him for his scholarly talks in chapel, and teachers, as one of the principal speakers at the Mattoon meeting last fall.

## May Conduct Know Illinois Tour Soon

Suggestions made last year that students at E. I. conduct week-end excursions to places of interest around Charleston promise to bear fruit at an early date, if sufficient interest is shown and means of transportation made available, according to a member of the News staff who is sponsoring the undertaking.

While definite information is lacking at this time, it is understood that journeys will be made to Shiloh, Turkey Run, Paul Sargent's studio, the Indian mounds, Vandalia, and other points of interest. It has long been felt by many that a "Know Your State" sight-seeing club would be of interest to students and faculty members at E. I.
