Greetings From The Managing Director

What does it take to pull these shows together? I had a patron ask me this question the other day. We have all done this so many times that it runs like clockwork, but when I really started to think about all the pieces, my head started to spin. So...Let's start at the very beginning...A very good place to start!

In late February, Artistic Director Seth Reines and I started the audition process. We saw over 1,000 people for casting this year, from which we selected those you see on stage. That is the easy part. From there contracts were sent out, directors and designers hired, technicians hired and so on and so forth. Still easy!

Summer got closer and closer and then the entire company arrived on May 25. But what you don't know about are the 15 apartments we have around town that we had to furnish with beds, tables, chairs, couches, plates, cups, plungers, etc. We have such an amazing community here that has helped us get everything ready and pick up pieces along the way that we need for housing. Right now, we have about 55 people in company housing. At the end of summer, we move out of almost all of those apartments and houses and hope that there are places available again next season.

We also have to feed the entire company each Saturday between shows. These people work hard and are hungry! We have so much wonderful help with this as well. Two very special ladies, Pauline Rowles and Mary Ann Hargis have helped feed the company for years. This year they have also had help from many local restaurants. Thank you to all who have helped feed our company for those Saturday meals.

Both housing and feeding the company can be tedious jobs and expensive endeavors. We spend around \$50,000 each year on housing, utilities for housing and all the little expenses that come up along the way like cleaning and plumbers and airconditioning repair men. Who would have known that so much went into putting a season together? Endless hours from many people. I hope you feel like you know a little bit more about what it takes to get the show on stage.

Thank you for visiting us and I hope to see you in that seat again real soon!

John J. Stephens
Managing Director

Mr. Stephens was appointed to the position of Managing Director on October 21, 2008 after spending 3 seasons as Director of Marketing for The Little Theatre On The Square. John spent 10 years with The Decatur Park Singers serving as Road Manager and the Director of The Decatur Young Park Singers. From 2001 until 2006 John taught at St. James Catholic School in Decatur, IL and served as head choreographer for the Lincoln College Express in Lincoln, IL during that time as well. John was born and raised in Glasford, IL and graduated from Lincoln College with his Associates degree and attended Millikin Univeristy majoring in Vocal Music Education. John currently resides in Sullivan and owns and operates the Harrison Street Inn with his partner Timmy Valentine.

Want to learn more about your favorite TLTOTS Actor?

Well, here is your chance...

Adopt An Actor

The **Adopt An Actor** program is set up as a fundraiser for The Little Theatre On The Square. You can adopt your favorite Actor or Actress and learn the inside scoop about their lives and what it takes to be a member of the TLTOTS company.

By **Adopting An Actor** you get a chance to learn more about their lives and the parts they play in our summer season shows.

- * You get an autographed 8 X 10 picture of your Actor.
- * You get a Button with your Actors' photo on it to wear to the shows when you come.
- * You get to set up a lunch or dinner meeting with your actor before a show, where you can take your Actor out to one of the area restaurants. (Remember these are starving artists!)
- * Your name will appear in the 2009 Summer Playbill next to your Actors' name.
- * Your name will appear in the lobby with your Actors' picture behind the concession stand.

We feel that our audience is a vital reason that so many Actors return to our theatre. You can help us continue to make these everlasting friendships with the 'Stars' of tomorrow.

Call the business office and ask for John Stephens - to adopt your Actor today. Call 217-728-2065. Or leave this slip with your payment at the Box Office.
