## HOME COMING A BIG SUCCESS

The Crowd, the Weather,  
and the Social Functions  
Make it Pleasant for All

The cooperation between the students and faculty resulted in making Saturday the gala day of the school's history. Friday afternoon alumni and old students began to arrive in Charleston and by Saturday there were between two and three hundred in town. Everything that could add to the pleasure of the students was done and all declared at the close of the day that they had never had a better time.

### CHAPEL EXERCISES

Home coming was fittingly observed in chapel. After all the students had taken their seats, the model school children then marched in carrying spangles of blue and grey crepe paper mounted on sticks. After everybody was seated the alumni marched in and sat down in the seats reserved for them. About two hundred alumni attended chapel exercises. A song of welcome for the alumni was sang by the students after the regular chapel exercises. Following this were two zither solos by Mr. Koch, which were enjoyed by everyone, and then the first speaker of the morning, Bruce Corzine, 13, was introduced. In a few well chosen remarks he expressed the feelings of all the alumni. He said, "alumni are more able to appreciate the school after they leave it. A person must first respect his school, then admire, and finally love for his alma mater will come." He expressed the hope that the home coming would be permanent and that every year more and more alumni would be back.

Following this was a short talk by Miss Nell Haley, a graduate of this school who is now superintendent of the primary department of the public schools of Danville.

Then came a talk by H. A. Neal, the first trustee of E. I. S. N. S. on "Welcome to alumni." He said he expected the team to win and that he hoped the Blue and Grey would again triumph, as they had fought together fifty years ago.

### TELEGRAM FROM KANSAS

The following was read in chapel. It is from three of the class

of 15 who teach in the state of Kansas.

"We wish we could be with you. Love to all.

Earl Taubeneck,  
Flossie Doty,  
Sophia Reed."

### PARADE

At 2:00 o'clock Tripp's band gave a concert on the square and started down sixth street marching three abreast, followed by two decorated automobiles filled with clowns and butterfly girls. Quite a lot of notice was attracted by this parade.

### DECORATIONS

The merchants and citizens of Charleston responded very well with decorations. Every street in town was decorated with the Blue and Grey, and student furnishings were much in display. Sixth street was the official highway, and practically every house on the street had Blue and Grey bunting on it.

### CHEERING

The cheering, under the direction of Lyman Ritter and his assistants, VanTarble and Frank Harris, was all anybody could wish. The bleachers responded

nobly to the call of the leaders and cheer after cheer rolled over the field. Several songs were also sung.

### BETWEEN HALVES IN THE GAME

A very pretty feature was an aesthetic dance given by nine butterfly girls.

Many humorous stunts were pulled off between halves in the football game. The second team played a fake game of football with a football full of apples and they all took to the woods eating apples. The Library Science Class sang a library science song composed by some of the students. Mr. Lord (?) represented by Ed. Harris, attended the game riding on his horse. The Junior wienie roast was celebrated and the Juniors cheered for Mr. Storer. Two of the students "went to church." Four clowns, whose identity we refuse to reveal, made merry during the whole game.

### RECEPTION AT NIGHT

At night a reception and dance were held in Pemberton Hall and the gymnasium. The music was furnished by Furry's Orchestra. Punch was served.

## SHURTLEFF WAS OUTCLASSED

Normal Wins Easy Victory  
Saturday by the Score  
of 52 to 6.

The sun was just a little hot for Shurtleff, and so was Anderson and the other ten Normal stars, but on other hand old Sol and the boys from the Mississippi were just right for the aforesaid stars. The red and gold players were a husky looking bunch, but just a little slow. The old fighting spirit was more in evidence than in any other games this year as was shown by the result.

### FIRST QUARTER

Anderson kicked off twice, the first going outside. R. Warner returned the ball ten yards. This is about as far as Shurtleff got, until they had to punt. Anderson returning 20 yards. A bad pass caused us to fumble and a Shurtleff man picked up the ball and went 50 yards for a touchdown. This put

grey and they tore the Methodist line into shreds. Anderson, Crowe and Root doing the tearing. Anderson went over for the first touchdown. Shurtleff chose to receive but they did have possession of the ball long until they had to punt, this being their only means of advancing the ball. Anderson made his usual 20 yard come back, and then the march to the red and gold goal line began and never stopped until Root went between the goal posts for another six points, Anderson added another point by kicking goal. The quarter ended. Normal 13, Shurtleff 6.

### SECOND QUARTER

Shurtleff kicked off, Root returning 20 yards. The blue again started their hammering tactics which did not stop until Cooper went over for a touchdown. The Methodists chose to receive this time, but did not "hike" the ball back very far, for the blue line held, and again the only means of advancing was by punting, the ball going outside. Anderson plugged the line for five yards. Bigler was then sent in and a pass was tried which failed, another was tried with the same result, then Anderson punted 35 yards, Miller returning ten yards. The paper-like line of Shurtleff could not hold and Scharer broke through and nailed the runner for a 20 yard loss, then the

### THE FIRST HOME COMING

After a long absence from home  
who should greet the home com-  
ing son or daughter but the  
mother.

And now what is more fitting  
than that the alma mater should  
greet the home coming graduate  
whom she sent out into the world,  
perhaps only last June and per-  
haps a dozen years ago.

The home coming was a great  
success from every point of view.  
It gave old graduates not only an  
opportunity to talk over old times  
but also to see how the school has  
changed since they left. And of  
course it has deteriorated, accord-  
ing to their point of view. So  
here's best wishes for the second  
successful home coming and  
everybody boost for the accom-  
plishment of this end.

## GARDEN CONTEST IN MODEL SCHOOL

If everybody could do as well as  
the model school children the high  
cost of living would be totally ob-  
solete. In a garden contest held  
this year by the pupils of the el-  
ementary school Helen Heddin, 7 B,  
was first, Leslie Stevens, 6 A, was  
second and Zella Bottrell, 6 B, was  
third. In a report made Oct. 18,  
by Helen Heddin on the products  
raised in her garden, the following  
was reported:

Parsnips 25, Carrots 1 pk., Salsify  
20, Celery 45 bunches, Onion  
sets 1-2 gallon, Green Snap Beans  
1 1-2 pk., Mango Pickles 4 gal, Hot  
Peppers 3 qts., Lima Beans 2 gal.,  
Turnips 2 pks., Winter Radish 1  
pk., Popcorn 65 ears, Late Turnip  
Summer Radish 4 doz., Nest Egg  
Gourds 25 lb., Lettuce 5 pks., 1  
bushel Pole Bean Pods for seed, 5  
small heads Cauliflowers, 1 pk.  
Sweet Potatoes, 1 pk. late Irish  
Potatoes, late Peas 1-2 gal., Chard,  
Kale, etc., for greens 3 1-2 bushel.

### Deliver Us

From tailors' bills, doctors' bills,  
sudden rigors and other ills—de-  
liver us. From lack of gold, wives  
that scold, maidens old and wid-  
ows bold—deliver us. From pret-  
ty girls, with waving curls and teeth  
like pearls—well, never mind.

Girls, don't listen to flattering  
beaux; for while as friends they al-  
ways beaux, you will find in reality  
they are feaux. They flatter your  
eyes, mouth and neaux, and sing  
your praise from head to teaux.  
They take you to balls, parties and  
sheaux, and are adepts at conceal-  
ing their weaux—although as ficke  
as the wind that beaux.

"Tell me, professor," said the  
inquisitive student, "are the three  
elements; fire, water and air, polit-  
ical elements?" "No, not exact-  
ly," replied the old party of the  
wise part; "but the political ele-  
ments are somewhat similar."

"What are they, professor?"  
asked the youth.

"Fire-water and wind," was the  
reply.

## SHURTLEFF WAS OUTCLASSED

(Continued from page one)

Methodists punted 35 yards. Andy returned it ten yards. He also went through the line for seven yards, a Bigler pass failed but Scharer split the line for 7 yards on the next play, a pass again fails, but Rocky made it first down through center. Then the passes began to work, three of them gaining 45 yards. Root then dived through for his second touchdown. Andy kicked goal. Andy kicked off, the ball going ten yards. There was no return for Slim Markle made one of his famous shoestring tackles, around the neck. - On the next play Slim keeps up his good work by recovering a fumble. High was sent in for Bigler, and started well by shooting around left end for 20 yards, and plunging through tackle for ten more. Andy kept up the good work by going over for a touch down, but missed goal. Shurtleff was again the victim of a kick off to their 20 yard line. McDowell punted 40 yards on the first down, Andy returning five yards.

### THIRD QUARTER

Andy kicked off and the ball was returned ten yards. The blue line held but Shurtleff fumbled and recovered for first down. The blue line held like a stone wall, making it necessary for McDowell to kick. Andy, High, and Root making first down through the line. On the next play Andy made it first down again, High was hurt and Edgington took his place. On a lateral pass Normal gained eight yards. It took the next three plays to make first down, the next two were good for eight yards, then Endsley got on the receiving end of a pass for 20 yards and proceeded to wiggle through for a touch down. Andy's kick off was brought back ten yards but this was all the farther north it got, Normal getting the ball on downs. Root and Cooper made 20 yards on the three following plays. Andy made it first down in his next two attempts, Root followed him with five yards.

### FOURTH QUARTER

The quarter opened with a pass over the line to Endsley, who made a wonderful catch, the goal was not kicked. Andy kicked off to the Methodists who had to punt after trying for three times to gain. Andy returned 5 yards. This was followed by a first down on the next two plays. A drop kick was tried but failed, but it was not long before the blue had the ball in their possession again. On a succession of passes and line plunges the ball was taken to the three yard line where Root took it over. Normal received the kick off and the march down the field was made by line plunging and passing until Andy shot

over for the last touch down, and kicked goal.

### GOLVIN LOWRY DIES SUNDAY

Colvin Lowry, a member of the tenth year class, died Sunday night at the M. A. Montgomery Memorial Sanitarium, after a ten day's illness from appendicitis. He was the fifteen year old son of Mr. and Mrs. Benjamin Lowry, who reside eight miles south of Arcola. The funeral will be held from the residence of Fred Wieland, on south 4th street at 2:30 Tuesday afternoon. Rev. A. L. Casely, pastor of the First Methodist Church of this city, will officiate. Burial will follow in Mound Cemetery.

#### STUDENT INJURED

Saturday morning at recess while kicking a football around, Forrest Stewart, the fourteen year old son of Mr. and Mrs. A. C. Stewart of C street, suffered a fracture of the large bone of the leg, near the hip. While kicking a football around, one of his playmates ran against him, knocking him to the ground in such a manner as to fracture his leg. A physician was called and the injury was attended to, and the boy was taken to his home.

### Y. W. C. A. MEETING

The regular weekly meeting of the Young Women's Christian Association was held in Pemberton Hall, Friday evening, at 6:45. Regular business was taken up.

### NEXT SATURDAY'S GAME.

Next Saturday's game with Normal University is the last on the home field and should be attended by all. Normal University is a very strong team this year and this will be a very close game. If the locals win this game they may yet be in line for the championship. Normal beat Lincoln 27 to 7; while the locals defeated Lincoln 27 to 0; so the dope says we will win the game. We will, if everybody comes out to the game and roots for the team.

Definite plans for making the home coming an annual affair have not been learned but it is expected that this will be done.
