## TWO DEFEATS FOR NORMAL

### Illinois Wesleyan and Illinois College Defeat E. I. In Well Played Games

Wesleyan 33, E. I. 16. The E. I. suffered their first feat of the season last Friday when they played Illinois Wesleyan at Bloomington.

Anderson was the star for the green and grey, making 12 of the points for his team. Elliot, who has been the star of many a Wesleyan game, was the star last day, registering 9 out of the 10 points made by the green and grey.

The first half was slow because Wesleyan's inability to get a wind but at that they were of E. I. 3 points, the half ending 8-5 in the Methodist's favor.

Capt. Anderson started the scoring in the second half by shooting several long baskets. The Methodists seeing this, began to shoot baskets with such monotonous rapidity that they were soon far ahead of the blue, making 25 to 11 points for the E. I., the game ending 33-16 in favor of the green. If the blue team had shot baskets as well as they worked team play the score might have been different.

Illinois College 26, E. I. 25.

The game with Illinois College was much faster than the one at Wesleyan. E. I. was leading up to the last 45 seconds of play, and if they had only been a little more accurate in their basket shooting, Normal would have won, as their team work was far superior to that of Illinois College. The first half ended with Normal leading

19-10, but were not leading at the end of the game, when the score was 26-25.

The Sparks Business College team will play Normal here next Wednesday. Sparks has a good team and a fast game is expected.

#### MR. STORER BACK

Mr. Storer is back to school after a six weeks' illness from appendicitis. Thanksgiving he was removed to his home in Buffalo, N. Y. An operation was not necessary. When he recovers his strength he will help coach basket ball. In an interview when asked about his illness and return, he said, "Well, all I know is, I'm glad to be back." And, everybody is certainly glad to see him back.

#### Y. M. C. A. MEETING

The regular weekly meeting of the Young Men's Christian Association was held in the music room last Tuesday evening at 6:45. President Andrew Phillips conducted the meeting. After the singing of the hymns and the repeating of the Lord's Prayer in concert, Palmer Giffin played the piano. This was enjoyed very much and he was encored many times. More boys should make it a plan to come and help a good cause along as well as to enjoy themselves.

#### Y. W. C. A. MEETING

The regular meeting of Young Women's Christian Association was held Friday evening in the parlors of Pemberton hall. Miss Mary Lyle led the meeting. She read a very interesting little story entitled, "The Discovery of a Year."

The Y. W. C. A. is preparing a hearty welcome for Miss Eleanor Richardson, their central field chairman, who is to be here on Wednesday and Thursday of this week, and asks the support of all the girls of the school in this welcome.

The Junior class held a business meeting at recess Saturday in Mr. Storer's room.

## DISASTROUS RESULTS TO MATTOON H. S. PAPER

Recently the live spirits of the Mattoon High School felt that the one need of the school was a school paper. But the one objection to the paper was that the faculty of the school were not for the paper.

For years, it seems, the local high school youths have had ambitions to enter the journalistic field, said ambitions having been promptly suppressed by the powers that be. Attempts to publish a high school annual have been made at various times, but have always met with the overpowering opposition of the faculty.

In opposition to the faculty the young men of the high school compiled the news matter, secured advertisements, contracted for printing, and were ready to issue before the higher powers got wise. But, Friday afternoon, it is said, the enthusiasm of the business managers became so strong that they could not wait until evening, when the Ledger, as the paper is called, was to make its first appearance, but circulated a sales sheet about the school during class hours, the advertising dope being passed from hand to hand while the instructors were lecturing. But the faculty got "wise" to the enterprise and an executive session of the company was immediately called, members of the faculty attending as censors and critics for the coming sheet. The circulation was ordered stopped and the three leading spirits were suspended from school.

The new paper is a newsy little sheet, well written, well edited, and containing none of the objectionable slush which all too commonly appears in publications of this sort.

It was stated last night that the father of one of the boys suspended has employed an attorney and will take the matter to the courts unless a satisfactory adjustment is made at once. The boys maintain that the paper is an individual enterprise and that the Mattoon high school is in no way connected with it other than that news of high school activities are carried in its columns.

We see no reason why the boys should not put out the paper as an individual enterprise and are heartily in sympathy with them. We are glad to welcome them to our exchange list.

Normal University easily defeated Lincoln College 35-6 last Friday at Normal.

## WEDDING BELLS ARE RINGING

### Three Weddings of Former Students Were Solemnized Last Week

#### HUTTON-WYETH

In the presence of fifty relatives and friends Miss Nina Hutton, daughter of Mr. and Mrs. Charles A. Hutton, and Harold B. Wyeth, son of Mrs. E. B. Wyeth, were united in marriage on Thursday afternoon. The ceremony was solemnized at 3 o'clock at the home of the bride's parents, 938 Tenth street, Rev. C. S. Pier, pastor of the First Presbyterian church, officiating. At the appointed hour Miss Lucile Linder, presiding at the piano, played a wedding march and Miss Hutton and Mr. Wyeth entered the room unattended. Little Betty Lou Alexander, who acted as ring bearer, presented the wedding ring to the bride. The impressive ring ceremony was used by Mr. Pier.

Mrs. Wyeth is the second daughter of Mr. and Mrs. Charles A. Hutton. She is a graduate of the Eastern Illinois State Normal school, and has been prominent in the church and social circles of the city.

#### SMITH-GOSSETT

There is a new name in the faculty list of the Tuscola public schools since the holidays. The name of the second primary teacher now is Mrs. Wm. E. Gossett, instead of Miss Goldia Smith as of old. The wedding was performed at the bride's home in Newton. Mr. Gossett is a Charleston man and a graduate of this school.

#### SMITH-TYLER

James Tyler, a former member of the school, but now a senior in University of Illinois, was married December 25 to Miss Adefine Smith of Champaign.

#### STANLEY CROWE IMPROVING

The condition of Stanley Crowe is very much improved was the report today. His temperature is normal and he is in good condition. This seems to be the welcome news which every one has been hoping to hear for several weeks. Stanley took ill two months ago yesterday and has certainly had a hard fight for health again.

**SCHOOL SPIRIT**

School spirit is essential to the  
life of any school. There are  
several kinds of school spirit.  
One kind is what is most gener-  
ally recognized as school spirit,  
that of belonging to or support-  
ing the athletic teams. Every-  
body is not able to belong to an  
athletic team, but everyone can  
help the team by rooting at the  
games. Another kind of school  
spirit is that of being square as a  
student and thereby giving the  
school a good name. A third  
kind is that of supporting all of  
the other activities of the school.  
On this list may be included the  
two Christian Associations—and  
this paper. Others spring up  
from time to time also, which are  
worthy of your support. Of  
course this is just a word, but we  
are sure that any student who  
has these three kinds of school  
spirit is a good student and a  
credit to the school. See if you  
can answer "yes" to all these  
questions. Do I go to the games  
and "root" for the team? Do I  
act square with my fellow student  
and with other people? Do I  
boost other school organizations?  
We hope you can answer "Yes."

**NEW POSTMASTER**

Frank Johnston was appointed  
postmaster of Charleston Friday  
by President Wilson. The senate  
has confirmed the appointment.  
Frank is a brother of Donald  
Johnston, a student at the school.

The senior and junior girls prac-  
ticed basketball last week. The  
seniors had fourteen out for prac-  
tice while the juniors had about  
twenty-five.

### TOWNSHIP HIGH SCHOOL

Charleston and vicinity are to vote on the question of a township high school some time in the near future. Although it does not directly concern most of us, it is a good thing for people who are going to be teachers to be advised of a thing of this sort.

The township high school merely means that the support of the high school falls upon the city and country people alike, where formerly the city alone supported the high school. It does not even mean a new building, but merely changes the source of money.

There are several good reasons why Charleston should not have a township high school. The first and probably the most important reason is that the country people will be taxed for the support of the school when they should not be.

Now, when a farmer sends his boy or girl to high school, the tuition is \$3.15 a month. With a township high school the farmer pays taxes for the support of the school but does not pay the tuition fee. That is all right for the farmer, but the following objections come in. First, comparatively few farmers live close enough to Charleston to send their children to the high school, and whether they do or not, the taxes go on just the same. Secondly, many of those who live too far away cannot afford to support their children in town to go to school. Third, taxes on farm lands are very high, and therefore, the farmer would pay more than his share of the taxes anyway, for comparatively few people who live in town own much real estate.

The last reason is that a State Normal school is located in Charleston, which furnishes, free of charge, an education equal to a high school education. Everybody, farmer or townsman, pays state taxes and why not make use of what you pay for instead of throwing it aside and paying for something else in addition.

### FOURTH NUMBER DECIDED

During a meeting of the entertainment committee of the Eastern Illinois State Normal school it was decided that the fourth of the series of programs included in the entertainment course will be given by the Coburn Players on May 24.

For the past several weeks the committee has been in communication with the Ben Greet Players the Coburn Players and the Minneapolis Symphony Orchestra. A message has been received stating that the Coburn Players would fill the engagement, but the play that will be given has not been decided upon.

The third entertainment of the series will be given in the assembly room January 18 by the Zoellner String Quartet.
