NORMAL SCHOOL NEWS

PUBLISHED WEEKLY BY THE STUDENTS OF THE EASTERN ILLINOIS STATE NORMAL SCHOOL

VOL. 2

CHARLESTON, ILLINOIS, TUESDAY, OCT. 10, 1916

NO. 5

ILLINOIS COLLEGE 34 NORMAL SCHOOL 0

The Jacksonville Daily Journal has the following to say of the game Friday:

Illinois College played her first real foot ball game last Friday when she defeated the Eastern Illinois Normal 34 to 0. While the down state teachers did not score they played a hard fast game and never quit trying until the final whistle blew.

Normal displayed some good foot ball in spots. The back field was fast and several times made first down on end runs and line plays. Moran, the 220 pound center was a bear and certainly played up to his reputation. Edgington and Hawkins also played a good game. Hawkins especially being successful in skirting the ends for gains.

The above is true to a certain extent, but not a word is said of our line, every man of which played a good game, and quarter back Hampton played with his usual bull dog tenacity. In fact, we like to see a team that fights against odds. We believe that we will have a winner yet, and if anyone is anxious to see it proved come to the Wesleyan vs Normal game next Friday.

CELEBRATED VICTORY ?

The fact that a message from Jacksonville Friday evening was in some way twisted to 34 to 0 instead of 0 to 34, resulted in a celebration by the students. Long lines of boys joined in the serpentine writhings of the snake dance. Others celebrated by marching in lock step to the tune of we won by golly we won. Too bad boys. Get ready for Friday though, such loyalty must be rewarded.

STUDENTS CLASSIFIED

Lists were posted in the reception room this week showing the classification of each student. There are 89 seniors, 139 juniors, 68 sophomores, 113 freshmen, and 151 ninth year students, making a total of 560 pupils enrolled.

HOME COMING NOV. 11

The programmes for the Home Coming November 11th are almost finished.

There will be special exercises at chapel of which music will occupy a large part. An auto parade will start for the athletic field at one o'clock. The crowd will be entertained by stunts on the field until the Carbondale Normal vs. Eastern Normal foot ball game. After the game a reception and dance will be given at Pemberton Hall. Mr. Blair state superintendent of schools, Mr. Hagen, president of alumni association, and Miss Southworth will speak. Other speakers will also be present.

The full programme will be printed later.

The students and faculty extend a cordial invitation to all former students, alumni, faculty members and all friends of the school to be present.

COME ON BOYS

We all respect the person, who for any good reason does not wish to indulge in athletics. As students we believe in freedom so far as freedom promotes the welfare of our institution. Then we all believe that every part of the school should be patronized. Foot ball is a part of our school, just as much as is mathematics. We believe that we should have a good foot ball team. All agree to that. Yet what are we to think of the tendencies of certain persons to shrink from their responsibilities. Men who have a certain degree of ability came out for the team, showed up well, then because they did not receive attention, such as fond mothers, or admiring teachers had bestowed, turned in their suits. Of course this really was the thing for them to do, as they are now apt to receive the required praise at tiddley winks or ping pong, than at the more strenuous games, that any healthy right minded boy thinks worth while.

WE WANT NEWS

The lack of interesting material makes it hard for the editors of the News to collect material. Do not forget the news box at the south stairway of the main building. Put your contributions in the box and don't forget to sign your name. We would like to have articles on Pemberton Hall Advantages, any course in the curriculum that you are interested in, the green house, the power house, the campus, or any item of interest or news that you care to write on.

Y. W. C. A.

The Young Women's Christian Association held its regular weekly meeting in the parlors of Pemberton Hall Friday evening at 6:45. The meeting was led by Ruth Harris.

The subjects discussed were songs and their authors. Miss Inez Hopson told something of the life of Henry Francis Lyte, the author of "Jesus, My Cross Have Taken," and "Abide With Me." Then the hymn "Abide With Me," was sung by the congregation. Jeanette Vermaas spoke of John H. Newman and his work. Zula Phillippe, Mary Lyle, and Bonnie Fortney sang "Lead Kindly Light," which was written by Mr. Newman. Helen Bone gave an interesting sketch of Charles Wesley's life and work which was followed by the singing of Mr. Wesley's song, "Jesus Lover of My Soul." Mildred Gray talked a few minutes about Charlotte Elliot, the author of "Just As I Am," which was followed by the singing of the hymn by Ruth Harris and Hazel Young. Josephine Phillips then spoke of Ray Palmer, the author of "My Faith Looks Up to Thee," after which the congregation sang one verse of that hymn. Phoebe Cary's wonderful work and the wonderful results of her hymn, "One Sweetly Solemn Thought" were spoken of by Ruth Thomas. The meeting was beautifully and impressively closed with the song "One Sweetly Solemn Thought," given by Francis Behrens.

The meeting was well attended and everyone enjoyed it.

There will be no regular meeting next Friday because of the teacher's meeting, but the meeting the next week will probably be the Recognition Service for new members. Will each girl who is going to become a member of the association please join before this recognition service. We hope to have a large membership by that time.

A NOVEL PLAN

The boys of last year's graduating class have hit upon a novel plan for keeping in touch with each other. Ralph Zehner started a circular letter which is to go the rounds of all the boys of his class, each adding a letter of his own. When the letters are returned to Mr. Zehner he takes the old one out, puts a new one in and starts the round again. The class of '16 was a live one and we expect to hear of them making a mark in the Educational world.

WESLEYAN HERE FRIDAY

The Normal school foot ball team will meet the team from Wesleyan next Friday. The Wesleyan team was defeated Saturday by St. Viator 6 to 0. This game with Wesleyan should give some information upon which the outcome of our game with St. Viator may be judged.

MILLIKIN CONFIDENT

That Millikin will be a strong contender for the conference championship is shown by the confident attitude of the students and Coach Wann. Secret practice is the order of the day, and no one but the coaches and players are allowed on the field during practice. There are some fifty odd suits in use and there are usually forty men out for practice.

TEACHERS' MEETING

Former students will be pleased to note that several of our teachers and former teachers are on the program of eastern division of the Illinois Teachers' association to be held here Friday and Saturday. Mr. J. C. Brown, who was formerly a teacher of mathematics in our school, who is now president of the State Normal school of St. Cloud, Minn., will speak both Friday and Saturday. Miss McKinney of the department of English will give an address Friday on "Composition" in the upper grades.

EXCHANGE

The News now numbers among its' exchanges: The Decaturian, The Normal Vidette, The Urbana H. S. Echo, The N. H. S. Booster, Neodesha, Kan., Centralia, Ill., Sphinx and The College Rambler of Illinois College, Jacksonville.

Y. M. C. A.

The regular weekly meeting of the Y. M. C. A. will be held tonight in the music room. Mr. Hubbard will speak. The Rev. Mr. Flagg of the M. E. church will also be present. He is anxious to meet all of the boys. Come.

A class exercise in dramatization will be directed by Miss Florence Gardiner. Mr. Lord has recommended that all of the students hear the addresses given by Mr. William Lowe Bryan, president of the Indiana University.

Bernice Corzine of Oak Park visited school Saturday.

Worth Wilson visited relatives near Aetna Sunday.

OUR WELCOME TO VISITORS
 It is our duty, as loyal supporters of the blue and gray, to welcome visitors to our school. The reputation and growth of our school depends upon it to a large extent. Let us continue to be loyal and show our good manners by our hospitality to the visiting teachers next Saturday, to the members of other teams, and to all other visitors. Friday and Saturday of this week. Every student who remains for the teacher's meeting will be given a chance to show his willingness to make our visitors welcome. You may help them find places to get room and board for the two days; you may show them where to buy their tickets or you may show them about the campus and buildings. If you see a stranger who looks as if he needed some one to direct him, go to him and offer him your services. They will appreciate your help.

Our attitude toward the members of teams from other schools has always been good on the field or on the basket ball floor, yet there is plenty of room for improvement. First let us extend our welcome to them as they arrive in town. Last year upon a few occasions, the Young Mens' Christian Association appointed a committee to meet teams at the train, show them about the school, and make them feel as if they were really welcome. This was a good step and should be extended. Not only is it the duty of the Y. M. C. A., but of every one in school to make them welcome. Almost every day we

have visitors. You may make them welcome by directing them about the building, or if you can not direct them, find some one who can. This kind of work is that which makes people think well of the school and that is what we want.

An incident which happened a few days ago proves that our school is based entirely on democratic principles. The entire school has been directed to neither leave or enter the assembly hall between bells. "Preps," Freshmen, Sophomores and Juniors have been caught and returned to their seats upon making attempts to take "French leave." A few days ago three Seniors were held up while making a hasty departure. One had an appointment with a teacher, one had a plan due at the model school, and another, a member of the foot ball team, was making tracks toward the athletic field. Needless to say, in spite of some tall talking on the part of these people, the faculty member in charge kept each to his seat until the last bell rang.

Moral: Never try to get out of the assembly hall between bells even if you are a Senior.

SOCIETY NEWS

By Zula Phillippe

Dorothy Fox, Isabel Black, and Mary Kincaid chaperoned the 5th grade pupils on wiener roast at Wilson's woods last Tuesday evening.

Mr. Wilson and Miss Guest chaperoned the Seniors first "get-together" party this year, which was held in the gymnasium Monday evening. Everyone enjoyed a delightful time, which was spent in dancing. Light refreshments were served.

A party of ten couples enjoyed a steak roast at Wilson's sugar camp Thursday evening. Those composing the party were Grace Long, Leah Todd, Leona Bell, Isabelle Black, Esther Doty, Edna Donaldson, Bernice Barker, Margaret McCrory, Helen Root, Helen Shrieve, and Otto Schmaelzle, Arthur Forster, Lawrence Jenkins, Frank Harris, Van Tarble, Berne Norton, Clarence Weger, Elwood Carrel, Leland Colvin, and Lyman Ritter. The party was chaperoned by Miss Esther McCrory.

The regular Saturday evening dance was held in the gymnasium from 7:30 to 10:00 o'clock. Flannigan's orchestra from Mattoon furnished the music. About fifty couples were present. The party was chaperoned by Miss Williard, Miss Johnson, Miss Davis, Miss Niles, Miss Guest, and Mr. and Mrs. Lantz.

The Juniors gave a class skating party at Urban Park Monday evening from 7:00 to 9:30. A group of about seventy-five jolly Juniors were present. The party was chaperoned by their class advisers, Mr. Widger and Miss Guest.

The Mills and Merritt barber shop, has been moved from its' old location in the basement of the State bank building, to the room which was formerly occupied by the State bank. The shop is up to date, containing five chairs and other new fixtures. Lloyd Inskip who has been in La Porte, Texas for the past six months, has returned to Charleston and will work in the new shop.

Mabel Snyder, Hazel Young, Neva Higgins and Ruth Harris attended the annual fall fair and festival in Neoga Saturday evening.

An automobile party consisting of Elsie Gaiser, Mable McKenzie, Harry Wilson, and Frank Harris motored to Mattoon Sunday afternoon.
