## WE WIN TWO EXCITING GAMES

**High School Defeated 59 to 27, and McKendree Loses 22 to 27**

The basket ball enthusiasts of Charleston were entertained last Wednesday night with an exciting game between our team and that of the local high school. The teams have played together several times before and each were familiar with the floor. Our team was in good condition and proved superior in skill to the high school boys, several of the second team getting a chance to play. The high school team was weakened by Bailey being unable to play, but they showed persistence and would not give up.

The feature of the evening was the selections rendered by the High School Military band.

Normal 27, McKendree 22.

A close and fast game was witnessed Saturday evening on our local floor. The game began with our team getting the first goal. Next the McKendree team took the lead getting three goals in succession. From that time on the game was very close. First one team would have the lead then the other. The first half ended with the score 10 to 10.

The close score of the first half encouraged our boys, as McKendree defeated them on their own floor. They started the second half with determination and at no time did McKendree gain the lead. Although we were in the lead the interest did not lessen as McKendree kept close behind. The team had good support from the side lines. The cheering was very good considering that they had no practice for several weeks. A new yell was tried which proved effective.

The whistle blew with the score 27 to 22 in our favor.

### GAME WEDNESDAY

Students and Normal school supporters are assured a good game Wednesday evening of this week when Spark's Business College will be here to play our team. It goes without saying that Sparks will play to win. In a series of three games our team has won two and Sparks one.

### FACULTY GAME

A basket ball game was played the first part of last week between the women of the faculty and the junior team. Although they only played for the fun of playing, the game was a close one. Miss Tiner, the stenographer, was a new recruit of the faculty team.

### HILLSBORO TOURNAMENT

Coach Lantz served as an official at the Montgomery county basket ball tourney Friday and Saturday. The final game was played between Hillsboro and Raymond, Hillsboro winning 21-18. Both teams will be represented at the tournament here.

### TAUGHT HISTORY

Russell Martin was absent from school Wednesday, Thursday and Friday of last week, being called as a substitute teacher of history in the Charleston High School to take the place of the regular teacher, Miss Edith G. Durban, who was ill.

### WILL WEAR KHAKI

The Neodesha High school boys have started a custom of wearing khaki trousers. They want to start the idea of all the boys dressing alike. It seems that this is a rather sensible idea for boys who are yet in high school. Plainness and neatness in dress are features that are well worth noticing. This idea was started to prevent the formation of cliques.

Blanche Swengle spent Sunday at her home in Neoga.

### DIVISION IN TOURNAMENT

Decatur, Ill., Feb. 8.—A probable division will be made in the big basket ball tournament.

First Division—Millikin, Augustana, Bradley, Williams and Vashti, Wesleyan, Lombard, State Normal, Eureka, and Illinois college.

Second Division—Lincoln college, Charleston Normal, Maccomb Normal, Hedding, Blackburn, Shurtleff, Carthage, McKendree, and Southern Normal.

This is the way the teams of the "Little Nineteen" college conference will be divided for the two big division tournaments which are to be played off simultaneously in Millikin's gymnasium March 1, 2, 3 and 4, according to Fred Young, sports editor of the Bloomington Bulletin.

Young is probably the best authority there is on "Little Nineteen" conference dope, and local basket ball fans will view his line-up of the teams as a probable one. The new plan in operation this year, that of dividing the conference teams into two separate divisions in respect to their strength, is expected to add remarkably to the interest of the tournament, for the reason that all of the games will be between well-matched teams.

The two tournaments will be played off on the same floor, the games alternating, and winners of the first four places in each division will be presented trophy shields. It is agreed that there shall be no game between the winner of the first division and winner of the second division meet; each having the honor of a championship in its own class.

The division of the teams into the two classes for participation in the two divisions of the tournament will be made in a meeting Feb. 26, by a committee consisting of Coach Wann of Millikin, Coach Fred Muhl, of Wesleyan, Coach Roy Conrad of Augustana, Coach C. Lantz, of Charleston, and Coach William Harmon of Illinois.

### INVITATIONS ISSUED

About three hundred invitations are out for the High School Basket Ball Tournament. High schools all over this section of the state are invited and will be one of the largest ever held in this section. Arrangements are being made for the accommodation of the teams and all will be ready for the visitors when they arrive here Feb. 23.

Harford Tiffany, '16, and Herschel Cline, '16, visited chapel Saturday.

### FOLLIES OF 1917

The Athletic Association will give an entertainment at the Normal school building next Saturday evening, February 17, 1917, from the hours of 7:00 until 10:30 o'clock.

This entertainment should prove a novelty and for a small cost an enjoyable evening can be had.

The name of this entertainment will be The Follies of 1917 and the programme is as follows:

Senior Vaudeville show at 7:45 o'clock.

Junior play, 2 act farce, entitled "A Bunch of Roses" 9:00 o'clock.

Sophomore-Athletic Show, continuous throughout the evening, excepting during the plays.

Freshmen and Preps.

A Chamber of Curiosities including a tango dance.

Other features will be a Magician, fortune telling, and last but not least—eats, such as home made candy, pop corn balls, coffee and sandwiches, pop, etc.

This entertainment will prove amusing to all who come. Laugh, eat, and a general good time is guaranteed to all who come.

Don't forget the date, Saturday, Feb. 17. Come and help the Athletic Association.

The name, Follies of 1917, was suggested as one especially fitting this entertainment. Guess why, if you can? If you cannot, you will probably be told in the next issue of the Normal School News.

### ATTENTION

If you have not paid your subscription see John Hawkins, Frank Harris, or Lyman Ritter as soon as you can. Subscription price 50 cents per term in advance.

### BUSINESS COURSE

We learn that a Business College is soon to open in this city. A knowledge of short hand and typewriting helps many students to work their way through college. Some of our students may be able to take a short course during the summer.

### CLASSES ORGANIZED

The classes in library science are being organized and will soon be meeting regularly. This work trains in the use of the library and is based upon the methods used by the up to date libraries all over the country. From these classes the student can get a knowledge that will be of use, to all people who use libraries.

Mabel Anderson, '17, returned yesterday, after having been absent for the past two weeks because of illness.

Some one has said that humanity  
can be divided into two groups, one  
group that takes life too seriously  
and another that thinks life a com-  
edy to be enjoyed to the fullest ex-  
tent. There is, however, probably  
another group of people larger than  
either of those already named. They  
are the ones that can be serious.  
The ones who do not enter into an  
undertaking without looking ahead,  
and yet are so constituted that they  
can enjoy life.

The first named group are in evi-  
dence around our school. You will  
find them in the halls and class  
rooms, at student gatherings and  
occasionally at a basket ball or other  
athletic contest; but they are not  
able to throw off the responsibilities  
of life and enter into a spirit of these  
occasions. They cannot mingle  
with the jolly crowd, where the sole  
aim is recreation. These people as  
a rule, however, cause very little  
anxiety to parents or friends. They  
are not apt to break rules or laws  
unthinkingly. On the whole the  
quiet serious person, is not a bad  
sort even if his face is long when  
the situation is one of the side-split-  
ting humor.

To the second group belongs the  
happy go lucky fellow who we all  
know and like in spite of his good  
natured irresponsibility. This class  
of individuals are the ones who  
cause anxious parents worry. These  
people think not at all. Thought-  
less pranks are entered into without  
thought of consequences, like wise  
they are ready to help a friend, re-  
gardless of themselves. Everyone  
likes these people because of the  
utter lack of maliciousness and be-  
cause of their ever present good will.  
To this group belongs the people  
who "can't would."

To the last named class belongs

the people who can enter into the  
spirit of the occasion. If the situ-  
ation demands sober thought they  
are sober and serious, cold and cal-  
culating. The situation changing,  
they can enter into the life of a so-  
cial gathering and fit in. They are  
the ones who have the executive  
ability. They are found occupying  
positions of trust. These people  
are captains of the athletic teams,  
presidents of their classes, and last,  
but not least, are often the best of  
students.

Each individual can decide for  
himself to which of these group he  
belongs. Can the individual change  
is another question each can an-  
swer for himself, will he is quite an-  
other proposition.

### AN OLD TIMER

Alvin Waggoner, a student at  
this school the first year of its ex-  
istence, gave a talk in chapel  
Tuesday morning. Mr. Waggon-  
er did not follow the work of  
teaching, but instead went to the  
University of Michigan, graduat-  
ing in law from that famous  
school of Ann Arbor. There are  
only six of the teachers here now  
that were here when he left  
eighteen years ago. They are,  
Mr. Lord, Mr. Koch, Mr. Taylor,  
Miss Ford, Mr. Crowe and Miss  
Weller.

Mr. Waggoner says that the  
greatest thing that this school  
did for him was to show him  
what was true. His talk was a  
good one and filled us with new  
patriotism. Welcome to the old  
timers. We like to have them  
come back and talk to us.

Melissa Briscoe spent Sunday in  
Westfield.

Martin Scharer is again able to  
be in school, after being out sever-  
al days on account of illness.

## GIRLS WERE SCARED

The girls at Pemberton Hall were given a thrill Sunday when a man entered the parlor unannounced, and making himself at home, sat down upon the piano stool and in a disconnected way attempted to entertain those present. A few young men were present and examining him rather closely decided that he was either insane or drunk, escorted him to the door. He left Pemberton Hall and started north when a member of the police force met him and took him in custody.

Many of the girls were badly scared, and some, not realizing his condition, thought it funny. It was rumored he is a dope fiend and according to reports this morning, is a dangerous character at times.

## Y. M. C. A.

Tuesday night a special meeting was called to elect officers for the coming year. The following officers were elected: Homer Moats, president; Berne Norton, Vice-President and Lyman Ritter Secretary and Treasurer. Mr. Cary was present and gave a short talk. It was decided at this meeting to change the date of the meetings from Tuesday until Friday night.
