The Ninth Annual Field Meet held on the E. I. field Saturday was a great success. The track was in better condition than it had been for several years, and as the weather could not have been more invigorating, seven records of this field were broken.

Champaign, winners of last year's meet, won it again this year with a total of 26 1-3 points; Kankakee, won second place with 16 points; and Paris third with 14 points.

Twenty-six high schools were represented, and one hundred forty-nine contestants were entered. Several schools were represented this year that had never been here before.

On account of so many boys going to the farm or enlisting this year there were not so many meets held in the different parts of the state, and as a result the schools represented a larger expanse of territory.

The crowd was not as large as usual but one could not have wished for a more orderly one.

Automobiles seemed to have been the principle means of conveyance for the people within a radius of many miles of Charleston.

A stand operated by the Christian Associations of the school furnished the refreshments for the afternoon.

Following are the results:

Hammer Throw

Stephens, Paris, first; Nash,

Casey, second; Bailey, Charleston, third. Distance 157 feet. This shatters the record made by Byrd, the Milford hurler in 1910 who made the distance 153 feet, 5 inches and which has stood for seven years.

First 440 Yard Dash

Bruder, Champaign, first; Sims Paris, second; Kenneth, Mt. Olive, third. Time 53 3-5 seconds. Bruder's mark sets aside the track record made by Hays of Arcola in 1913 when he hung up a record of 54 3-5 seconds.

Second 440 Yard Dash

Johnson, Harrisburg, first; McCamon, Urbana, second; Gustafson, Georgetown, third. Time, 55 3-5 seconds.

Half Mile Run

Hauson, Mt. Olive, first; Sauer, Kankakee, second; Murray, Westville, third. Time 2:10 2-5.

Javelin Throw

Major, Champaign, first; Tabor Sullivan, second; Barrett, Hume, third. Distance 145 feet, 9 in.

Discus Throw

Boyd, Shelbyville, first; Stephens, Paris, second; Longlois, Kankakee, third. Distance 112 feet 11 inches.

50 Yard Dash

Longlois, Kankakee, first; Gibbons, Harrisburg, second; Kneeder, Collinsville, third. Time 5 3-5 seconds.

220 Yard Hurdle

Richards, Georgetown, first; Duval, Kankakee, second; Major, Champaign, third. Time 28 2-5 seconds.

Pole Vault

Sparks, Danville, first; Howard Champaign, second; Maurer, Collinsville, third. Height 10 feet, 4 inches. Maurer of Collinsville, Anderson of Charleston, and Bromwell of Champaign, were tied for third place.

Running Broad Jump

Toys, Tolono, first; Watchward, Champaign, second; Peter, Casey, third. Distance 21 feet, 8 1-2 in. This beats the record made by Branch of Champaign in 1913.

Mile Run

Selock, Sullivan, first; Gustafson, Georgetown, second; Hauson Mt. Olive, third. Time 4:54 2-5. This lowers the track record of 4:55 1-5 made by Glasgow of Decatur in 1916.

Shot Put

Bernard Barrett, Hume, first; Stephens, Paris, second; Boyd, Shelbyville, third. Distance 44 feet, 8 inches.

100 Yard Dash

Southard, Edwardsville, first; Toys, Tolono, second; Gibbons, Harrisburg, third. Time, 10 seconds flat. This shatters another record held by Rue of Mattoon, 1910, 10 1-5 seconds.

220 Yard Dash

Southard, Edwardsville, first; McCammon, Urbana, second; Gibbons, Harrisburg, third. Time 22 4-5 seconds. This beats the track record by 1-5 second made by Rue of Mattoon in 1910.

Running High Jump

Johnson, Champaign, first; Leuth, Kankakee, second; Bartlett, Edwardsville, third. Height 5 feet, 4 inches.

Relay Race

The relay race was won by Champaign.

TENNIS TOURNAMENT

This year for the second time the high school tennis tournament was held in connection with the annual field meet. The preliminaries were held Friday afternoon, although somewhat delayed by a light shower.

The singles were won from the Charleston High School by

Bryant and Rosebraugh, of C. H. S., winners of doubles in 1916. Winners of second place in Saturday's tournament.

Urbana—Fitzhugh represented the Urbana High School and Bail; represented he Charleston High School.

The doubles were won by Lyman and Moyer of Paris. Bryant with Rosebraugh of Charleston High School winning second. Bryant and Rosebraugh will be remembered as the winners of the doubles last year.

ORATORICAL CONTEST

Thirty-five boys and girls were entered in the oratorical contest which was attended with a great deal of interest.

Five boys and five girls were chosen for the finals which were won by Robert Hayes of Urbana in the boys' division, and Leone Bussart of Paris in the girls' division.

Following are the names and subjects of the first three contestants in each division:

1. The Moral Aspect of the American War, by Henry Ward Beecher. Robert Hayes, Urbana.

Ada Runyon gave a very interesting talk on "Social Settlement Works," which was greatly enjoyed by all present. The leader then made a very interesting talk on English Settlement Work. Patriotism! The prevalent feel-
ing of the day. How can we, as E.
I. S. N. Students, show that we are
patriotic?

A number of our students have
enlisted in active service in the ar-
my or navy. A greater number of
the boys have taken advantage of
President Wilson's food bill and
have gone home to work on the
farm, but will receive full credit
for their work.

These people have undoubtedly
done a necessary service, but the
opportunity for the rest of us is just
as great. In the first place, if it is
at all possible, join the Red Cross
society. It needs your dollar and
needs it badly. But do not stop
with joini g. Help with the work
every possible way. When the Red
Cross calls for help in sewing, give
up some of your pleasures and "do
your bit."

But those of you who do not join
the Red Cross society may help.
Save the money that you spend for
candy and peanuts; miss that insigni-
ficant "movie." Another way to
be of direct service has probably
been given little thought by the
majority of the girls. Can you af-
ford to spend as much money on
clothes this year as before? Every-
one of us will undoubtedly feel a
scarcity of money which we have
not felt before. Many of us will
come to the sad realization that we
have no estimate of the real value
of money.

Economize! Girls and boys as
well. It is a necessity. Every
farm girl of this school should go
home for summer vacation with the
full intention of learning more
about the actual farm and house-
hold work than she has ever know
before. Find out how to hitch up a
four-horse team. Learn the work-

ings of a gang plow, binder, etc.
Your place, farmer girls, is not tak-
ing for Red Cross nurses; it is in
learning how to help supply the
world with food.—Ex.
