DEPAUW UNIVERSITY QUINTET
DOUBLES SCORE ON LANTZEN

When the opportunity came very unexpectedly to add a few to the high-priced DePauw University quintet, the college decided to go for broke. The result was a victory over Lantzen for the school's team in the Illinois League. The match was played in front of a crowd that was more than content with the performance of both teams. The DePauw team was able to boast of its success in the doubles event, where two of its players secured the preliminary rounds, and the final rounds, where they won the overall match. The victory was an important milestone in the team's journey toację

WIN AT SHURLEFF. LOSE TO ILL. COL.

The varsity band returns to the South Side this afternoon. The team, led by their dynamic leader, has been making strides in their final preparations for the upcoming season. The band members have been working hard, practicing their routines and perfecting their techniques. The excitement is palpable as they prepare to take the stage and showcase their talent. The audience can expect an evening of music filled with energy and passion.

LANTZEN (11) F P F T

The report came to the news department of the DePauw that before the team left the city that Lantzen would not be available. The E. I. machine, would not accompany the team. After the news had gone to press the planning in-formation was brought to the news department that Lantzen was in the hospital. Hence the error of thinking in the news department that Lantzen was not in the hospital.

ILL. COL. 33, LANTZEN 22

Among those present in the Illinois League were Coach DePauw and the DePauw team, which was the only one of the Lantzen team to take the 20 points that they secured. The team was a little slow in the first half of the game, but they came back strong in the second half, and the game was matched.

SALVY

One of the most encouraging signs seen during the last year is the concern on the part of so many people for really good health. This is not just a matter of prevention of disease, but even more so of its cure. It is a matter of understanding the body's needs and meeting them in such a way as to promote good health. This is not just a matter of taking medication, but of eating properly and exercising regularly. It is a matter of understanding the body's needs and meeting them in such a way as to promote good health.

Togs for the Campus
"Where are you going, my pretty maid?" I’m going shopping for my Campus Togs, sir," she said. I’m going to Parker’s. They specialize in collegiate apparel at very modest prices, you know." So she tipped to our Girls’ Shop, and this is what she bought—a navy Mokair topcoat, a Prunella cloth shirt and two bright allpover sweaters, and a smart Jersey dress to wear on the campus. She didn’t forget a clever cloth frock or chic silk frock for society lounges. A fur-trimmed suit to wear in town and a hooded dressing frock for fraternity formal complete her outfit.
