## Many Of The Faculty Vacancies Are Filled For This Next Year

Several of the faculty members have been employed to fill vacancies and as additions to the Eastern Illinois State Teachers College faculty.

Mr. C. William Reiley, who has his A. B. Degree from Georgetown University, Georgetown, Kentucky and his A. M. Degree from Northwestern University, has been employed to teach history and social science. Mr. Reiley has had experience teaching in Somerset High School, Somerset, Kentucky and in the New Trier Township High School at Winnetka Illinois.

Mr. Harold M. Cavins has been elected to teach high school agriculture and general science. Mr. Cavins has a B. S. Degree from the University of Illinois and expects to receive the A. M. Degree in August from Pennsylvania State College.

Miss Emily R. Orcutt succeeds Mr. Widger, who will be away on leave of absence, as Principal of the Teachers College High School. Miss Orcutt has the A. M. Degree from the University of Chicago and was formerly Principal of the Charleston High School.

Mr. Harlan L. Hassberg from the Columbia Conservatory of Music, Chicago has been employed to teach instrumental music.

Miss Bertha M. Albert will continue in the text-book library and will teach English. Miss Albert is a member of this year's senior class and was once granted the Florence Vane Steffington English Scholarship.

Miss Alice McKinney will teach art.

Miss Eoise S. Thetford will teach English.

Miss Elizabeth Howell will teach history in the Elementary Training School. Miss Howell is from Bryan, Texas and has her B. S. Degree from Columbia University.

Miss Elizabeth Springstun, will be next year's fifth grade Training Teacher.

Miss Eva Nuntle will teach home economics.

## Mr. Giles' Class Sees "Rain"

Friday evening, July 13, Mr. Giles' Dramatics 39 class visited the Hippodrome Theatre at Terre Haute, to see the dramatic production, "Rain", produced by the Roberson-Smith Players of Terre Haute. Twenty-one members of the class went, besides several other students and Charleston residents.

After the play, Mr. Giles took the class behind the curtains, where they examined the scenery and stage equipment. This was especially interesting, as few members of the class had ever seen how things look back-stage. A great deal was learned about the lighting of a stage and how the matter of lights may make or ruin a theatrical production.

During the play, each student studied each individual character and his acting. Since this is a good troupe, much benefit was derived from this study.

But in addition to the scholastic and technic value of the play, a good time was enjoyed by everyone, since a good play, by a good troupe is always enjoyable.

Saturday, September 8 and Monday, September 10 are registration days for the fall term, 1928-29.

Freshmen will have special programmes for the first two days of the term. The programmes include talks on opportunities for study, teaching positions, and extra curricular activities.

A campus tea in honor of the freshmen will be given by the faculty under the direction of the senior college.

## CARROLL DUNN WINS TENNIS TOURNAMENT

The E. I. Men's Singles Tennis Tournament was won by Carrol Dunn, who has copped the medal for the last two years.

The tournament was run off in fine shape, the finals being played last Wednesday afternoon when Dunn defeated McCall in straight sets in a three out of five match. Dunn had defeated D. Smith, Sullivan and W. Dunn to reach the finals.

McCall had defeated J. Smith, Miller, and Shoemaker to find defeat at the consistent stroking of Dunnie. It was almost a duplication of last year's finals in which Dunn succeeded in winning from McCall.

## Mr. Lord Honored by Journal of Education

The following article is taken from the July 2 issue of the Journal of Education:

"L. C. Lord, president of the Charleston, Illinois, State Teachers College since 1899, received the first honorary degree (A. M., 1912) Harvard University bestowed upon a member of a State Normal School faculty. He has the distinction of having more members of his faculty elected to professorships and presidencies of colleges and universities than has any other State Teachers College president. He is today unsurpassed in attractive and every way effective championship of high professional ideals.

"He is a native of Connecticut and a graduate of the New Britain State Teachers College. He was a city superintendent in Minnesota, was the first president of the Moorhead State Normal School and was also the first president of the State Normal School, Charleston, Illinois."

Mr. Lord received the honorary degree of L. L. D. from the University of Illinois in 1904. He is widely known throughout the Eastern and North Central states as a lecturer, and he is a member of three national

Miss Ruth Spittler underwent an operation at the Oakwood Hospital Wednesday for the removal of her tonsils. She stood the anesthetic and operation well and is able to attend classes again.

## A Ford Truck Is Quite Superior To A Hay-rack

Trucks are far superior to hay-racks as conveyances for pleasure-seekers. If you don't believe it, ask those who rode to Edgewater last Monday in the Ford truck. It gave fully as much jostling, went almost as slowly, and had the added attraction of a backfiring, balky engine. But all of us got there safely and in time for the fun, anyway.

The most troublesome thing about the picnic was the necessity of deciding whether to skate, swim, or do both, and which to do first. Neither the pool nor the rink was neglected, however. In the pool, some of our worthy football men were getting in trim for next fall. The huge rubber ball wasn't very good for punting, so passing and tackling were featured in this aquatic game. Bathing suits suffered accordingly.

There should have been a rule prohibiting the skaters' coming over to the dancing pavilion. They brought pounds of sand, but this was not the only ground for complaint. Falling down on a rink is to be expected and taken as a matter of course. However, it just isn't done on dance floors. It is thoroughly shocking that two people should acquire the habit of falling on the skating rink, and then continue to fall when they start dancing.

We wonder how Dale Wood, Marsdon Grubb, and Sam Mitchell achieved such remarkable proficiency in "slinging sodas." Nobody cared because there were no straws. It was lots more fun to tip the bottle.

Great credit is due Miss Scott. She has achieved what has always been considered impossible. She planned and engineered a picnic at which every one had a thoroughly good time, and from which all returned with heads, arms, and legs still attached and "hitting on all four".

## FOUR STUDENTS TO TOUR WEST

Next Monday, July 23, Jesse Heischmidt of Altamont, Earl Lee of Casey, Marsdon Grubb of Chicago, and Maurice Sullivan of Cowden depart on a six weeks tour of the West.

The party leaves Charleston for Chicago from where the Chicago Motor Club has outlined a route to Yellowstone and other points of interest. The route takes the party west out of Chicago through De Kalb, Sterling, Clinton, Iowa and on westward to Cheyenne and thence northwest through Casper to Yellowstone. The four will stay in Yellowstone Park for about a week and then go southward into Estes and Rocky Mountain Parks. The party returns by way of Kansas City and St. Louis.

Mr. Grubb is Mr. Spooner's zoology assistant and plans to do some collecting while on the trip.

They will return in time for Mr. Grubb to return to E. I. and for the other three to assume their teaching duties, Mr. Lee being principal of the Jefferson School at Charleston; Mr. Heischmidt being assistant principal of the Edgewood High School, and Mr. Sullivan being principal and coach of the Kincaid High School.

Are you coming back to E. I. next fall?

#### 1928 Football Schedule

Oct. 6—Millikin at Charleston  
Oct. 13—Shurtleff at Charleston  
Oct. 20—Ind. N. at Charleston.  
Oct. 27—Rose Poly at Terre Haute  
Nov. 3—St. Viators at Kankakee  
Nov. 10—(Homecoming) — Normal U. at Charleston.  
Nov. 17—Carbondale at Carbondale  
Nov. 24—Lincoln at Charleston.

## FIVE GAMES OF FOOTBALL HERE

As the schedule shows, five of the eight football games are to be played on Schahrer Field, with Millikin the first and likewise the hardest. This is Millikin's first appearance here in several years, so naturally we have strong hopes of sending them home defeated. The Homecoming game with Normal is no less important. We have won from Normal on their Homecoming on several occasions, and of course they are going to do their best to take revenge.

The prospects are good for one of the best teams in the history of the school, judging from the number of veterans who will return.

## Plays Written by Dramatics Class

The class in Dramatics 39 plans to present a bill of plays for the public Thursday night at 7:30 in the College Auditorium. The plays were written, coached, and cast by members of the class, and are selected as the cream of a number of good compositions. Either three or four one-act plays will be presented, to be chosen from the following list:

1. "Lucky" a comedy by Grace Stanley. The cast: S'ieve, a tramp—Paul Pennington Slats, his pal—Howard Ames Jim—Justus Gibson. Louie, his daughter—Ruby Evans
2. "Twenty Props" a tragedy by Mrs. Louise Odor. The cast: Liz—Reva Holsapple Pappy—Paul Scott Felie, their daughter—Marguerite Newlin.
3. "The Red, Red Rose" a pantomime by Catherine Brown. The cast: He—Lonnie Holloway She—Catherine Brown
4. "Habitat" by Irene Hunt. The cast: He—Howard Ames She—Irene Hunt.

This bill offers a wide variety, and should prove a pleasant surprise to all. A small admission charge will defray the cost of production. (by Claude Kellam)

## ROOMS FOR SECOND TERM

The Housing Bureau has had notice of two desirable apartments for rent next term. Students interested in them may call Mrs. Stover at 1814.

The biggest, and many would say the best party of the first six weeks' summer term concluded the Saturday night dances last Saturday night.

For the last two weeks committees have been working and planning with Miss Scott for the big social event of the summer. There were balloon committees, food committees, chair committees, and other groups that were needed to make the party the huge success it most certainly was.

The social committee consisting of Sarah Gant, Lois Henderson, Mary McKnight, Margaret Pierson, Doris Smith, Charles Ball, Granville Hampton, Maurice Sullivan, O. P. King, Ben Morgan, and Miss Florence Scott, Recreation Director greeted the guests and tried to see that the dance progressed nicely.

Attached to wires running across the main walk to Pemberton Hall were many variously colored balloons filled with hydrogen and attached so as to form arches over the walk. On either side of the walk was wicker furniture for the faculty patrons and patronesses. Electric lights covered by Japanese lanterns and fastened above the space on both sides of the main walk lent color and Oriental beauty to the scene.

Twenty-five pounds of powdered soap were used on the concrete walks to make them slick so the dancers could safely trip the music furnished by Trimble's Orchestra.

Refreshments of ice cream and wafers were served during the dances from card tables on the north campus. With each programme was given a number and the guests were served in groups of 120.

The Master of Ceremonies, Maurice Sullivan did all the announcing of refreshment calls and favor dances.

The first favor dance was number 3 on the programme. Blowouts were distributed by members of the social committee from the front steps of Pemberton Hall as the couples filed

## Musical Programme For Wednesday

A musical programme will be given Wednesday morning at chapel time. It will be given by the members of Mr. Koch's classes in music. It is as follows:

- "A Golden Day October"—Duet—Campan—Ruth Fawley and Edna Schumacher  
"Hold Thou My Hand"—Solo—Briggs—Glady's Fitzpatrick  
"Love's Dream"—Piano Solo—Liszt Jennie Raffaele  
"Dawn"—Solo—Curan—Glen Bennett  
"Fantasia"—Riscner—College Trio with zither—Mr. Stover, Edward Thomas and Mr. Koch.

## COSTUME PRIZE WINNERS

Mr. and Mrs. Oeder won a large basket of gladioli as a prize for being the best costumed couple at the Carnival Costume Dance Saturday night.

Miss Pauline Burton won the prize of a corsage for being the best costumed individual at the dance.

### MATTIX' TEAM DEFEATS DUNNIE'S FOR LEAGUE TITLE

The championship of League 2 in indoor baseball was decided last Thursday afternoon when Bob Mattix' team twice defeated Dunnie's aspiring claimants.

A previous game between the two teams had resulted in an 8-7 score in Mattix' favor. The last score was questioned and it was decided to play another game to decide the previous affair. Mattix' team had been defeated once and Dunnie's team had won all its games. When Mattix' team defeated Dunnie's team in the first game Thursday, the two teams were tied for first place league honors and a second game was necessary to decide the champion.

The first game was an easy victory for the Mattix' team, which took a lead in the second inning by Sullivan hitting safely and Barnett bringing him in with a home run.

In the fourth inning Dunn made the initial score for Team 4 to bring the count to 3-1. A sixth inning rally by Team 2 garnered 2 scores while Mattix' team secured 4 runs.

The first of the seventh produced three straight outs for Dunnie's team and Team 4 did not need its last bats. Those making scores for Team 2 were Dunn, Martin, and L. Hill. Scorers for Team 4 were Mattix, Wilson, Redmon, Sullivan, and Barnett. The last two crossed the plate twice each.

Herman Cooper umpired balls and strikes; Allison umpired first and second, and Dunlap umpired third and home.

Both teams had lost a game each and it was decided to play the tie then and there while all the players

were together. This game was to mean league champions and it was fought for blood and hair.

This time Mattix' team started the batting with three outs while Dunnie's team, deciding to get an early lead, ran three across home plate before their opponents realized that a baseball game was in progress.

In the second inning Restle started the fireworks and was followed by Sullivan and Barnett to tie the score at three all.

The third inning gave Team 2 a 5-3 lead. In the first of the fourth inning Sullivan again scored to bring the count to 5-4. The end of the fourth found Dunnie's team again leading 7-4. Team 2 stalled at 7—it was craps for them—, but Team 4 added a run by Restle in the fourth. With the bases full and excitement at a high pitch, Miss Nutall knocked a two-base hit through the infield clearing the bases. A run in the last inn-

ing by Barnett gave Mattix' team a 9-7 victory.

Samuel Mitchell umpired balls and strikes with Allison and Dunlap as base-umpires. Fulk was scorer for both games.

### Indoor Baseball Finals Played Monday

As the paper is being printed the final to decide the winners of the indoor baseball championship between Dunlap's and Mattix' team is in progress.

Dunlap's team was victor of League 1 with three victories and no defeats. Mattix' team was winner of League 2 with three victories and one defeat.

Previous to the final games, the girls of League 1 played the girls of League 2 and the boys of League 1 played the boys of League 2.

After the games, the boys were hosts to the winners at a campus picnic, where a trophy was presented to the winning league and to the winning team.

The picnic will be served by members of the losing league to the members of the winning league. All those interested in indoor baseball were invited to partake of the picnic.

Definition of a raise: "The increase of pay you get just before going into debt a little farther."
