CARBONDALE 2, E. I. 0

E. I. won the toss and Ashbrook received the kickoff. He ran it back to the 20 yd. line. A pass from Gobert to Crowe netted about 30 yds. This was the longest gain of the whole game. Crowe straight-armed and side-stepped three or four tacklers, seeming to be on the way for a touchdown, but was unable to make any headway through the mud and was soqn. overtaken. The rest of the quarter was a series of fumbles and recoveries. The second quarter started with more pep, and Carbondale slightly stronger. With the ball on the 20 yd. line, E. I. was forced to punt. The pass from center was over Gobert's head. He recovered back of Carbondale's goal line, but was tackled before he could cross the line. This gave Carbondale a safety, and the two points. The last half was played without any decisive breaks for either team. E. I. tried two dropkicks, but owing to the bad condition of the field and the ball, neither were successful. Taking the game as a whole, Carbondale was outplayed, even though they outweighed E. I. several pounds to the man. The field was much worse than that of the first Rose Poly game.

The team was given dinner at the hall, and afterwards attended a dance.

E. I.'s lineup:

Crowe l. e., Creamer l. t., Muchmore l. g., Lee c., Johnson r. g., Swope r. t., Dunn r. e., Gobert q., Prather r. h., Ashbrook l. b., Turney, Greathouse, Osborne l. h.

E. I. HIGH 31, SHELBYVILLE HIGH 7

Playing bang up football, E. I. High defeated Shelbyville High by the decisive score of 31-7.

E. I. received the kickoff. Wilson made 22 yds. on the first play. Donaldson made 7 more. Wilson then carried the ball over for a touchdown and kicked goal. Score 7-0.

E. I. made their next touchdown on linebacks, Donaldson going 12 yds. for a touchdown. Wilson kicked goal. Score 14-0. Quarter.

E. I. kicked off. Shelbyville fumbled twice and lost the ball on downs. After several first-downs, Donaldson went 30 yds. for a touchdown. Wilson kicked goal. Score 21-0.

The rest of the quarter the ball seasawed up and down the field, the E. I. linemen, particularly Kerr, throwing the Shelbyville backs for losses. Score 21-0. Half.

Shelbyville opened up with passes, one of which Lynch intercepted and ran 40 yds. for a touchdown. Wilson kicked goal. Score 28-0.

On the kickoff, Shelbyville R. T. returned the ball 30 yds. Shelbyville took advantage of a fumble and during the last of the quarter and the first of the next, made a hard earned touchdown. Hanaman going over. He kicked goal. Score 28-7. Quarter.

On the kickoff, Shoots returned the ball 30 yds. Lynch made 25 yds. on a pass, and a short time

Mattoon High 13, E. I. High 0

Running in their first team backfield the last quarter, Mattoon was able to defeat E. I. High 13-0. Donaldson, left half, was the star for E. I. A new man, he showed remarkable line-plunging ability, getting thru for 5, 10 and 15 yd. gains. Lynch, E. I. left end, made 20 yds. on a pass. He made 45 yds. on another, but E. I. was called back for offside. Lynch made an excellent attempt at a drop from the 50 yd. line, the ball going under the bar about 2 feet. Iknayan played his best game of the year at tackle, stopping Mattoon's linebacks.

E. I. had two fine chances to score but were offside once and fumbled the other time. Both teams fumbled several times. As far as the game between our high and Mattoon High's second team went, three quarters, E. I. outplayed their opponents.

Mr. Hall referee; Cooper, umpire; Spooner and Black, time-keepers. Quarters 10, 10, 10, 10. Touchdowns, Mattoon 2. Goal after touchdown, Mattoon 1.

Miss Nellie Haskell, a member of the Sophomore class of college, was married to Mr. Fred House Nov. 7, in Hoopston. Mrs. House is planning to finish this term of school before taking up her new duties.

Football Pictures

Pictures of the football squad and individual pictures of the varsity were taken last Tuesday afternoon. These pictures will be on sale this week. The proceeds will go to the student council.

LINGOLN COLLEGE THANKSGIVING DAY

This is the closing game of the season. The majority of the student body should and will stay to see this game. The school expects a record attendance from the people of the town. That it will be a good game goes without saying. We defeated Lincoln last year 18-6. Fawley's famous dropkicks counting 12 of the 18 points. Lincoln is an old rival and will put up a good game. E. I. is going to close the season with a victory. Come out and support the fellows. Capt. Prather, Dunn; Swope, Rawland, Gobert and Turney will play their last game for E. I. Yea, E. I. Let's go.

Lecture by Mr. Thomas

Mr. Thomas gave a remarkable lecture at the M. E. church last Sunday night on the subject, "The Relation of Japan to the United States." Among other things, he pointed out the uselessness of the Washington conference if it did not do something about the problem of China. The audience should compliment themselves on being able to hear Mr. Thomas.

Beat Lincoln Thursday.

Mr. Lunt Spoke

Mr. Lunt, a former teacher of reading in this school, spoke in chapel Tuesday morning. He advised all the students to have an interest in something besides their regular work. Then Mr. Lunt gave very clever imitations of a reading by an embarrassed boy, a lisping girl, an aesthetic girl and a stage-struck comedian.

Published weekly by the students of
the Eastern Illinois State Teachers' Col-
lege on each Tuesday during the school
year at 611 Jackson St., Charleston, Ill.

Entered as second-class matter Nov. 8, 1915
at the Post Office at Charleston, Ill., under the
Act of March 3, 1879.

The discussion over the separa-
tion of the High School from the
Normal started in Mr. Daniels' Eng-
lish 10 class. In this issue are
several papers on the subject by dif-
ferent students of that class.

THE SATURDAY EVENING PARTY

The Bonnet Party, staged in
the gym Saturday evening by the
10th year class, was a decided
success. It was attended by
about 125 students, faculty mem-
bers and visitors. The first part
of the evening was spent in play-
ing games. After much laugh-
ter and a social good-time, came
the grand march, with each one
under his particular bonnet. With
Mr. and Mrs. Modesitt and Miss
Johnston judges, Miss Ordell re-
ceived the first prize as having
the most artistic bonnet, while
Miss Bertha Albert received hon-
orable mention. Miss Lois Wat-
ers received first prize for the
most comical bonnet, with Carlos
Goff as honorable mention. After
the march, a field meet was held
between four colleges, each hav-
ing its cheer leader and athletes.
After the field meet, came the
big feature of the evening, a
comedy entitled "Rosalie," acted
by some of the screen-stars of
the 10th year. After the play,
the remainder of the evening was
passed in dancing. Music was
furnished by Miss Lillian Myers,
Waldon Dunn, and Robert Thrall.
The chaperones were Mr. and
Mrs. Modesitt and Mr. Daniels.
The gym was beautifully decora-
ted in the national colors. Re-
freshments of ice cream and stick
candy were served.

E. I. High 31, Shelbyville 7
later made a beautiful 32 yd.
dropkick from a difficult angle.
Score 31-7.

The rest of the quarter, the ball
was in the middle of the field.

Two bad punts at the start of
the game by Shelbyville, put
things on ice. Lynch caught one,
an 8yd. punt, and the other went
out of bounds after going 7 yds.

It is hard to pick out the stars
for E. I. The backfield and ends
have spoken for themselves. The
line played the best they have
this year. Kerr, Whittemore
and Iknayan broke through Shel-
by's line, throwing their backs for
losses. It was Kerr's first game
at center, and he certainly play-
ed a whale of a game. Whitte-
more played his best game of the
season. Harvey and Stone open-
ed up great holes for our backs
to go through. We will let you
pick the star.

Eiler, Hanaman and Bonnett
starred for Shelbyville. McKin-
ley has done well, with only six-
teen men in his squad. All
praise to Wampus.

Quarters 10, 12, 10, 12.

Separation of High School and
Normal School as to Social Events

Ever since the partial separation
of the High School and Normal de-
partments, a great many things have
been said as to its advantages and
disadvantages. As yet, some are in
doubt as to whether it is advanta-
geous.

It is clear that to a great extent
a distinct division of the two de-
partments should be made, socially.
The Juniors and Seniors of both
High School and Normal School
should each have their own separate
class activities. This includes class
meetings, decorating, banquets, par-
ties and all other events that in-
volve class spirit. This division
may easily be made without inter-
fering with the two departments
acting as one body on such things
as the entertainment course, chapel,
Homecoming and all other occa-
sions when it is to the advantage of
both to act as a whole. If the en-
tire separation of the High School
from the Normal department meant
separation as to the above men-
tioned events, it would be foolish
to even think of such. But this is
the wrong interpretation of the
idea. The two departments may
each have its own individual activi-
ties. Then, it is easy enough for
both to have some social events to-
gether as students of our school, The
Eastern Illinois State Teachers Col-
lege

No one, after looking at the mat-
ter in this light, can say that there
are not more advantages in separa-
ting the two departments than dis-
advantages. Let's have it separated
into two divisions, the two consti-
tuting our school as a whole.

SEPARATION FROM THE STANDPOINT OF ATHLETICS

Each student attending school
here at Teachers College is required
to pay athletic dues of a dollar a
term. The ticket received admits
the student to all the games played
on Schaher Field

There are about two hundred and
forty students in the High School
classes. The athletic dues paid by
these four classes is therefore two
hundred and forty dollars.

Why, then, should not these go
to support teams representing the
High School classes? That sum of
money would support a first class
team. The boys who play would
be clad in appropriate suits, not in
varnity cast-offs, as our present
High School football squad evi-
dently is.

If our High School had two hun-
dred and forty dollars to spend each
term for athletics, there would be a
great many more boys come to our
school. These boys would be good
additions in our classes, as well as
on our various teams.

In our High School we have some
material that, with proper training,
proper equipment, more than two

CO-OPERATION OF HIGH SCHOOL CLASSES

If our High School classes were
organized as a unit, it would bring
about close relations between High
School classes. In other High
School classes, there is rivalry at
certain times, and co-operation at
other times, between Junior and
Senior classes. This of course in-
creases class spirit. As it is, our
feeling toward the eleventh year
class is no stronger than that toward
the college Freshmen, although
the latter are not a part of our or-
ganization.

The ninth grade is one of the lar-
gest classes in our High School, yet
we hardly know they are a part of
it. They are off to themselves
where we have no chance of becom-
ing acquainted with them. Since
they are not allowed in the assem-
bly room, the only place we see
them is in the hall. We do not go
to room six, and therefore we do
not become acquainted. The ninth
grade is rather an isolated group
belonging neither to the model
school, or the Senior High School,
yet they are just as much a part of
our High School as any of the other
classes. Why not make them feel
that they are a part of our organi-
zation? Corrine Foltz

The Eleventh Year

Class Meeting

Mr. Moore, one of our class ad-
sers, visited our meeting, and
therefore the meeting was car-
ried on in an unusually orderly
manner. Dot Blatr forgot to
bring samples of old Rose and
Gray colors, so the class will have
to wait another two weeks to see
just what colors they voted to
have as their own. The class
voted to have a "jitney dance,"
to be held in the gymnasium
sometime this week. It was also
voted to let Lois Waters play
hockey with the twelfth year
class, as the Elevens are not go-
ing to have a team this year. Lo-
is Waters was also appointed to
collect for the Red Cross. The
constitution of the Student Coun-
cil was read and accepted. It is
thought that there will be at-
tempts on the part of the eleventh
year for some amendments.
