**BASEBALL PICTURE TAKEN FOR WAREABLES**

The varsity baseball picture was taken by Mr. Lanning on Schaefer Field Friday afternoon. This is the group picture for the Warbler, as the staff very considerably wishes a similar picture for the purpose of the baseball picture. As far as the only semi-professional picture is concerned there are few missing members, so more Champaign and Winter absence Friday afternoon. It is very regrettable that the entire team was not out for the picture, but he players had received no advance notice that the photographer would be on the job.

*Normal U. Coach Resigns*

H. Russell, coach of the Illinois Normal University athletic teams during the past twelve years, has resigned his post, according to The Normal News.

The announcement was received with surprise throughout the conference, but as Normal U. as well. He has never held position of basketball coach on the coaching staff at Clark University in Worcester, Mass. Mr. Russel's new position as basketball coach and physical instructor is one he has long desired to accept. He has been in the coaching ranks for several years and will gain his doctor's degree in graduate work. Mr. Russell's career at Normal U. dates back to the time the bleeding-born children's when he obtained that position as a high school boy. He was manager of the squad when they played a good record as a coach, coaching the team to the point that his school had no reason for him to coach. The retiring coach has always been an influence for good in the athletic department, and his loss will be felt throughout the entire conference. He will accept the new position. He will not remain at Normal U. during the summer months until his successor is named.
