## HOME COMING, SATURDAY, NOVEMBER 11--WE'RE EXPECTING TO SEE YOU

### E. NORMAL 66 WABASH COL. 0

#### Game Saturday Was Disappointment to Fans. Visitors Very Weak.

The foot ball game between the Wabash Commercial College team and our school team proved, more or less, a farce comedy. The Hoosiers had a queer sense of humor, sometimes displaying itself in the antics of left tackle Conroy, who resembled the well known Fatty Arbuckle of the movies, and again by the queer jiggling runs of rightend Snidley.

At no time during the game was there any danger of the visitors scoring, and with a few exceptions the ball was in the Wabash territory. Gains were made by end runs, off tackle plays, and forward passes. All the Normal school squad were given a chance, and practically all of the varsity and varsity seconds played in the game.

It seemed that every man played with about the same degree of skill unless it was Markle whose playing stood out from the fact that he handled the pass with a degree of excellence hard to equal. "Slim" proved himself to be an adept at both throwing and receiving the pass. Full back Edgington, and Turner at left half were up to their usual standards. Turner especially making splendid runs. Waible in the back field, Captain Schahrer, at left end, Cook at quarter, and in fact all the team displayed some rare tackling ability. Good interference is largely responsible for the large score, for although Wabash had some hard tacklers they were unable to get at the man with the ball.

With Captain Schahrer back in the game and Steve Turner and Hampton returning this week, the team will be greatly strengthened. With three quarterbackbacks, six or seven other backfield men, and a score or more of linemen to choose from, Coach Lantz will be able to fit up a fighting aggregation that will before the end of the season be able to put up a strong game against Normal and Millikin.

#### HUGH VAN HORN

Hugh Van Horn, a member of the ninth year class of this school, died in the Pana Hospital last week as a result of an operation for appendicitis. This was Mr. Van Horn's first year here and was as yet not widely known among the students. The News joins the faculty and his friends in extending their sympathy to his parents and relatives.

#### JOINS COBURN PLAYERS

Miss Winifred Ridgley left her home at Normal, Illinois, the first part of the month for New York, where she will join the Coburn Players. The Coburn Players will be here early in the spring, so most of us will get a chance to see her on the stage.—Ex.

#### Y. W. C. A.

The regular weekly meeting of the Y. W. C. A. was held in Pemberton Hall Friday evening. The meeting was led by Neva Higgins. Ruth, Thomas read a long letter from Miss Ruth Ragan, the missionary whom we support in Japan. Hazel Young, Beulah Smith and Ruth Hadden told of the work of the Y. W. C. A. in other foreign countries.

Maurice Hampton, 15, visited school Saturday morning and refereed the Mattoon high school vs. Pana high school Saturday afternoon.

Worth Wilson spent Sunday with home folks near Etna.

### HOMECOMING SATURDAY, NOV. 11.

Speakers are Mr. Blair, Miss Southworth, Mr. Hagen, and others. During the morning there will be musical numbers on the program, both instrumental and vocal. A chorus by the students will be a feature. An automobile parade, stunts by the students, and the foot ball game between Carbondale and our team, will be some of the entertainments of the afternoon, topped off by a steak roast given by this year's foot ball squad to former players. In the evening a dance and reception will be held in Pemberton Hall.

Come! Don't forget the date, the time, or place.

#### SCHOOL BAND

Last Thursday afternoon at 4:15 a meeting was held in Mr. Wilson's room for the purpose of learning who played or owned band or orchestra instruments and who were willing to learn to play. The prospects are very bright. There were about twenty-five persons present, but since then about ten or fifteen more have expressed a willingness to learn to play. Mr. Wilson is to play in both band and orchestra and is to teach all beginners. He has had experience in the University of Chicago band and several others. Miss Geiger has expressed her willingness and desire to direct. She has had either or both band and orchestra since she was 13 years old until last year. Mr. Wilson and Miss Geiger are live wires, and we are certain our new venture will be a success.

#### Y. M. C. A.

The regular weekly meeting of the Y. M. C. A. was held in the music room Tuesday on evening. Rev. Mr. Pier spoke to a small audience on "The Life of Jesus."

Rev. Mr. Horne, pastor of the Christian church, will address the meeting tonight. Every fellow in school is cordially invited to hear him.

#### AUTOMOBILE ACCIDENT

Mary Bell was slightly injured in an automobile accident Sunday. The car which she was driving struck the curbing, bending the front axle and breaking the wind shield. A piece of the flying glass struck Miss Bell in the face cutting an ugly gash.

### MISS TILLY KOENEN THURSDAY, NOV. 2

The first number of the Entertainment Course will be given on Thursday evening, November 2, when Tilly Koenen will give a concert.

Tilly Koenen was born of Dutch parents on the island of Java, but at the age of four moved to Holland where she received her education and musical training. She made her first concert tour in America in 1909 and made such a success and lasting impression that she received inquiries concerning a second tour from scores of musical organizations, clubs, symphony orchestras, and festival societies. In 1914 in answer to these many inquiries she came to America for another tour. This year Miss Koenen is on her third concert tour in America.

In Europe Tilly Koenen's success has been recognized, having attained the distinction of continually drawing crowded houses in such musical centers as Berlin, Munich, Leipzig, Dresden, Amsterdam, Budapest, and London. At the great Beethoven Festival in London last spring Miss Koenen scored one of the greatest successes of her already brilliant career.

Miss Koenen's voice is said to be a real contralto of extraordinary beauty, which has grown in volume and texture since her earlier American appearances, until today serious musical critics of the world rank her as one of the greatest living contraltos.

We are looking forward to the opening of the course and the appearance of Miss Koenen with a great deal of pleasure.

#### FOOT BALL SATURDAY

The Blackburn college foot ball team which comes here next Saturday, is said to be greatly strengthened since the first of the season. While we believe that our team will be victorious next Saturday, it is a sure thing that they will need the support of the school. Make a special effort to see this game and be ready to cheer for the Blue and Grey. Admission 25 cents or by season tickets.

Herman Cooper, '16, umpired a game of foot ball at Paris last Saturday between Danville high school and Paris high school.

Stanley Crowe, '16, of Neoga, visited relatives here Saturday and Sunday.

**BEAT MILLIKIN!**

Home coming is not far off.  
On Saturday, November 11th,  
former students and members of  
the school will have a chance to  
meet and talk over old times.

Beginning early in the morning  
and continuing throughout the  
day there will be things to enter-  
tain and amuse all the guests of  
the school.

This occasion should be one of  
joyousness, for what can be more  
delightful than meeting former  
classmates? They are friends that  
started with you in freshman  
English or grammar, went with  
you through the intricacies of  
sophomore geometry, faced the  
music in a discussion of sensation  
affections and other mind func-  
tions in the psychology classes of  
the junior year, and finally emerg-  
ing from the cares and joys of  
senior year, went their various  
ways into the strange wide world.  
Something stronger than mere in-  
terest holds and binds together  
our alumni body. A feeling of  
near reverence for our school, its  
customs and its institutions, held  
alike by alumni, faculty, former  
students, friends of the school,  
and the present student body will  
make our coming together a happy  
occasion.

The Normal School News takes  
this opportunity of welcoming you  
to this annual home coming, and  
assuring you of a good time.

**OUR SCHOOL STANDARDS**

Every person, who is acquaint-  
ed or has been in any way con-  
nected with our school, knows  
that our standards are high. We  
should and we are proud of this  
fact. Our standard in music is  
high and well it should be. The

musical numbers on our musical  
course this year are the best that  
can be secured. We do not want  
to be satisfied with something  
that grows old about the second  
time we hear it. We want some-  
thing that we will enjoy more  
every time, even though we hear  
it many times. Who is there  
among us who would not enjoy  
hearing again the Minneapolis  
Symphony orchestra?

A school band and orchestra is  
about to be organized. Let us  
here not forget our school stand-  
ards. We do not want a jay-  
bird band. If we can not have a  
band that visiting teams will not  
make fun of, we will work and  
practice until we are good enough  
to be heard once in a while in  
public.

**A NEW MACHINE**

The Charleston Steam Laundry  
have installed a new collar ma-  
chine. This machine is rather  
remarkable, because of both the  
quantity and quality of its work.  
It turns out 1000 collars per hour.  
Working ten hours per day and  
five days a week, this machine  
can furnish the community with  
50,000 clean collars. Enough at  
least that there will be plenty of  
clean collars for all.
