## FOR IMMEDIATE RELEASE

CHARLESTON, IL--The names of 754 Eastern Illinois University students are on the Deans' Lists for the fall semester, it has been announced. The Deans' Lists replace the honors and high honors rolls previously used to recognize academic achievement.

These previous lists were determined by grade point averages (3.50-3.74 for honors and 3.75-4.0 for high honors). Under the present system, the top 10 percent of students in schools or colleges are included on the Deans' lists. There is also a category of undeclared majors and the Board of Governors' Bachelor of Arts degree program with the same rule applying.

NOTE TO EDITORS: Below is a printout of students on the list from your area of the state.
