## Text library delay gets student OK

by Karen Kunz

A Board of Governors official and student leaders Thursday said they thought Eastern President Daniel E. Marvin's decision to delay approval of a new textbook library was a "wise" one.

Marvin said Thursday he had decided to delay asking the BOG for approval to sell bonds to finance the construction of the library after learning estimates on the proposed student construction fee were incorrect.

Marvin was told Feb. 5 the estimated construction fee would have to be at least \$7.15 per year instead of the \$3.50 fee originally estimated.

BOG Executive Director Donald

Walters said he thought Marvin's decision had shown a great sense of fairness in giving students an idea of what was going on "and by asking the BOG to delay approval of the bonds sale."

"The initial recommendation for last month (when the BOG approved the new textbook library and sent it on to the Board of Higher Education) was based on wrong data," Walters said.

"In view of that fact and in view of the importance of the increase we thought it wise to look at alternatives to building a new textbook library," he said.

Student Collective Bargaining Representative Dean Prokos also said Marvin's decision had been a wise one.

"Marvin is exercising good judgement in waiting, so we'll just have to wait and see what happens," he said.

An alternative to building the new textbook library is the renovation of the existing building.

Although the new textbook building was planned because the existing building is structurally unsafe, renovations would alleviate the safety problem and help with the efficiency problem, Marvin said.

"Because both floors would have to be torn out of the existing building, we would be free to redo the floor plans for the first floor to provide for more efficiency," Marvin said.

## Armed Iranian civilians threaten rebel victory

TEHRAN, Iran (AP)—Backers of Ayatollah Ruhollah Khomeini struggled to keep their revolutionary victory from dissolving into anarchy Monday.

Bands of trigger-happy civilians rampaged jubilantly through Tehran's streets firing weapons into the air.

Khomeini urged followers to avoid "arson, destruction and cruelty." He proclaimed that those indulging in such acts disobeyed "Allah's orders and are traitors to the Islamic movement."

But many bands of armed Iranians, euphoric with their new power, appeared out of control on the first day after the fall of the shah-appointed government.

Khomeini aides asked civilians to turn in unauthorized weapons at local mosques.

State radio, quoting hospital spokesmen, said Sunday's fighting in Tehran killed 417 people and wounded 989.

At least 200 others died in earlier weekend violence.

It was reported that 150 persons were killed in the northeastern city of Tabriz and 44 in the southern city of Shiraz.

There were no reports of violence against the estimated 7,000 Americans

still in Iran.

In Washington, President Carter said he had been in touch with the government and "we stand ready to work with them."

At a news conference, Carter said the new government was "very helpful in insuring the safety of Americans."

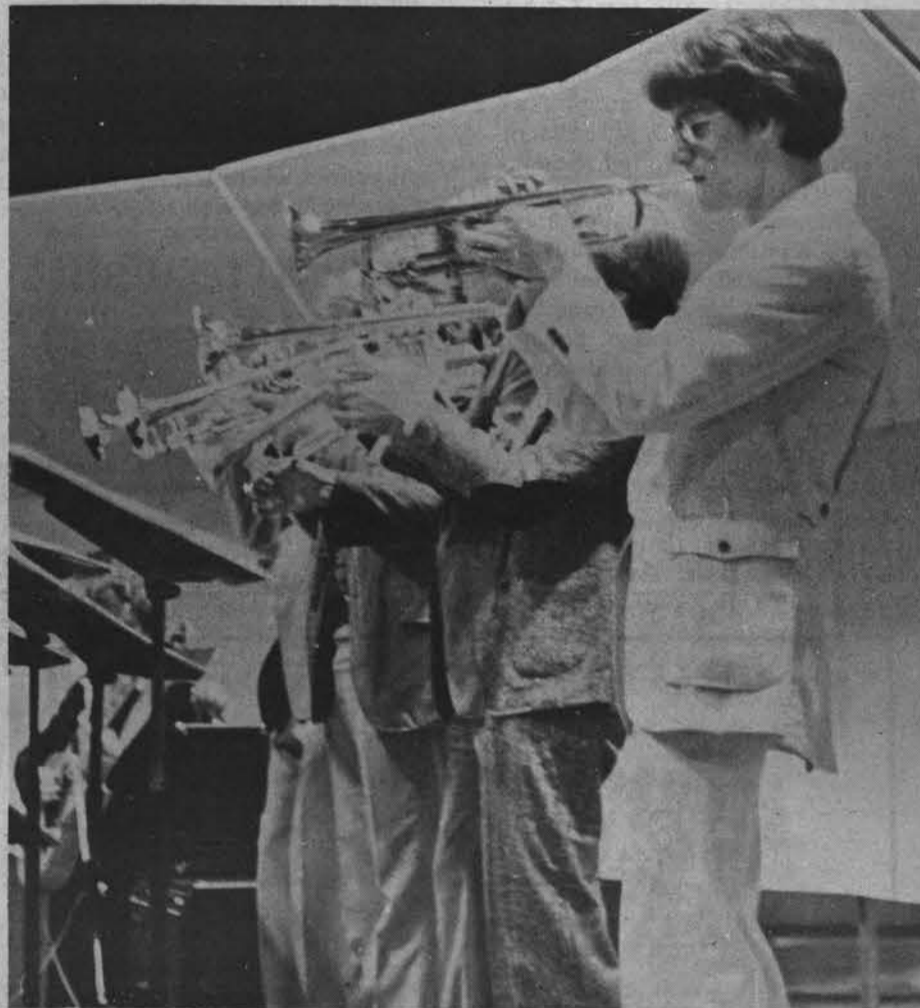

A contingent of 69 U.S. Marines left the United States and six Air Force helicopters left bases in Europe in case they are needed to bolster the guard at the U.S. Embassy in Tehran.

At Tehran's Intercontinental Hotel, base for the Western news media, Khomeini supporters protecting the hotel fought a gunbattle with insurgents who tried to force their way in. Nobody was reported hurt.

Another armed group entered the Hilton Hotel and ordered some 400 guests, many of them Americans, to bring their luggage to the lobby to be searched.

Newspapers said 3,500 felons escaped from the country's largest prison, 65 miles west of Tehran, after insurgents opened the gates Sunday.

Two army generals—including the former commander of Shah Mohammad Reza Pahlavi's Imperial Guard—were killed during Sunday's violence.

### Jam session

Trumpeters add to the beat of the band in the EIU Jazz Festival Area high schools and guests performed with the band during the festival held Saturday in the Union.

## Eastern cost of instruction lowest in BOG

by Karen Kunz

As Eastern students feel the crunch of rising costs with little relief in sight, many are asking themselves if a tuition increase is necessary.

Gov. James Thompson recently "reserved judgment" on the Board of Higher Education's proposed tuition hike of \$48 for undergraduates and \$64 for graduate students, leaving it to the BHE to prove that the \$6 million the hike would raise is vital to the quality of higher education.

The question of whether or not the tuition hike is necessary can only be answered after a close look at how much students are paying and exactly where their money is going.

Eastern students are paying 28 percent of the cost of their education, more than students in any of the other five Board of Governors schools.

And yet until the fiscal year 1980 budget requests were made in January,

How we stack up	
Average cost of instruction for BOG schools—1977-78	
Governors State University	\$132.64
Chicago State University	\$80.30
Northeastern Illinois University	\$65.14
Western Illinois University	\$64.86
Eastern Illinois University	\$60.63

Eastern was ranked fourth in the amount of increase in appropriations received from the state each year.

Just what are the costs of education in the BOG system and what exactly are students paying for?

According to a statewide unit cost study by the BHE, which measures the average cost per student credit hour at

Illinois universities, Eastern is ranked the lowest of the five BOG schools in instructional cost per student.

Cost of instruction figures are based on the amount of money paid at each university for salaries, indirect instructional costs such as graduate assistants and others who grade papers, research expenses, student

services as the Health Service and operation and maintenance expenses which include utilities, janitorial services, building maintenance, plumbers and carpenters.

Eastern's average cost of instruction for 1977-78 was \$60.63. Other BOG schools were as follows: Western Illinois University, \$64.86; Northeastern Illinois University, \$65.14; Chicago State University, \$80.30 and Governors State University, \$132.64.

Current figures for fiscal year 1979 will not be available until after fiscal year 1980 begins July 1.

To figure the percentage students pay towards the cost of their education the average instructional cost per student is multiplied by 30, the average number of credit hours a student takes in one year.

That number is then divided into the amount of tuition paid per year, which (See TUITION, page 5)

# U.S. failed to act in Iran—Baker

SPRINGFIELD, IL. —The United States failed to use its leverage as a world superpower to help avoid internal disruption in Iran, and the U.S. intelligence community must share in the blame, U.S. Senate Minority Leader Howard Baker Jr. said Monday.

"I think America's policy toward Iran has been unsure and ineffective," the Tennessee Republican said at a news conference.

"Regardless how we would care to examine the realities of the world at this moment, there are two super powers—the United States and the Soviet Union," Baker said. "And while they have the undoubted ability to incinerate themselves, they also have the unquestioned authority to try to moderate circumstances."

"I doubt that we used our leverage as one of the two superpowers to try to avoid internal difficulties in Iran," said the third-term Senator.

Baker criticized President Carter's handling so far of the situation in Iran, where the civilian government of Shahpour Bakhtiar fell Sunday to supporters of a revolutionary government led by supporters of Ayatollah Ruhollah Khomeini.

"I think the foreign policy of the United States has been erratic," Baker said, adding: "Foreign policy and national defense is the most awkward aspect of the Carter administration's first two years."

He said intelligence agencies had failed to understand the depth of Iran's internal unrest, and the number of divergent groups that united in the struggle to depose Shah Mohammad Reza Pahlavi last month.

## FBI watching Iranian students

SPRINGFIELD, IL.— The Iranian Student Association is under surveillance at American universities by the FBI to determine the group's threat to national security, Director William H. Webster said Monday.

Webster did not say the group poses a direct threat, but said the fact that between 35,000 and 40,000 Iranians are studying in the United States, coupled with that nation's internal unrest, warrants FBI surveillance.

Webster told a news conference here that college administrations have nothing to fear from the surveillance, and he asked for their cooperation in the investigation.

"We will need and deserve to have the cooperation -- the voluntary cooperation--of faculty and administrators on campuses and universities where Iranian students are attending," said Webster.

## Brown to visit Israel Tuesday

TEL AVIV, Israel — When U.S. Defense Secretary Harold Brown arrives in Israel Tuesday, he will find strategic planners here preoccupied with two new threats to Israel's security—the upheaval in Iran and the reconciliation between Iraq and Syria.

Brown's swing through Saudi

Arabia, Jordan, Israel and Egypt is aimed at demonstrating America's commitment to those countries in the aftermath of the overthrow of Shah Mohammad Reza Pahlavi by a mass movement seeking to rid Iran of Western influences.

The shah had nurtured important ties with Israel over the years, and these links were yet another target of the Moslem opposition in Iran.

For one thing, Israel had imported an estimated 60 percent of its oil from Iran, oil that now will be cut off permanently.

Israeli officials contend they will be able to make up for the loss of Iranian petroleum, but the subject is likely to be raised in meetings with Brown.

A long-standing U.S.-Israeli agreement commits Washington to make up for any Israeli oil shortages for five years.

## Teachers strike may set record

ST. LOUIS — The St. Louis teachers' strike, which began Jan. 16, will become the longest in the city's history if federal mediation efforts are unsuccessful before Wednesday.

Evelyn Battle, president of American Federation of Teachers Local 420, said before Monday's session that she wasn't optimistic about the talks.

"It's better that we are talking than if we were not talking, but the talks

should be toward resolution," Mrs. Battle said. "I don't feel good about it."

There were no reports on progress from Monday's session, but federal mediators had said no progress was made in talks through Friday.

The strike by 4,400 teachers and other school employees has kept 74,000 students out of the classrooms.

The school board offered teachers a mid-year increase of \$100 per year to the salary range of \$9,650 for beginners and \$19,350 for top-scale experience and a doctorate degree.

The teachers rejected that offer and voted to strike.

The school board, which said the mediated talks were discussions to "clarify the issues," has maintained any agreement reached while the teachers remain out of the classrooms could be invalidated in the courts.

The teachers have refused to return to work until an agreement is reached.

## Plane crashes, at least 1 dead

CLARKSBURG, W. VA. — An Allegheny Airlines commuter plane carrying 25 persons crashed Monday at Benedum Airport, and at least one person was killed, authorities said.

The plane was taking off from Benedum and was bound for National Airport in Washington, D.C., according to Bob Fry, team supervisor for the Federal Aviation Administration at the air traffic control tower.

"There is one confirmed fatality and other injuries, the nature and extent of which I don't know," said Dave Shipley, an Allegheny spokesman at National Airport.

# Senate defeats pay referendum motion

by Vickie McGrath

The Student Senate defeated Thursday a motion to a hold a binding referendum on whether student executive officers should be paid.

Student Body President Bob Buckley Monday defended the salaries.

"The executive officers put in a lot of time and work on their jobs and it seems like we should be given something to compensate," Buckley said.

"It would be great to find someone who would do it for nothing, but

realistically it just wouldn't work," Buckley said.

The president, as well as the executive and financial vice presidents receive tuition fees while in office. The collective bargaining and Board of Governors representatives receive tuition only.

"I think the compensation makes the executive officers more responsible and accountable to the students," Buckley said.

"The students have something to hold over my head. They can say you

have to work hard because we're paying you," he added.

"Otherwise, the president could spend the minimum amount of time on the job possible and just manage to stay ahead of impeachment," he said.

The Student Senate earlier this semester had approved the referendum, but Buckley vetoed the action.

He was later censured by the senate

because of his veto.

Buckley said he did not really understand why the issue has persisted.

"It seems awful strange to me. The motion was defeated by the senate last semester, I vetoed the first attempt this semester and the senate itself defeated it last week," Buckley said.

# WELH stages celebration in honor of anniversary

by Betsey Guzior

It is birthday party time for campus radio station WELH, which is celebrating its 15th anniversary on the air.

WELH is presenting a week-long celebration beginning Monday which includes a hidden record contest, Big Mac give-away night and a party-dance night, station manager, Matt Piescinski said Thursday.

The radio station will hold a contest during the week which will feature a gold-painted record hidden somewhere on campus for listeners to find, Piescinski said.

The record was to be hidden Monday and clues to its whereabouts will be given on the air through the week, Piescinski said. The finder will receive two tickets to any possible Panther basketball playoff game, he added.

Tuesday will be WELH-E.L. Krackers night from 9 p.m. to midnight at the

E.L. Krackers night club. Free passes will be given away on the air before the event and there will be a live broadcast from the disco, Piescinski said.

WELH is also co-sponsoring a WELH-McDonald's night at the Eastern-Butler basketball game on Feb. 19.

About 200 coupons for Big Macs will be distributed at the game, Piescinski said.

An additional chance for fans to win coupons will be held at half-time, when they can attempt free throw shots, Piescinski said.

Starting next week and continuing for a month is a secret serial number, Piescinski said. Listeners will have the chance to identify the numbers on \$2 bills with clues given on the air, he added.

Winners are eligible to win either \$5, \$7 or \$10 gift certificates from local merchants, Piescinski said.

# CAA program review set

by Laura Fraembs

The Council on Academic Affairs Thursday discussed a review of undergraduate major programs which must be completed for a Board of Governors report.

Thomas Bond, vice president for academic affairs, said the CAA will consider enrollment and cost figures for each program and "institute recommendations for the program after reviewing these figures."

These recommendations would involve the options of expanding a program, keeping it at "status quo," reducing it or phasing it out entirely, he added.

"There are some programs that I'm concerned about, and I hope the council will go through them with the spirit of being really tough," Bond said.

He said, "What we're talking about is essentially phasing down degrees."

Departments which have generated few majors in the past could be kept as "service departments" without offering a major, he explained.

A sub-committee was formed to begin work on these program reviews.

In other business, the CAA heard a report from assistant to the president Margaret Soderberg on the progress of the sub-committee on general education requirements, a group formed to look into the courses required for all students at Eastern.

# Library minor to be voted on

Approval of an undergraduate minor in library media and changes in the English education program at the master's degree level will be discussed Tuesday by the Council on Teacher Education.

COTE will meet at 2 p.m. in the Union addition Tuscola Room.

Kathleen Shank, COTE chairman, said Friday she expects both items to be approved.

"They've been on our agenda for a long time and they are not controversial issues," she said.

COTE will also review teacher education undergraduate programs, Shanks said.

## Editorial

# Consultants should aid Union

The financial picture of the University Union, which in the past decade has looked a solid red, took a step toward a blacker, more fiscally sound appearance last week.

President Daniel E. Marvin's decision to hire managerial consultants to seek ways of eliminating the Union's operating deficit is a step in the right direction.

For the past 10 years, the Union has been plagued with sizeable deficits which have run into the hundreds of thousands of dollars.

Until this year, that deficit has been met by excess revenue from a student-funded bond revenue account. Students still pay for the losses but do so through a Union fee of \$10.20 per semester instituted in the fall to meet the operating deficit.

But while the deficit is now being paid directly by students, it still exists—and that is how the managerial consultants should

help.

Bill Clark, area head of the Union, has said the consultants will evaluate the business operations of the Union and the programs and services it provides.

The consultants should also go a step further and investigate the managerial structure of the Union to see how it can be improved.

The Union's administrative structure can be better investigated by an outside, impartial firm for two reasons.

First, the consultants specialize in financial counseling and second, have a better chance of getting honest answers from Union employees who have suggestions for changes.

The report the consultants will prepare should help Marvin, Clark and student leaders to make better decisions as they attempt to bring the Union out of the red ink it has been swimming in for too long.

President Daniel E. Marvin  
... hiring consultants a good idea

## Letters to the editor

### Moral problem

Editor,

Thank you for having concern about a problem which is not often discussed publicly, but certainly exists: alcohol abuse.

While agreeing with you that regulating a problem which is moral in nature by the government does little if any good, I cannot agree with you that the solution rests in education alone.

Certainly it can be argued that an educated society knows why it shouldn't drink to excess—the reasons are obvious (increased traffic accidents, increased crime rates, senseless death, alcoholism), but that hasn't stopped anyone from drinking too much.

Let me take a few examples from recent history:

During the so-called sexual revolution of the 1960s and early 1970s the amount of knowledge of sexual matters held by the general public increased greatly. Things which were once considered taboo to discuss or were known only by myth were scientifically researched and the results were published in many best-selling books. Also, many schools began sex education programs, agencies such as Planned Parenthood sprang up and many newspapers and magazines devoted columns to problems and questions about sexual behavior.

However, during this period the number of children born out of wedlock increased dramatically and venereal disease reached epidemic proportions. So while sexual education increased, so did sexual problems.

In Jonestown, Guyana, 900 persons who were well educated enough to realize that drinking poison would interfere with their life processes sufficiently to kill them still did it, regardless of education.

Therefore, if I know that alcohol consumption beyond a certain point will reduce my capabilities to think and react as well as I know I need to, does

that stop me from drinking it? Don't I still have to make the moral decision whether to drink to excess or not?

Education is not the answer, although it may help. The only solution to the alcohol abuse problem on this campus will come when the students decide they don't want to drink to excess.

I am sure that there have been quite a few alcoholics among those best educated on the effects of alcohol in the body (doctors, chemists).

On the other hand, many persons who hardly know a thing about how alcohol functions in the body have never experienced the problem. The problem is one of morals, not of education. The solution will come likewise.

Tom Funk

### A good deal

Editor,

I would like to address this letter to the students and faculty of Eastern.

I want to let you in on something. Namely, a chance to enjoy real entertainment at a minimal cost to Eastern students. This chance is called coffeehouse. It is presented by the University Board and the coffeehouse committee, purely for the entertainment of the Eastern community on a non-profit basis.

What is a coffeehouse? The title is a bit deceiving. Eastern's coffeehouse

### Letters policy

All letters to the editor must carry the name, address and telephone number of their authors for identification purposes. Letters which do not carry this information will not be published. Names will be withheld upon written request. Letters should be typed and should not exceed 250 words. Letters will be edited only for libelous material or space considerations.

program consist of a series of Thursday night performances which are held in the Union addition Rathskeller.

These performances consist of various folk artists, comedians, and other types of first class entertainment, all on a professional level.

These artists sing, play, and generally entertain the audience in the cozy atmosphere of the Rathskeller. The magic way in which the performers put themselves on a one to one basis with their audience is a truly unique situation.

The shows are held almost every Thursday beginning at 8 p.m. and the cost is only 50 cents. I believe this is one of the best bargains on or off campus.

The coffeehouse program being offered at Eastern this semester holds great potential of being a smashing success. Our type of programming is indeed scarce in the Charleston area. The only reason our coffeehouse program isn't as successful as it certainly could be is because most people either do not know about it or they haven't had the ambition to attend as of yet. So, I am writing this letter for those people.

The coffeehouse committee provides a wide selection of quality entertainment that appeals to a wide variety of Eastern students and faculty. We sponsor a couple of Open Stages each semester where Eastern students have the opportunity to show off their talents.

I would appreciate any feedback on matters concerning programming or any other topic.

The coffeehouse committee works hard preparing for each week's show and would love to see you there. Thank you for your time.

Tom Knuth

### News failed

Editor,

Last Thursday (Feb. 1) the Student Senate voted to censure Student Body

President Bob Buckley.

The reason I am writing this letter now is because I wanted to give the Eastern News at least a week to get the pertinent facts. I have decided now that the News, for one reason or another, has decided to kill the story.

Buckley gets enough positive publicity through being interviewed on every conceivable campus issue. I think it is only fair that the details of his censure also be published.

On Jan. 25, the Senate approved a motion calling for a binding referendum on executive officer compensation.

At the Feb. 1 meeting, President Buckley announced that the Senate had not known what it was voting on and that he was vetoing the measure. He did this without consulting senate leadership.

As a result, the senate voted to censure Buckley. Censure is an official reprimand, condemning his action. This is a serious matter, deserving of at least some attention by any responsible news organization.

The Eastern News missed the boat on this story. I want to know why.

Robert Singleton

### Carnation joy

Editor,

What is one single thing that can bring joy into someone's heart than a beautiful carnation. Birthright offers you a chance to show someone this joy Tuesday.

Carnations will be sold for \$1 in the lobby from 7 p.m. to 9 p.m. in these dorms: Taylor, Lawson, Andrews, Triad and Stevenson. They will also be sold in the University Union Tuesday and Wednesday from 11 a.m. to 2 p.m.

Proceeds will go to the non-profit organization Birthright for the medical aid, clothing, housing and other financial needs of pregnant women.

Deborah Petrie

# Tuition from page 1

at the BOG schools is \$510. The resulting percentage is the amount that students pay.

For example, Eastern's average cost of instruction is \$60.63. Multiplying by 30 equals \$1818.90. Dividing that figure into \$510 gives Eastern the amount of 28 percent, the highest of the BOG schools.

Other students in the BOG system are paying the following percentages of the cost of their education: Western Illinois University, 26.2 percent; Northeastern Illinois University, 26.1 percent; Chicago State University, 21.2 percent and Governors State University, 12.8 percent.

Had the Board of Higher Education's proposed tuition hike of \$48 for undergraduates and \$64 for graduate students gone into effect for the 1977-78 school year, Eastern students would be paying 30 percent of their educational costs, only 3.3 percent short of the BHE's proposed one-third, two-thirds plan.

Although the BHE has given up on its plans to have the one-third, two-thirds proposal implemented by 1980, it has not given up entirely and eventually the state of Illinois will only be paying 66 and one-third percent of the cost of higher education, BOG Executive Director Donald Walters said recently.

Currently the state's share of Eastern's budget far exceeds that 66.3 percent figure.

Figures for fiscal year 1979 show the amount of total revenue for Eastern that came from state appropriations was 78 percent.

That figure was up three percent from the amount of appropriations for fiscal year 1978 but was lower than the 80.5 percent Eastern received in fiscal year 1977.

The remaining 22 percent of Eastern's budget for 1979 was made up of tuition and fees paid by students.

Of that 22 percent only 16 percent came from tuition. The rest came from student fees. In fiscal year 1977, however, the difference was much smaller as students paid 19.5 percent tuition out of a total 21.5 percent tuition and fees payment.

The more students enrolled in a university the more money that university receives in its income fund account (funds other than appropriations), tuition being considered an income and not an appropriation.

However, regardless of how much enrollment will increase or decrease next year budget office figures show Eastern stands to lose \$429,900 if the BHE's tuition hike is not implemented.

BOG Executive Director Donald Walters said recently the proposed tuition hike is a "very significant component of Eastern's budget."

"You are going to lose close to half a million dollars without that increase," he said. "That's a lot of money."

# Library from page 1

Marvin said estimates received last week indicate the renovations would cost about \$250,000 as compared to the \$1.4 million cost for the new library which includes interest on the bonds.

While student leaders admitted that the thought of saving over \$1 million was appealing, they expressed concern that the short term renovations expense might jeopardize the university's commitment to the textbook rental system.

"An expenditure of \$1.4 million is a commitment," Prokos said. "Without that we don't know how strong their commitment to the textbook library will be."

"I have no doubt we will maintain the rental system at Eastern--the students are 100 percent behind it--but we might lose the commitment to bettering the system," he said.

Student Financial Vice President Tom Dersch said he also thought the renovations were not a strong enough commitment to the textbook library.

"The advantage of not building the new library is that we will save \$1 million but we are giving up a lot in saving that money," Dersch said.

"We are giving up convenience,

possibly a more efficient operation, a strong and long commitment to the textbook library and more space," he added.

Dersch said if renovations are the only answer to the textbook library problem, he would like to see the existing library's operation and finances become more efficient.

"If they can get people through quicker and employ people for less time, then it will be cost control efficient," he said.

"The new facility would have been cost efficient but you are dealing with \$1 million more there," he added.

## Senate meeting set

The Faculty Senate Tuesday will form a committee to nominate faculty for the Distinguished Faculty awards and discuss final changes in the student-faculty boards.

The senate will meet at 2 p.m. in the Union addition Martinsville Room.

Senate Chairman Robert Shuff said Friday the senate will also start the process for the spring Faculty Senate elections by forming committees which will nominate candidates for the election.

# Scout shows merit as governor for a day

by Phil Vettel

Eastern freshman Jim Hoggatt Tuesday was sworn in as governor of Illinois. And while his term of office was brief, Hoggatt said he found it enlightening.

Hoggatt, an Eagle Scout, was part of a 28-man contingent from the Boy Scout councils of Illinois who last weekend celebrated State Citizenship Day in Springfield.

These scouts and explorers, chosen for their outstanding leadership qualities, were given an opportunity to take over a major state office for a day.

Hoggatt, who represented the Wabash Valley Council, outpolled 12 opponents for the governor's post.

"It was kind of hard to campaign," Hoggatt said. "The night before I did some research from some textbooks I brought along. Apparently it worked."

Hoggatt and the other officeholders were sworn in Tuesday afternoon following a luncheon at the governor's mansion. The scouts then met with their elected counterparts and assum-

ed their jobs for the rest of the day.

Gov. Hoggatt had no sooner taken office than his phone rang. It was the Italian ambassador to the U.S. inviting him to visit his country.

"I handed the phone to Gov. Thompson," Hoggatt said. "I figured it was for him." Helpful as a Scout should be, Hoggatt offered to go in the governor's place if Thompson was too busy.

Hoggatt, who said he would like to get involved in local politics after graduation, said he found the experience worthwhile.

"I learned a lot about state government," he said. "There was a lot I didn't know about, and which I imagine a lot of people don't know about."

Next, Hoggatt plans to enter a public speaking contest, also sponsored by the Boy Scouts, in which the winner goes to Washington to meet the president.

"President's after governor, isn't it?" he asked.

## UB to attend conference

Members of the University Board will leave Tuesday for a National Entertainment Campus Activities Association Conference in Kansas City, Mo.

Don Cook, student activities advisor, said Monday the conference holds various sessions and seminars on how to present different acts and how to schedule them.

The NECAA, which Eastern is a

member of, "provides us with contacts in the entertainment field such as booking agents, talent agencies, movies, and coffeehouses," Cook said.

"We also arrange block bookings at conferences such as these," he said.

"With block booking, the costs for an act comes down when four or five schools in an area schedule a performance," he said.

# Lady cagers stop Cincy, beaten by Chicago Circle

by Vickie Woodbury

The women's basketball team could not put two wins together as it completed a third weekend of back-to-back games.

Eastern rolled over the Cincinnati Bearcats in Friday night's action 66-50 only to be stopped on Saturday against Chicago Circle 61-47.

With four minutes remaining in the first half the cagers regained a three point lead to finish the half 33-30.

Eastern's Jo Huber and Linda Ellsworth increased the Panther lead in the second half to 10 and finished the game with 16 and 14 points respectively.

Others who aided in the offensive attack for Eastern were forward Lois Cryder with nine, Cindy Maher, eight, and Marche Harris, six.

Cincinnati's leading scorers, Cindy Spence and Sue Koch combined for 21 points in the first half, but the defensive tactics of the Panther squad shut the pair off in the second half.

"I thought we handled the different

defenses they put on us real well, but at one point they switched to a man-to-man and we started running when we didn't have to because we were ahead," coach Melinda Fischer said.

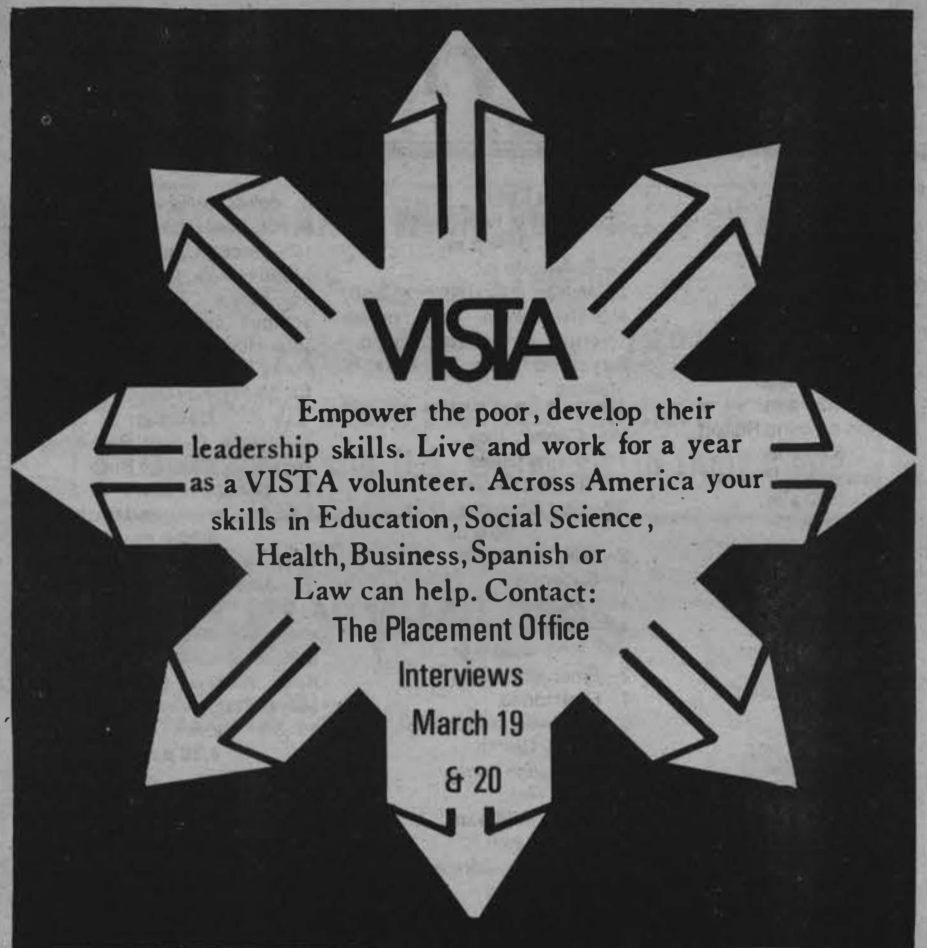

Eastern played catch-up ball most of the afternoon against Circle, but kept the margin close and finished within seven at the half 24-17.

Fischer cited the inconsistency of her big people as one of the factors in the loss. Huber and Ellsworth scored well in the Cincinnati contest but combined for only 13 points against Circle.

With 14:02 remaining in the game, Fischer called a time out to implement a three guard offense that sent guards Harris, Maher and Sandy Thorpe into the game.

The cagers converted on a steal by Harris and a Circle turnover to bring them within one.

But deadly shooting from Circle's six foot one forward Sharon Carrol put the Chikas back up to stay.

# Tracksters finish high at Illini meet

by Brian Nielsen

CHAMPAIGN—Eastern placed third at the Illinois Intercollegiate indoor track championships for the fourth straight year, but scored its highest point total in the meet ever this weekend.

Bolstered by triumphs from 1,000 yard runner Bob Feller, quarter-miler Ed Hatch, hurdler Augustine Oruwari and the distance medley relay team, the Panthers compiled 98 points in their best ever showing at the state meet.

Once again Southern Illinois-Carbondale and the University of Illinois topped the intercollegiate field.

SIU-C, racking up six first places and 132 1/2 points, repeated as champions. Illinois was 10 points behind with 122 1/2.

Eastern received its expected stiff challenge from Illinois State for third place in the meet. ISU had 86 points, but the remainder of the 20-team field was not even a factor. Northern Illinois was a distant fifth-place with 33 points.

While Eastern could not move up from its customary No. 3 spot in the intercollegiate, Panther coach Neil Moore was "just as proud as if we'd won it."

"I've never had a team fight harder as long as I've been coaching," Moore said. "We had guys just running themselves out. And it just wasn't one guy, everybody contributed."

Heading Eastern's contributors was Feller, the sophomore middle distance runner who was involved in two firsts and two school records.

Feller won the 1,000 yard run Saturday in an Eastern record 2:10.64 time. He passed pace setter Dave Ayoub of Illinois with a burst on the final turn and then held off another Illini, Jon Schmidt, to win the race by one-hundredth of a second.

On Friday, the sophomore had run a key 3/4 mile leg on the Panthers' distance medley, which set a school record of 9:53.3.

The Panthers were in fourth place in the race when Feller got the baton after John McInerney's 1:55.3 half mile and Mark Collins' 50.4 quarter. But Feller sped his 1,320 yards in 3:01.7 to put his team ahead when he handed off to miler Reo Rorem.

Rorem then outdueled SIU-C stand-out Mike Bisase by clocking a 4:05.7 mile and gave Eastern a winning margin of nearly two seconds.

Each of the Panthers' medley runners contributed to the team's scoring in another event.

Feller completed his weekend by taking second in the 880 yard run with a 1:55.7.

Rorem took second in the mile run. After Bisase, who could not overcome the Panther distance ace in Friday's medley relay, outkicked Rorem the next afternoon to win the mile in 4:09.5. Rorem finished in 4:10.1.

While Feller figured in 28 Panther points, Hatch was nearly as productive with his victory in the 440 yard dash, runnerup in the 300 and anchor leg on Eastern's second place mile relay.

In the 60 yard high hurdles, Oruwari jumped off to a fast start and beat two-time defending titlist Jerry Holloway of Western Illinois by a tenth of a second.

Oruwari covered the distance in 7.3 seconds, while teammate Bob Johnson was third in 7.5.

B. Mansfield & Co., Inc., presents the

# Grapplers beat ISU, keep dual streak intact

by Brad Patterson

It has now been three seasons since the Eastern wrestlers lost a dual meet.

The Panthers kept their streak intact Friday with an overwhelming 45-2 win over the Illinois State Redbirds at Lantz Gym. The win is the 29th in a row for the Panthers.

"I thought that they would be more competitive," Eastern coach Ron Clinton said. "They had some injuries, but we were a lot better team."

The final four matches of the meet resulted in pins for Eastern, including Dave Klemm's record tying performance. Klemm pinned Illinois State's Jim Snyder after only 3:53 had elapsed to win the heavyweight match, and in the process tied the Eastern record for most pins in one season, 15. The junior from Lincoln tied the mark

shared by Steve Farrell (1973), and by heavyweight Gene Pouliet (1975).

Both Bob Holland and Jack Nix had big wins in their final home appearance, with both victories coming via the pin route.

Holland toyed with ISU's Mike Jones before finally putting Jones away in the 167 pound match. Holland scored repeated take downs against the outclassed Jones, and was ahead 24-3 before ending the match with the fall. Nix was close to pinning ISU's Jeff Guidish in each of the first two periods of the 177 pound encounter, in fact spring near falls in both periods. Nix closed out the match with the pin at 5:56 of the match.

The other Panther pin came in the 190 pound match, as sophomore Geno Savegnago threw Gereg Dirgo at 2:30

of the second period.

Other impressive winners for the Panthers included 118 pound performer Bryan Murphy, sophomore Bob McGuinn at 134 pounds, and defending national champion Ralph McCausland at the 142 pound slot.

Murphy dominated Pat Durkee in the opening match, outscoring Durkee 13-4 to gain the decision.

McGuinn shut out ISU's Jim Gibson 7-0, and McCausland was also impressive in blanking Pete Ejofske to close out his Eastern home career.

Freshman Mark Gronowski came from behind to decision ISU's Andy Bazan at the 158 pound spot. Gronowski trailed 8-7 in the third period, but rallied to score a take down with only 29 seconds left in the match, and followed that with a near pin to

complete his 12-8 victory.

Eastern's Doug Schaefer won by a forfeit at the 126 pound position to complete the Panther wins.

Eastern's Kelly Jackson battled to a draw with ISU's Jim Pavela at the 150 pound slot, giving the Redbirds their only two points.

Clinton said that his Panthers are almost ready for the Mid-Continent Conference meet next weekend at Cedar Falls, Ia.

## Softball meeting set

A mandatory meeting for the women's softball team will be held at 3:30 p.m. Tuesday at McAfee Gym room 136, coach Melinda Fischer said. For further information, one should call Fischer at 581-2924.

# Nitch, Watson pace tankers to 2nd at SIU-C

by Matt Davidson

Joe Nitch and Dave Watson qualified for the upcoming national meet while leading Eastern's men's swimming team to a second place finish in the Southern Illinois-Carbondale Invitational this weekend.

Nitch, already a three-time All-American, was victorious in the 1,650-yard freestyle with a time of 60:43.1 and "just missed qualifying in another event," head coach Ray Padovan said.

Watson, who has also earned three All-American awards, set a new meet and school record while qualifying in

the 100-yard freestyle with a time of 47.4. A 47.0 was needed to qualify for the national meet. He also added a second place finish in the 50-yard free to his list of accomplishments for the day.

In team competition, NAIA school Drury came out tops in the field. "They swam very well and seemed to be well-rested for the meet," Padovan said.

"We were close but couldn't quite get there. We were 10-20 points behind most of the way," the coach added. "The middle of the second day

we were actually ahead."

"The main thing we were looking for in the meet was to qualify a few people for the nationals," he said.

The Panthers had two other individual winners. Freshman Tim Bird won the 100-yard butterfly in 53.0 and sophomore Steve Boone took home

solo honors in the college division in the 100-yard breaststroke.

Padovan explained the reason for the low number of first place winners for Eastern. "There were not very many firsts because both divisions (college and Division I) swam together."

## THE SKY'S THE LIMIT IN NAVAL AVIATION.

If you want to get to the top in aviation, the Navy is the way to go. We offer unlimited opportunities as pilots and Naval Flight Officers.

As a pilot, you'll be trained to fly the most advanced jets ever developed. As a Naval Flight Officer, you'll operate the sophisticated weapon systems, computers and advanced electronics. As either, you'll wear the wings of Naval Aviation.

If you're a college student in good physical condition, Naval Aviation could be your route to the top. Send your resume, call, or contact your placement office to sign up for an interview Feb. 26th.

Lt. Shawn Euter, Dept. of the Navy, 12th Street,

St. Louis, MO 63101 (314) 268-

## Panthers fall to Pumas in overtime

Eastern center Dennis Mumford pulls down a rebound in the Panthers' 80-64 blasting of Youngstown State Saturday night at Lantz Gym. The Panthers raised their Mid-Continent Conference record to 5-2 with the win. (News photo by Rich Bauer)

by Brian Nielsen

RENSELAEER, Ind. — Gerald Kates' long range jumper with 30 seconds left in overtime gave St. Joseph's College a crucial 73-72 Great Lakes Regional basketball victory over Eastern Monday night.

The sophomore guard connected on his third outside shot of the extra period to regain the lead for the Pumas after Dennis Mumford's free throw had given Eastern a 72-71 edge with 52 seconds remaining.

The Panthers then lost the ball, and St. Joe ran the clock down to one second before Kates was fouled.

Kates missed the free throw, but Eastern could not get a shot off before the gun sounded.

With the win, St. Joe, now 14-7, may replace Eastern as the third rated team in the Great Lakes Region. The Pumas were rated fourth behind Northern Michigan, Wright State and Eastern.

Eastern, which dropped to 14-8 on the season, led through most of the regulation play but poor free throw

shooting allowed St. Joe to tie things at 59 on Dave Downey's tip-in at the buzzer.

The Panthers led 28-26 at halftime and never trailed in the second half, although there were six ties.

Chuck Turk's driving layup broke a 57-57 deadlock with just under two minutes of regulation play left, and then both teams missed several scoring opportunities.

The Panthers' Mike Pickens missed a free throw with nine seconds to go to give St. Joe its final chance. Downey tipped in Neil Brown's missed shot to send the game into the overtime.

The two teams battled on near even terms until the final minute when Kates' long shot proved to be the difference.

Downey, St. Joe's stellar center, led all scorers with 21 points despite playing with a broken left arm. Kates added 18 and Brown had 11.

Craig DeWitt and Jim Williams led Eastern with 15 points apiece, and Mumford chipped in with 11.

## Eastern pops Youngstown 80-64 in MCC encounter

by Brad Patterson

The Eastern Panthers displayed defensive basketball at its best Saturday night, as they rolled to a convincing 80-64 Mid-Continent Conference victory over Youngstown State before almost 4,000 fans at Lantz Gym.

The Panthers utilized a tough man-to-man defense in limiting the Penguins to only 18 first half points.

"Our guys were in complete rhythm tonight," Eastern head coach Don Eddy said.

That was somewhat of an understatement as the Panthers held Youngstown without a point for 5:03 of the second half as they roared to a 47-18 lead.

Eddy substituted freely throughout the second half, with all the starters on the bench with over nine minutes still remaining. Eastern led by 35 points on two occasions, the last with 10:09 to play when Craig DeWitt threw in a layup off a fast break to give the Panthers a 63-28 advantage.

DeWitt led the Panthers in the scoring department with 19 points, while 6-foot-9 sophomore Dennis Mumford added 15. DeWitt hit on 8 of 11 field goal tries, while Mumford connected on 6 of 10 to help Eastern to its 57.4 percent shooting for the game.

"Our shot selection was really good," Eddy said. "Especially Craig's. He didn't force any shots at

all tonight."

The Panthers also got a big boost from the two newcomers in the lineup, sophomore Chuck Turk and freshman forward Ricky Robinson.

Turk hit three early perimeter shots over the Youngstown zone, and finished with eight points, but it was Robinson who made the most noteworthy contribution.

Robinson scored 12 points and pulled down 11 rebounds in his finest effort of the year.

"I really felt like playing tonight," the 6-foot-6 freshman said. "They weren't blocking off at all, and I got in and got some easy rebound baskets."

The game was all but decided after only six minutes had elapsed, when Eastern built up a 13-2 lead. DeWitt hit a layup, Mumford scored from the lane, Turk hit from long range, and Robinson put in a rebound basket before YSU could even get on the scoreboard.

Mumford then converted a three-point play, and Turk hit again to give Eastern an 11 point lead.

With the win, Eastern increases its record to 14-7 overall, and to 5-2 in the MCC. The Panthers have two important conference games coming up this week, as MCC co-leaders Northern Michigan and Northern Iowa visit Lantz Gym. The Wildcats play here Thursday night, while UNI makes its appearance at 7:30 p.m. Saturday.

## STUDENT ACADEMIC LOAD

1. Maximum load:
  - a. Intersession 5 semester hours
  - b. Five-Week Session 6 semester hours
  - c. Regular Eight-Week Session 10 semester hours
2. Since the eight- and five-week sessions run concurrently, it is possible for students to take courses in both. The maximum for combining the two sessions is 10 semester hours.
3. The above maximums include on-campus workshops, Continuing Education courses and concurrent enrollment in another institution.
4. Students can take courses in the four-week intersession and the five-week session for a total maximum load of 11 semester hours, or they can take courses in the four-week intersession and the regular eight-week session for a total maximum load of 15 semester hours.

## INFORMATION for Intersession 1979

### PASS/FAIL GRADING STATUS

Pass/Fail Cards will be available outside the Registration Office beginning Monday, May 21 and ending Wednesday, May 23. The cards must be completed and put into the slotted box outside the Registration Operations Room (south basement McAfee) by 4:30 p.m., Wednesday, May 23.

### AUDIT GRADING STATUS

Obtain an audit card in the Registration Operations Room, complete it AND have it signed by the instructor of the class. Return the audit card to the Registration Office no later than 4:30 p.m., Wednesday, May 23.

### REFUNDS

The last day to withdraw from Intersession classes and receive a full refund is Thursday, May 24, 3:00 p.m.

## INFORMATION for Summer 8-Week and 5-Week terms, 1979

### SCHEDULE CHANGES

Make Adds and Drops for Summer classes (8-week and 5-week terms) in the Union Ballroom from 10:00 a.m. until 2:00 p.m. on Wednesday, June 20, and from 11:00 a.m. until 2:00 p.m. on Thursday, June 21 and Monday, June 25.

### PASS/FAIL GRADING STATUS

Pass/Fail Cards will be available outside the Registration Office beginning Monday, June 18 and ending Monday, June 25. The cards must be completed and put into the slotted box outside the Registration Operations Room (south basement McAfee) by 4:30 p.m., Monday, June 25. June 25 is the deadline for both 8-week term classes and 5-week term classes.

### AUDIT GRADING STATUS

Obtain an audit card in the Registration Operations Room, complete it AND have it signed by the instructor of the class. Return the audit card to the Registration Office no later than 4:30 p.m., Monday, June 25. June 25 is the deadline for both 8-week term classes and 5-week term classes.

### REFUNDS

The last day to cancel Summer classes and receive a full refund is Friday, June 15, 3:00 p.m. The last day for a partial refund is Tuesday, June 26; a partial refund includes all tuition and fees except insurance. The last day for a 50% refund is Monday, July 2; 50% of all fees and tuition paid--except for insurance--will be refunded. THESE DEADLINES APPLY TO BOTH THE 8-WEEK TERM AND THE 5-WEEK TERM.

### OVERLOAD FEES

Overload fees will not be assessed for Summer courses.

### ALL STUDENTS

Be sure your name appears on the official fifth-day class roster for any class you attend. If your name does not appear on the official roster, contact the Registration Office IMMEDIATELY.

### OFFICIAL NOTICES

Watch the "Official Notices" in the Eastern News for important information throughout the term.

### REGISTRATION OFFICE

The Registration Office is located in the south basement of McAfee. Office hours are 8:30 a.m. to 12:00 noon and 1:00 p.m. to 4:30 p.m.

## SUMMER TERM 1979

	<u>Intersession</u>	<u>5-Week Session</u>	<u>8-Week Session</u>

Term Closes	June 15	July 26	August 16

### SECTION NUMBERS

STUDENTS MUST BE VERY CAREFUL TO SELECT CORRECT SECTION NUMBERS IN SIGNING UP FOR COURSES BECAUSE THE SECTION NUMBER INDICATES WHETHER THE COURSE IS IN THE INTERSESSION, 5-WEEK TERM, 8-WEEK TERM, OR IS A WORKSHOP.

### GRADUATE COURSES

DURING THE FINAL SEMESTER OF RESIDENCE IN UNDERGRADUATE WORK, OR THE PENULTIMATE SEMESTER OF RESIDENCE (IF THE FINAL SEMESTER IS TO BE SPENT IN STUDENT TEACHING OR INTERNSHIP), A SENIOR MAY TAKE GRADUATE COURSES NUMBERED BELOW 5500 WITH CREDIT WHICH REPRESENTS THE DIFFERENCE BETWEEN THAT REQUIRED TO COMPLETE THE UNDERGRADUATE DEGREE AND THE MAXIMUM ALLOWED A GRADUATE STUDENT IN THAT TERM. THE SENIOR WHO DESIRES TO TAKE SUCH GRADUATE COURSES IN THE SENIOR YEAR MUST HAVE A CUMULATIVE GPA OF AT LEAST 2.75 AND HAVE THE PERMISSION OF THE INSTRUCTOR AND THE DEAN OF GRADUATE STUDIES AND RESEARCH.

### CANCELLATION OF SMALL CLASSES

SECTIONS OF COURSES NUMBERED 1000-2999 ENROLLING LESS THAN 10 STUDENTS WILL BE CANCELLED. COURSES NUMBERED 3000-4999 ENROLLING LESS THAN 10 STUDENTS WHICH ARE OFFERED MORE THAN ONCE DURING THE ACADEMIC YEAR WILL BE CANCELLED. COURSES NUMBERED 3000-4999 ENROLLING LESS THAN SIX STUDENTS MAY BE CANCELLED REGARDLESS OF THE NUMBER OF TIMES OFFERED DURING THE YEAR.

### Financial Aids

Applications for both the Illinois State Scholarship Commission Monetary Grant (for all Illinois undergraduates) and the Basic Educational Opportunity Grant Program (for all undergraduates) are available in the Office of Financial Aids, Room 12-B, Student Services Building. Brochures describing the Student Health and Accident Policy are available in Room 8-B, Student Services Building.

COURSE TITLES FOR WORKSHOPS AND SPECIAL COURSES  
(See Course Listing for Times, Dates, Instructors, Etc.)

New and former students who plan to register for short term credit workshops and/or special courses in summer school must apply for admission or readmission and submit appropriate academic credentials at least 10 days prior to registering for the short term workshop or special course. Students enrolled at Eastern spring semester 1979 need not apply for readmission. Students may register for these short term courses on the central registration dates--May 4, 21 for the intersession and June 18, 19 for the eight- and five-week sessions. Students may also register on the first day of the workshop or special course prior to the time the course begins (but no later than 3:30 p.m.) provided that the students have permits to register. For information on admission to summer school, please write to Charles Switzer, Director of Summer School, 210 Old Main or call (217) 581-2121.

SPECIAL THEME COURSES

ISSUES IN EDUCATION

- ELE 4999-21 -- Educational Objectives: Aids I. E. P. Writing and Individualizing Instruction
- FAR 4998-56 -- The Arts in General Education
- MUS 4998-21 -- Music in Special Education
- PED 4998-21 -- A Study of Perceptual Motor Skill Development
