For Immediate Release:

SECTION OF SEVENTH STREET TO BE CLOSED FOR TWO-WEEK PERIOD

CHARLESTON – A portion of south Seventh Street will be closed, beginning Monday, March 10, so that work crews can make utility connections between Eastern Illinois University's newly built Human Services Center and the City of Charleston's water, sewer and sanitary mains.

The section of street will need to be removed, manholes installed, and the street will need to be reconstructed.

Contractors have asked that the street be closed to all traffic through Monday, March 24. (In case of inclement weather, the closure dates could be extended.) Brinkoetter Plumbing & Heating out of Decatur will perform the work.

The affected area of Seventh Street extends just south of the Klehm Hall service drive to just north of the Thomas Hall fire lane turn-around.
