FOR IMMEDIATE RELEASE:

RECIPIENTS OF GIFFIN SCHOLARSHIP

CHARLESTON -- Four students recently received an Elsie and Erson Giffin Scholarship at Eastern Illinois University.

The scholarship is awarded annually to junior and senior home economics women students who have shown service to the community and leadership in pre-professional activities, as well as academic excellence.

During the depression days, Dorothy Giffin of Casey, was not financially able to pursue a college education. It was her wish to be able to assist women students in achieving their goals.

Before her death in 1977, she, along with her brother, Jim Giffin, established a scholarship named in honor of their parents, Elsie and Erson Giffin.

Eastern, which is celebrating its 100th anniversary in 1994-95, is a comprehensive university with more than 10,500 students and 46 undergraduate and 27 graduate degree programs. It is a teaching institution which prides itself on the quality and affordability of its undergraduate program.
