will be sunny and warm with the highs in the mid- or upper 60s. Monday night will be fair and warm with the lows in the upper 40s.

Celebration '83 crowd enjoys music, crafts

by Douglas Backstrom

This weekend Celebration '83 allowed many students and local residents to bask in the sun, make rounds to the craft and food booths and listened to bands.

Eastern's annual festival of the arts drew many people to the Library Quad on Friday, Saturday and Sunday.

Celebration '83 General Co-Chairman Phillip Settle said although individual events and booths were "well-attended," he added that he would not know how much money was made at Celebration until Monday.

Settle said he and others "loved" the weather and the various events at Celebration.

Art instructor Cary Knoop said he was having a marvelous time.

"It's great out here, all the people here are real friendly," he said.

Junior Sue Radosti agreed.

"The weather out here is terrific. I'm having a great time here with all the nice people," she said.

English instructor Jeanne Simpson said, "It's great!"

Senior John Cole said, "I'm having a great time out here. The people are great."

A student who declined to offer his name said, "Boy, I sure feel sorry for the people that sat in their rooms doing homework this weekend."

Above: A blacksmith demonstrates his unusual skill shaping iron into usable tools during Celebration '83. Right: This family took advantage of the sunny weather to have some fun during Celebration. Photos by Tom Roberts)

Caterpillar workers end 6 month strike, accept wage freeze, profit-sharing plan

PEORIA (AP)—Caterpillar Tractor workers will someday see their end of the 6-and-a-half month strike as one of the most foolish things that ever happened," the city's mayor said in approval of a wage-freeze agreement that reopened the company's plants Sunday.

For Peoria, a central Illinois river city where one in five paychecks had come from the heavy-equipment maker, the end of the 205-day strike was a boost to morale and the economy.

More than 12,000 United Auto workers union members were to return to work at Caterpillar plants between 11:30 p.m. Sunday, and about 100 more were to begin work on Monday.

The day will come when people will look back and see the strike as one of the most foolish things that ever happened," Peoria Mayor Richard Carver said Saturday. The strike against the Peoria-based manufacturer was the UAW's longest against a major com-

pany. Carver said some of the residents in the economically damaged city feel they have proved the danger of a city being dependent upon one company.

Caterpillar workers drew \$65 strike pay weekly for 29-and-a-half weeks, and that otherwise would have been a typical Caterpillar assembly-line employee between \$13,000 and \$20,000.

"I'm ready to go back to work," Caterpillar worker G. Dean Wilson Jr. said Sunday. "The money will be great, but more than that, the work will be a relief. I've worked for Caterpillar for 11 years. It's my life."

"I think the vote to accept the 3-and-a-half year contract is a reflection of the fact they are, in fact, down to their last penny and needed to get back to work," Jim O'Connor, president of UAW Local 974 in Peoria, said Friday. His local is the largest of 10 UAW locals at Caterpillar plants in Colorado, Illinois, Iowa, Ohio, Pennsylvania and Tennessee.

"We've got a lot of work to do," Caterpillar spokesman Doug Crew said Saturday. "We are pleased that the agreement has been ratified. We believe that everyone will put the strike behind them and get back to business."

Caterpillar said as many as 3,000 non-union office workers laid off during the strike also will report to work Monday.

Workers at non-UAW plants in Joliet and Milwaukee will be called back to work as they are needed, with callbacks starting in the next few weeks.

There were 20,400 UAW members working at Caterpillar at the time of the strike and 15,000 more on indefinite layoff. Crew denied reports that another big layoff is imminent, saying only: "We have said all along

that any layoff depends on economic conditions."

In announcing the 10,703 to 5,144 vote for ratification nationwide Saturday, UAW International Vice President Stephen P. Yokich said the struggle by union members "prevented Caterpillar from taking away the scores of gains the union has made over the past 34 years."

The proposal had been rejected by the union's bargaining committee.

Caterpillar had sought cost-containment throughout negotiations which began in September in Bridgeton, Mo.

Caterpillar's chief negotiator, James K. Ward, had said the company needed a wage freeze in order to stay competitive with Komatsu of Japan, its biggest threat in a recession-strapped world market.

The company lost \$180 million last year, its first time in the red since the Depression.

The Caterpillar strike eclipsed the UAW's crippling 172-day strike against International Harvester Co. in 1979, which had been the record for major UAW walkouts.

The new pact contained a wage freeze, a reduction in bonus time paid for perfect attendance, a profit-sharing plan and employee stock ownership option.

Caterpillar workers make more than \$19 per hour.

Greek Sing event opens Greek Week

by Sharon Bray

Sunday's Greek Sing kicked off Greek Week, with fraternities, sororities and individuals receiving various awards.

Ann Marie Cavanagh, assistant director of student activities, said the Delta Zeta sorority and the Sigma Chi fraternity won first place at the sing.

Members of Delta Zeta sang a medley of songs from the Broadway musical "The Wiz" and members of Sigma Chi sang a Barry Manilow medley to receive top honors, Cavanagh said.

She added that second place honors were won by the Sigma Kappa sorority for an "Annie Get Your Gun" medley and the Sigma Pi fraternity for "The Sound of Silence" and "In the Mood."

Outstanding Greek Man and Woman of the Year awards were also presented during Greek Sing. Cavanagh said Sigma Chi's Robert Hohe was the Man of the Year while Alpha Phi's Louise Powers was named Woman of the Year.

Cavanagh said the event was coordinated by Greek Sing Co-chairmen Kevin Rettke and Laurie Logeman. She added that most of the Greek organizations on campus participated in the event.

Associated Press

News Round-Up

Military aid opposition grows

WASHINGTON (AP)—Six house members flew Sunday to Central America as the Reagan administration tried to head off growing congressional opposition to its anti-Marxist campaign in the war-torn region.

Jeane J. Kirkpatrick, ambassador to the United Nations, expressed confidence Sunday on the ABC-TV show "This Week With David Brinkley" that Congress would not rebuff President Reagan's request for an added \$60 million in military aid for El Salvador or curtail reported CIA activities against the leftist government in neighboring Nicaragua.

Doctors hear tax hike pitch

CHICAGO (AP)—Governor Thompson made a pitch for his proposed \$1.8 billion tax increase Sunday, warning the Illinois State Medical Society that "few will want to stay and work" in Illinois if sagging revenues force cut-backs in state programs.

"We have to make some fundamental choices if we're going to improve the quality of life in this state," Thompson told the society's House of Delegates.

Thompson said he had "kept the state in line" by preserving basic services while "neighboring states make deep cuts in state services and raise taxes."

Record numbers imprisoned

WASHINGTON (AP)—The number of prison inmates in the United States grew by a record 42,915 in 1982 to reach an all-time high of 412,303, the Justice Department said Sunday.

Spurred by tougher sentencing and more restricted parole laws, the increase was the largest in absolute numbers since counting began in 1925.

Poles nab underground official

WARSAW, Poland (AP)—The Communist government on Sunday announced the arrest of a key underground Solidarity strategist, the latest in a series of detentions apparently aimed at undercutting the union's call for May Day protests.

Jozef Pinior, one of five fugitive Solidarity leaders who met with former Union chief Lech Walesa on April 9-11, was taken into custody in his hometown of Wroclaw, according to a dispatch by the official Polish News agency PAP.

The report did not specify when Pinior was arrested. The announcement was made one day before Walesa was to return to his job as an electrician at the Lenin Shipyard in Gdansk, where he helped lead the August 1980 strikes that created Solidarity.

The 39-year-old labor leader said the decision

to give him his job back was intended in part to help authorities keep track of him and thereby curtail his contacts with the underground.

However, Walesa's readmission to the shipyard also puts him in direct contact with the 17,000 yard workers who are his most avid followers.

Little is known about Pinior, who was treasurer of the Solidarity chapter in Lower Silesia before the Dec. 13, 1981 declaration of martial law.

A few days before the military crackdown, Pinior withdrew 80 million zlotys (\$940,000 at official exchange rates) from the union's coffers and is believed to have spent the money in the underground campaign to restore Solidarity, once the only union in the Soviet bloc free of Communist Party control.

Congress turns to foreign affairs

WASHINGTON (AP)—Congress, turning its attention from budget and tax fights with the administration, this week will hear its first address from President Reagan solely on foreign affairs.

The president will appear before a joint session of the House and Senate Wednesday night to warn that Nicaragua and Cuba pose a threat to the stability of Central America and could threaten Mexico.

Meanwhile, the House is scheduled to resume a debate on a resolution calling for the United States to negotiate with the Soviet Union for a mutual and verifiable freeze of nuclear weapons production.

The resolution is expected to pass despite the

administration's objections. But opponents vow to weaken with amendments the original thrust of the resolution.

Sen. Christopher Dodd (D-Conn.) says he will ask for a closed session of the Senate on Tuesday to discuss what he says is illegal U.S. support for efforts to overthrow the leftist government of Nicaragua by force.

In the House, 64 Democrats and Republican Rep. Jim Leach of Iowa said Friday they want a chance to vote on the issue if it is true that the United States is providing aid for anti-government military operations.

Dodd and the House critics charge that U.S. aid violates a law passed by Congress.

Big Brothers-Big Sisters share time with children

"As I look back I know that my decision to become a Big Brother was the best decision I've ever made. I will never forget the times Bill and I had together and I would not trade them for anything in the world. I not only had a little brother, I had a great friend, too. I just hope I was able to help him as much as he helped me."—an Eastern graduate who participated in the Big Brothers-Big Sisters program.

Becky Lawson

Helping is what the Big Brothers-Big Sisters program is all about.

That help can be as simple as a teaching the forgotten art of weaving a string Cat's Cradle on stubborn fingers or throwing a split-finger fastball.

Toq Lawrence, executive director of Big Brothers-Big Sisters of Coles County, said the purpose of the program is "to provide adult friendship and guidance for children in single-parent homes."

Lawrence said about half of the 50 big brothers and sisters in Coles County are Eastern students.

The Eastern students' reasons for being involved with the program are varied.

Lawrence said that some students participate in the program because they want to prevent someone from going through the trying times that they went through when they were young.

Others, she said, participate in the program because they miss being around children or want to have some experience with children before becoming parents.

Big Sisters junior Lynn Genschaw and junior Annie Wittrock were both the youngest members of their family, and saw the program as a way to have the relationship with a little sister that they always dreamed of having.

Big Brother junior Jeff Mann said that he got involved in the program because he believed he had "something to share with somebody."

Lawrence said in some ways Eastern students relate much better to their little brothers and sisters than "grown-ups," because students have a better chance of remembering what childhood is like.

"College is when you do crazy things," Lawrence said. College students are less inhibited than adults and feel comfortable doing "kid-things," she added.

"The free things we take for granted little kids just love," she said.

The top of Stevenson Tower for instance "is the neatest thing that's ever been" for some of the kids, while others find eating in the residence hall "thrilling," Lawrence said.

For big brothers and little brothers and big sisters and little sisters, the simpler things in life count.

An Eastern student who requested anonymity said his little brother Bill helped him "realize that having a lot of money or being popular are not the most important things in life."

"The most important thing is to make good friends with some very special people, and Bill is very special to me," he said.

Mazuma's Rent-a-Record allows for album previews

Gene O'Shea

Have you ever bought an album because it contained a top ten hit to find out that the hit was the only good song on the album? The result is a bad album and the loss of about \$10.

A solution to this expensive problem is being offered by a local record dealer.

Mazuma Records, 1421 Fourth St., started a Rent-a-Record service about a month ago, Mazuma Manager Mike Wall said.

"Prices are getting too high for albums," Wall said, "people don't want to buy an album and find out it's dog."

"No one wants to get stiffed for 10 bucks," he added.

"By renting an album people can decide if they want to buy it. I've had several people tell me some albums are dogs," he said.

A new single album can be rented for a \$10 deposit and \$2-a-day rental charge. A new double album has a rental charge of \$4 a day and a \$16 deposit. If a renter wants to buy the album, the rental charge is applied toward the purchase price of the album.

Wall said 30 to 50 percent of those renting records from Mazuma buy the album.

However, the record industry recently protested rent-a-record operations in Congress. Complaining about low sales, they have asked for taxes to be levied on blank cassette tapes. The industry claims records are being taped and not purchased.

"I can see where the artists don't like it but that's the companies' fault,"

Wall said.

"They (the record companies) need to lower their prices," he added.

"Obviously a lot of people do tape the records, but that's their own business," Wall said.

Mazuma will rent any album in the store with the exception of sound tracks and rare albums that cannot be replaced, he said.

Apathy disappears on Lobby Day

Editorial

The shroud of apathy that has enveloped Eastern's campus is gradually lifting thanks to the interest and concern of the many students who traveled to Springfield to protest proposed tuition hikes.

Students who took time out from their busy schedules to lobby for higher education in Springfield last Wednesday should be commended for their representation of student support for Gov. Thompson's tax plan and their show of opposition toward a proposed \$500 tuition increase.

Approximately 150 students, including 60 from Eastern, gathered at the Illinois Student Association's "Caucus at the Capitol" to meet with legislators and voice student opposition to proposed tuition hikes.

These students showed legislators, who believed higher education budgets could be slashed without student outcry, that students do care and will take action.

Thanks to the hard work of the caucus organizers on this campus, Eastern was the most well represented school at Lobby Day and our congratulations go out to all Eastern's student leaders who have recently, and throughout the semester, worked to voice student concerns on matters such as tuition increases and academic policies both on campus and in Springfield.

Some Eastern students who have been particularly active in voicing student concerns are Terry Teele, Phil Montgomery and Brian Nordin.

Student Body President Terry Teele played an

instrumental role in the senate's decision to rejoin the Illinois Student Association and the ISA proved its worth and effectiveness on Lobby Day.

Teele also represented student concerns before the Higher Education Board at the Illinois Higher Education council.

Board of Governors representative elect Philip Montgomery has also shown a strong concern in student affairs. Montgomery, as president of the Student Senate Legislative Committee, was a key supporter of the recent petition drive against proposed tuition hikes.

Brian Nordin, executive vice president of the Illinois College Democrats, has recently initiated a statewide petition drive and rally protesting tuition hikes which will take place April 28.

All of the above endeavors to increase student concern and legislator awareness of the problems of higher education are admirable. Yet, we must remember that the fight against tuition hikes is not over.

Although protest demonstrations such as the "Caucus at the Capitol" are one step in the right direction, students must not let the fight stop there.

Students should continue to organize petition drives, lobby days and letter-writing campaigns to pressure legislators into remembering student needs when it comes time to vote on higher education issues.

Higher education quality depends on tax increase

Advocating a tax increase is nowhere near as difficult as paying one. The current state fiscal quagmire, however, demands that both be done.

Nothing is certain in life except death and taxes, it is written, and no one likes either. But if taxes are not raised in Illinois, it just may be the death knell for state government services as we know them.

The tax proposal, introduced by Senate Republican Leader James Philip in the senate last week, will raise some \$1.6 billion for the state.

It is a temporary, four-year measure and affects everyone from big business to blue collar. Some "highlights" include:

- Raising the individual income tax from 2.5 percent to 5.6 percent.
- Increasing the corporate income tax from 4 percent to 5.6 percent.
- Increasing alcohol taxes by 67 percent.
- Increasing the motor fuel tax in 1984 to 11 cents per gallon and an indexed increase according to the price of gasoline in the remaining three years.
- Increasing license plate fees for small cars to \$36 from \$18 and then again in 1985 to \$48. Fees for large cars would jump from \$30 to \$48 this year.
- Increasing the diesel fuel tax by 2.5 cents in addition to the 11 cents proposed increase on motor fuel taxes.

What would it mean for Illinoisans? A much needed influx of dollars, though citizens should not believe that things will be as they once were. Only \$477 million of that \$1.6 billion will be available for boosting spending above current levels and the fight for that money by the various state agencies promises to be fierce.

Closer to home, only \$102 million of the new revenue is earmarked for higher education, which would not even match the higher education cuts made by Gov. James Thompson earlier this year under the Emergency Budget Act.

This, however, is nothing new. Higher education's share of tax dollars have gone from 16 percent of the appropriated dollars in 1969-70 to less than 12 percent for 1982-83. At the same time, enrollment at state colleges and universities has increased by 35 percent. Tuition, too, has increased 88 percent between 1974-83.

Still, we support the tax increase. If it is not passed, higher education stands to lose \$100 million in funding.

How attractive will Illinois be with sub-par public services, sub-par transportation and sub-par education? It is a very real possibility that many Illinois students who can afford a college education will decide to find it in another state. And who's to say once they leave they will ever return?

Tax increases are distasteful at best and a severe hardship at worst. But the times demand it.

—The Daily Egyptian is SIU-Carbondale's student newspaper.

Your turn

Nuke buildup a waste

Editor:

This is a response to Tim Ulmer's letter which appeared in *The Daily Eastern News* April 20; for it is probable that many readers share his feelings.

We do well to note Russia's territorial expansion into Afghanistan and other parts of the world, using poison gas against a people who cannot retaliate in kind. The impulse to protect Western political freedom from a police state is a worthy one and for most of our history freedom could be said to be worth any price.

However, one day, a mushroom cloud appeared on the horizon. Albert Einstein aptly observed, "Everything is changed except our thinking." A visiting lecturer commented that with nuclear war you can no longer have a just war, you have just (merely) war.

The age of nuclear weapons has blossomed nearly to its fullest and with it the risk of making all life on earth extinct. This point is perhaps debatable, but it should for that reason alone be treated as if it were true.

More than a year ago, people began to react to their awareness of just such a danger. People looked seriously at the immanent future. It was also then that the freeze was promoted as the solution to the nuclear dilemma. Our political leaders have been trying, for more than a year now, to deal with the question. Some promoted the freeze.

One unfortunate development has been the general impression that the freeze is the only game in town. It is not. For the past year, *The New Republic* magazine has explored the overall issue and has endorsed the Gore proposal, named for Congressman Gore, a Democrat from Tennessee. The heart of his proposal is to

"unMIRV" both Russian and American ICBMs and thereby deny to both the so-called "first strike capability."

Early this year Senate Resolution 57 was introduced and referred to as the mutual guaranteed builddown. Under it, two old warheads would be dismantled for every new one deployed.

We should ask if our acts make the world safer, not more dangerous. Do our decisions provide further incentive for more disarmament? We should consider our NATO commitments.

So, Tim, there really is not a simple choice between peace with tyranny and war as a pointless attempt to preserve freedom. There can be both freedom and peace; but it will require careful thought and determined bargaining.

Leonidas H. Miller

Vehicle copies available

The distribution of the *Vehicle*, Eastern's literary magazine, will begin Monday.
Vehicle editor John Stockman said 300 copies will be available at four tables in Coleman Hall. Copies of the *Vehicle* may be picked up while supplies last.
 Only 1,800 copies of the *Vehicle* were printed because the budget was

low, Stockman said.
 "A mix-up" which caused a poem to be credited to the wrong person, Stockman said. An untitled poem on page nine of the *Vehicle* was written by Kerri Mahat, but credited to Anne Smith.
 "We are sorry that it happened but there is no way to correct it now," he added.

Staff wins CNBAM awards

Jan Genis
 The *Daily Eastern News'* advertising, marketing and management staff received three honors at the College Newspaper Business Advertising Managers convention, which was conducted April 16 in Chicago, a management spokesman said Tuesday.
 Bob McElwee, *News* business manager, said the business department won an honorable mention for best trend setter, which is an award recognizing the business and advertising operation that shows the most innovation and improvement.
 He added that this was the first time CNBAM awarded an honorable mention award.
 Usually two categories, one for large schools and one for smaller ones, each have only one winner.
 However, along with the trend setter award for the large school category, which was awarded to the University of California at Los Angeles, the judge decided to recognize Eastern with an honorable mention award, McElwee said.
 "The trend setter is the organization's (CNBAM) most prestigious award," McElwee added.
 In addition to the trend setter award, McElwee said Eastern received second place honors in the house ad design

category for an ad which was designed by senior Kim Morris of the marketing department.
 In addition, McElwee was elected vice president of public relations for CNBAM at the convention.

Black reporter to give speech

The reporter who exclusively covered the Chicago mayoral race for the *Chicago Sun-Times* will speak at a brown bag seminar Monday.
 Lillian Williams, a black political reporter, will be visiting Eastern's journalism department as part of a minority professional on-campus program sponsored by the American Society of Newspaper Editors, journalism instructor James Saunders said.
 Williams will speak to journalism classes Monday before and after the seminar, Saunders said. He added that she will focus on her experiences during the Chicago mayoral race between democrat Harold Washington and republican Bernard Epton.

The brown bag seminar is scheduled for noon Monday in the Union Bookstore Lounge.

PRECIOUS GIFTS REQUIRE PROPER CARE...

that which is important to us must never be neglected, abused or taken for granted. Vision is perhaps the most valuable of all the senses, yet when was the last time you and your family properly cared for this precious gift?

Phi Omega will meet Monday, April 25 for lessons at 7:00 p.m. and a dance at 8:00 in the Buzzard Gymnasium.

Alpha Phi Omega will meet Monday, April 25 at 6:00 p.m. in the Union Arcola-Tuscola Room. Next year's officers will be elected. Also a paper drive will be sponsored Monday, Tuesday and Wednesday, April 25, 26 and 27 from 9:00 a.m. to 6:00 p.m. All papers should be bundled or boxed and brought to the trailer stationed outside the union. Flattened aluminum cans will also be collected.

Public Administration Association and Political Science Department and Journalism Department will sponsor a brown bag seminar Monday, April 25 at noon in the Union Bookstore Lounge. Lillian Williams of the Chicago Sun Times will present the topic "Chicago's First Black Mayor: Problems and Promises." The public is invited.

Home Economics Family Services will sponsor a trip to Arthur for an Amish meal Tuesday, April 26. Cost is \$3.25 for members and \$6.50 for guests. Those who wish to participate should sign up on the bulletin board and meet at 5:10 Tuesday in front of the home economics office.

Campus Clips are published daily, free of charge, as a public service to the campus. Clips should be submitted to *The Daily Eastern News* office two business days before date to be published (or date of event). Information should include event, name of sponsoring organization (spelled out — no Greek letter abbreviations), date, time and place of event, plus any other pertinent information. Name and phone number of submitter must be included. Clips containing conflicting or confusing information will not be run if submitter cannot be contacted. Clips will be edited for space available. Clips submitted after 9:00 a.m. of deadline day cannot be guaranteed publication. Clips will be run one day only for any event. No clips will be taken by phone.

Netters dominate quadrangular

by Scott Mountford

Eastern's men's tennis team won 25 out of the 27 matches played this weekend to sweep a quadrangular from Sangamon State, Principia College and the College of St. Francis.

The Panthers downed Sangamon State 7-2 Friday afternoon, and claimed 18 straight matches Saturday to shut out Principia College and the College of St. Francis.

"It was really great to have such a good performance for our parents weekend," Eastern head coach Carl Sexton said. "It's not to often that a tennis team wins 18 of 18 games played in one afternoon."

The Panthers, 17-5, defeated Sangamon State without the help of top singles player Jay Johnson.

However, Prairie Stars all-american McGlaughlin defeated Johnson 7-6, 6-6, 6-7, in the weekend's two and a half hour-long featured match.

"This was the best match we've had

on our courts all season," Sexton said. "Jay really put up a good fight, but it just slipped away from him in the final set."

Panthers Jon Tuft and Mark Munie recorded Eastern's second loss by falling to McGlaughlin and Ernie Filler in doubles play.

Rob Hopkins, Bruce Perrin, Dan Patrick, Steve Allbright and the doubles team of Mark Emola and Scott Fjelstad rounded out Eastern's winners. Two games were forfeited to the Panthers, because of an injury to a Sangamon player.

Eastern had little trouble increasing its winning streak to three matches Saturday when the Panthers dominated Principia and the College of St. Francis by 9-0 scores.

"There were a lot of three-set matches, but we outplayed them," Sexton said. "I was especially pleased with the way Jon Tuft and Bruce Perrin played."

Tuft defeated Principia's John Gray 7-5, 2-6, 7-5. Perrin beat Austin Hummel 6-3 and 6-2 after dropping the first set 6-7.

In addition, Johnson, Hopkins, Fjelstad, and Munie picked up singles victories. The doubles teams of Hopkins and Johnson, Perrin and Fjelstad, and Munie and Tuft also won.

Eastern extended only one match to three sets against St. Francis Saturday afternoon as Mark Emola won 4-6, 6-2, 6-1.

Perrin defeated Bob Stellar, while Johnson, Hopkins, Tuft, and Munie rounded out Eastern's singles victories.

"It was good to see Perrin come back and beat Stellar the way he did," Sexton said. "It's great when a player is able to do that."

The Panthers finished the meet with doubles wins from Johnson and Hopkins, Fjelstad and Perrin, and Allbright and Patrick.

Panthers from page 12

Wright. Wright later scored on Stan Scott's single.

In the fourth inning, errors by Eastern's Seitzer and Jones gave the Leathernecks a 9-8 advantage.

The Panthers stormed back with two runs in the fifth inning to regain a lead they never lost. Catcher Jeff Yocum and French singled and later scored on two errors Jeffers in left field.

Eastern notched its final run of the game in the sixth as second baseman Neal Bertram singled home Harper who had doubled.

Sam Light picked up his first collegiate victory, while Marshall Crutcher recorded his first save of the season.

Freshman Kevin Smith, 2-0, turned in a top-notch pitching performance in Sunday's nightcap as the Panthers posted a 6-3 win.

"Smith did an outstanding job for us," McDevitt said.

Western jumped in front 1-0 in the first inning as Roscetti singled and scored on a double by Scott.

Eastern took a 3-1 in their half of the first on a run-scoring-single by Seitzer and a two-run single by Bertram.

The Panthers boosted the score to 4-1 in the second inning, when Jones smashed his second home run of the afternoon.

Western cut the lead to 4-2, when Jeffers reached on an error and advanced to third on a single by Wright. Jeffers later scored when Smith uncorked a wild pitch.

Panther notes... Second baseman **Steve Hall** was sidelined this weekend with an intestinal virus and is questionable for Tuesday's home contest with University of Illinois. Senior pitcher **Marshall Crutcher** batted for the first time in his four year career in Saturday's 26-5 trouncing. He flied out to center field.

Stephens places first, leads tracksters

by Jeff Long

WEST LAFAYETTE, Ind.—Eastern's women's track team recorded the first-place finish and four second-place efforts Saturday to finish respectively at the 12-team non-scoring Purdue Relays.

Sprinter Gail Stephens tallied Eastern's lone first-place effort by winning the 400-meter dash with a time of 1:17.3.

"Gail had an outstanding meet," Eastern head coach John Craft said. "I was pleased to see her run so well."

Eastern's distance medley team of Anne Ogle, Gina Sperry, Margaret

Smith and Stephens registered one of the Panther's four second-place finishes.

In addition, Barbara Hudson, Charma Carrethers, Renee Johnson, and Stephens captured second in the 1600-meter relay with a time of 3:46.5.

"It was a really good meet for us," Craft said. "That was an excellent time for our 400-meter relay team."

Individually, Barbro Hines and Smith rounded out Eastern's top efforts Saturday with second-place finishes in the high jump with a 5-foot-six jump and in the 800-meter dash

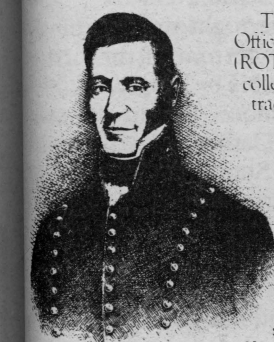

with a time of 2:14.08, respectively.

Eastern also registered a third-place finish in the 800-meter relay. Sonya Brown, Johnson, Hudson and Carrethers compiled a 1:40.59 clocking.

Carrethers also placed fifth in the 100-meter dash, 12:09, and sixth in the 200-meter dash, 24.92. Sperry rounded out Eastern's finishers with a sixth-place effort in the 5000-meter run.

"The purpose of this meet was to provide competition," Craft said. "It gave us an opportunity to take a look at our team and prepare for the Drake Relays."

ONE OF THE OLDEST WAYS TO BECOME AN ARMY OFFICER IS STILL ONE OF THE BEST.

The Army Reserve Officers' Training Corps (ROTC) is more than a college program. It's a tradition.

For 163 years, ROTC has been training people to do a job that's also a tradition. The job of an Army officer.

In 1819, Captain Alden Partridge, a former superintendent at West Point, started

what we know today as Army ROTC. He felt our country needed more "citizen soldiers." So he established the first private school to offer military instruction.

It didn't take long for his idea to spread. By the turn of the century, 105 colleges and universities across the country were offering military instruction on their campuses.

Today, with Army ROTC available at over 1,400 colleges and universities, the program is stronger than ever.

And last year alone, over 70,000 students participated.

Some were interested in the leadership and management training. Others enrolled on full-tuition scholarships. And the financial assistance—up to \$1,000 a year during the last two years of ROTC—attracted still others.

But all of them had one thing in common: the desire to begin their future as Army officers.

Why don't you do the same? You'll graduate to a position of real responsibility. Exercise leadership and management skills. Build a secure future for yourself. And enjoy the travel, adventure and prestige of being a second lieutenant in today's Army.

Army ROTC. It's as much of a tradition as the job it trains you for. Find out how to enroll today.

For more information, contact the Army ROTC Professor of Military Science on your campus.

ARMY ROTC. BE ALL YOU CAN BE.

E.I.U. ROTC WEEK

Panthers trounce Western, win big

by Mike Lynch

Eastern's baseball team displayed an impressive hitting attack this weekend in posting three wins over intrastate rival Western Illinois in a four-game series at Monier Field.

The Panthers, who swept a double-header from the visiting Leathernecks Sunday by scores of 11-9 and 6-3, bombarded the Western pitching staff for 65 hits during the series.

Eastern dropped Saturday's opener 7-4 before claiming the nightcap 26-5.

"The conditions we played under this weekend had a lot to do with our hitting," Eastern head coach Tom McDevitt said.

"The field is tremendously hard from lack of care," McDevitt said, adding, "with the wind blowing out, pop ups were going for homeruns."

The Panthers, 15-9, fell behind early in Sunday's opener as Western, 13-7, scored three first-inning runs off Eastern starting pitcher Mike Steinkamp.

Eastern later rallied back in the bottom of the first inning to lead 8-3. Base hits by shortstop Brian Jones, first baseman Bob Schlechte, third baseman Kevin Seitzer and center fielder Troy Harper led to Eastern's first run.

Western shortstop Nelson Cuevas' error with the bases loaded knotted the score at 3-3 as Schlechte and Seitzer scored. The Panthers added their fourth run when right fielder Steve French walked with the bases loaded.

Jones capped the eight-run first inning when he followed French with a grand slam home run off Leatherneck starting and losing pitcher Mark Myers.

Western closed the margin to 8-6 in the second inning on Bill Wright's three-run home run. Left fielder Steve Jeffers singled and Mike Roscetti reached on an infield error before the home run.

However, Western continued to trim the Panthers' lead, and eventually tied the score at 8-8 in the third inning. Jeffers doubled and scored on a double by

(See PANTHERS, page 11)

Warneke paces tracksters to second runner-up finish

by John Humenik

MACOMB—Distance runner Tim Warneke scored 24 points Saturday to pace Eastern to a second-place finish at the six-team Association of Mid-Continent Universities track meet.

Warneke, who won the 3,000-meter steeple chase, 9:05.2, and placed in two other events, led the Panthers to their second straight conference runner-up finish.

The Panther senior also placed second in the 10,000-meter run, 30:18.5, and third in the 5,000-meter run with a 14:30.9 clocking.

However, Warneke's efforts combined with three other Eastern championship performances were not enough to turn back defending champion the University of Northern Iowa.

The Panthers, who scored 153 points, failed to score in six events and fell to Northern Iowa, 222 points, for the second consecutive year.

"The final score doesn't really reflect how close the meet was," Eastern head coach Neil Moore said. "When we didn't score in the six events, that really hurt us and we came up short."

Eastern and Northern Iowa battled throughout the three-day competition and eventually moved ahead of Southwest Missouri State which finished third with 96 points.

Western Illinois finished fourth with 95 points, Cleveland State registered 48 points, and the University of Illinois-Chicago rounded out the field with 36 points.

"This was the finest conference team I have ever had," Moore said. "Out of the 28 people we

entered in the meet, all but three failed to score."

The Panthers recorded 42 points in the field events, 41 points in the distance races and concluded their scoring with 31 markers in the two hurdle races.

Distance runner John Gassmann, who tallied 18 points, was Eastern's second highest finisher.

Gassmann won the 5,000-meter run, 14:26.5, and finished second to Warneke in the 3,000-meter steeple chase with a 9:9.5 clocking.

Sprint standout Cornell Wilson followed with 17 points by placing in four events, and Larry Thoennissen recorded Eastern's fourth title effort in the hammer throw.

Wilson won the 110-meter high hurdles, 14.3, placed fourth in the 400-meter hurdles, 56.3, sixth in the long jump, 21 feet, and ran on Eastern's fourth-place 100-meter relay.

Thoennissen, who established an Eastern freshman record in the hammer throw, 159-foot 8½, also finished sixth in the discus with a 143-foot-8 toss.

Eastern also recorded two additional second-place finishes by Craig DeWall in the 400-meter hurdles, 54.4, and Austin Luckett in the javelin with a 171-foot-8 throw.

In addition, Eastern notched five third-place finishes. Tom Lindsey placed third in the decathlon, Roxy Wood in the pole vault, Mike Weber in the high hurdles, Bob Mazanke in the discus, and Joel McKinney in the 3000-meter steeple chase.

Extend win streak

Softballers defeat Blue Demons

by Kathy Leahy

Eastern's softball team used 24 hits Sunday to sweep a double-header from DePaul University and extend its winning streak to four games.

The Panthers, who committed eight errors, rallied from a 4-2 deficit to edge the Blue Demons 6-5 in the first game. However, Eastern had a little trouble defensively in downing DePaul 6-2 in the nightcap.

"We played a good game offensively," Eastern head coach Deanna D'Abbraccio said. "I'm not happy with our defense. We're still making too many errors."

Trailing 4-2 in the opener, Eastern used four sixth inning hits, including a two-run single by Nancy Kassebaum, to register a 6-4 lead it never lost.

Mary Tiegs singled, stole second, and went to third base when Kathy Trnka reached base on an infield error. Tiegs eventually scored on Tammi Rettig's single to right field.

Trnka later tied the game, when pitcher Donna Ridgway reached base on an error. Rettig moved to second base, but was forced out at third by Janet Blacker's fielders choice.

Ridgway was forced out at third when Fran Stalter reached base on a fielder's choice. Kelly Waldrup's infield hit loaded the bases for Kassebaum.

Kassebaum responded with a two-run single to left field which scored Blacker and Stalter. But Waldrup ended the inning by attempting to score from first base.

However, it was DePaul who scored first, taking a 1-0 advantage on a home run over the left field fence by center fielder Kathy Keen.

Eastern rallied back to knot the score at 1-1 in the third, when Kassebaum tripled and eventually crossed the plate on a Jan Wamser single.

The Blue Demons took a 2-1 edge in the fourth frame on two errors and a passed ball, but the Panthers tied it up again in the bottom of the fourth when a Ridgway single scored Trnka from third.

DePaul added two more unearned runs on two

Panther errors in the top of the sixth inning, to give the Blue Demons a 4-2 edge.

After Eastern rallied back, Ridgway yielded a lone run in the seventh inning to round out the scoring. Ridgway, 6-3, earned the victory, while Lisa Cowins took the loss for the Blue Demons.

Eastern's Kathy Richards pitched a seven-hitter in the nightcap, striking out eight DePaul batters to notch her eighth win of the season.

Eastern never trailed in the nightcap, jumping out to a 1-0 advantage in the bottom of the first, on a single by Rettig and a double by Tiegs.

The Panthers added two more runs in the second frame, when singles by Cathy Davidson and Kassebaum scored Trnka and Stalter.

Eastern rounded out its scoring with a three-run fourth inning on singles by Cizek, Stalter, Kassebaum and Tiegs.

DePaul rallied for two runs in the sixth inning, on a pair of singles and a double, but could not surpass the Panthers lead.

Softball Notes... Eastern's winning streak increased to two games Friday, when the Panthers defeated Indiana State University-Evansville 10-0 in five innings...In addition, the Panthers downed Lincoln College 5-1 in an exhibition game.
