POLICIES:

Written Assignments: This is a writing course. For that reason, you must complete ALL written assignments listed below in order to pass; even if you could mathematically get a passing grade without turning in a shorter assignment, you must turn it in or you will not pass. For each major writing assignment, you will receive a formal assignment sheet; we will discuss these assignments in-depth in class before they are due so you will always know what is expected of you.

Attendance: Your consistent attendance and participation are necessary to make this class the vibrant exchange of ideas it should be and I take attendance every day (even if you do not see me doing it). You are permitted no more than three unexcused absences. Each unexcused absence after three will lower your final grade by thirty points (3%). Excused absences are accompanied by appropriate legal or medical documentation.

Office Hours: I will require you to come to see me in my office twice during the semester (see syllabus), but I encourage you to come see me whenever you like. Come to ask questions, discuss problems or just to chat. The hours listed above are times when I will definitely be in my office ready to meet with students but I am available at other times as well, so you can also make a special appointment to see me if you are unable to come during office hours.

Electronic Writing Portfolio: Your final research essay is ideal for the EWP; the other assignments for this course are not sufficient. If you wish to include your research essay in your EWP, remember that you MUST turn it in by the end of the semester. See me if you would like some help in doing this.

Academic Integrity: Students are expected to maintain principles of academic integrity and conduct as defined in EIU’s Code of Conduct (http://www.eiu.edu/judicial/studentconductcode.php). Violations will be reported to the Office of Student Standards.

Plagiarism: Plagiarism is defined as appropriating words or ideas that are not your own without giving proper credit. The temptation to plagiarize can be great, particularly in the advent of extensive computer technology and the collaborative nature of our class. However, the consequences of plagiarism are dire and can result in a grade of F for the assignment and even for the course. It will also result in a report to the Judicial Affairs Office.

COURSE CATALOG DESCRIPTION: College Composition I focuses on informative, analytical, evaluative, and persuasive writing and introduces students to college-level research. Students will develop sound writing processes, produce cogent writing, strengthen analytical reading skills, and work with sources. C1 900R WC
