2. January 21, 2010 College of Arts and Humanities Curriculum Committee minutes.
3. January 25, 2010 College of Education and Professional Studies Curriculum Committee minutes.

b. Approved Executive Actions

1. January 20, 2010 memorandum from Dean Diane Jackman, College of Education and Professional Studies, requesting: **Deletions for the following courses effective Fall 2010:**

Requested Change: to delete KSS 5220, KSS 5230, and KSS 5700.

Rationale for the changes:

KSS 5220 – Similar material is covered in KSS 5450 and KSS 5655.

KSS 5230 – The content covered in KSS 5230 will be covered between the new KSS 5260, KSS 5270, and KSS 5280 classes which will allow for a greater depth and breadth of exercise physiology content in the KSS graduate program.

KSS 5700 – Originally KSS 5700 was developed as a laboratory class for KSS 5230. Some of the material covered in KSS 5700 is currently covered in KSS 4440 and KSS 4450. With the advancement in exercise science laboratory equipment, less time is needed to conduct exercise tests and measurements. Therefore, an entire class such as KSS 5700 is not needed to cover current testing procedures which will now be distributed among KSS 5260, KSS 5270, and KSS 5280.
