## FOR IMMEDIATE RELEASE

CHARLESTON, IL--President Stanley G. Rives today termed Eastern Illinois University's spring semester enrollment "a sign of stability because it represents what we have come to expect from a quality student body in terms of retention."

The official figure of 9,395 is 93.6 percent of the fall semester enrollment of 10,028. The equivalent percentage for the past several years has been approximately 94.

Women outnumber men 5,015 to 4,380 in the spring enrollment. Of the total, 8,591 students are undergraduates and 804 are enrolled in graduate school.

The 1983 spring semester enrollment was 9,404. This spring's figures show an increase in full-time students and a decrease in part-time students compared with a year ago.
