For Immediate Release:

EIU FACULTY MEMBERS RECEIVE RESEARCH GRANTS FROM IDNR

CHARLESTON – Two Eastern Illinois University faculty members have received grants from the Illinois Department of Natural Resources' Illinois Wildlife Preservation Fund.

Scott Meiners received \$962.50 through the small-project program for expenses related to his research project, "Can Supplemental Pollination Increase Reproduction in Isolated Plant Populations?"

Gordon Tucker received \$3,877 through the large-project program to help fund his research on "Botanical Inventory of Prairie Ridge State Natural Area."

Both men are faculty members in the biological sciences department at EIU.
