CITY SCHOOLS TO OPEN AUGUST 31

— 1942

War Has Taken Three Teachers From Faculty

The Newton public school will open for the 1942-43 term on Monday, August 31, according to an announcement made today by C. E. Girhard, principal.

All teachers for the term have been employed, the building has been put in readiness and a very successful school year is predicted.

Mr. Girhard, a member of last year's faculty, was given the position of principal when Tony Reed resigned to take up work in a St. Louis airplane factory. Reed had been employed as principal this year after filling out the unexpired term of Harold Leffler who resigned as principal a month before the close of last term to enlist in the United States Army.

Elmer Dalton will teach the eighth grade this year; Mrs. Inez Ward, seventh; Miss Norma Ives, sixth; Miss Isabelle Kasserma, fifth; Miss Sibyl Kennett, fourth; Mrs. John Ross, third; Maude Hiles, second, and Fern Reed first grade.

Misses Girhard, Engleman and Isenburg, who were on the staff last year were not applicants for positions this year.

The war has brought about the loss of three men teachers, including Mr. Leffler and George McColley, who are in service, and Reed, who is working in the blueprint department of the airplane plant.
