Internal Budget

The Internal Budget provides a view of resource allocation that embodies the mission and priorities of the University.

The Internal Budget document provides actual expenditures from the previous fiscal year and beginning budgets for the current year for all ledger one appropriated, ledger three revenue bond and ledger two local/auxiliary organizations. Organization data is grouped by Vice Presidential areas.

Copies of the Internal Budget are available in the reference room of Booth Library. If you have questions about information found in the Internal Budgets, please contact the Budget Office at 581-3428.
