PLAGIARISM

“Any teacher who discovers an act of plagiarism—the appropriation or imitation of the language, ideas, and / or thoughts of another author, and representation of them as one’s original work’ has the right and the responsibility to impose upon the guilty student an appropriate penalty, up to and including the immediate assignment grade of “F” and a grade of “F” for the course, and to report the incident to Student Affairs.” A very serious offense, it can, and has resulted in expulsion from the university. This class is about learning the necessary skills for all classes to come, don’t cheat yourself.
