FOR IMMEDIATE RELEASE

CHARLESTON, IL --The results of Eastern Illinois University's community-arts program designed to link area industry and the arts are featured in the fall issue of The Donnelley Printer, a quarterly publication of R. R. Donnelley & Sons Company. The magazine goes to employees in all the company's divisions across the United States.

The vehicle for the linkage was a series of color slides and photos by photographer Reinhold Marxhausen who used his camera to record his perceptions of the Mattoon Division plant, Illinois Consolidated Telephone Company and Industrial Roofing.

Marxhausen's work taken in the Donnelley plant are featured in color on both the front and back covers of the publication. Five pages of text and photos are included in an inside section.

"The Industry and the Arts" exhibit was sponsored by the Tarble Arts Center at Eastern.
