Mary Greenlaw called the meeting to order.

The minutes from the December 8, 1997, meeting were approved.

Carol Helwig presented the proposals for changes involving Early Childhood and Elementary Education (General and Middle Options) majors. Proposal #1 concerns changing the Music requirement from the specific course MUS 1421, Fundamentals of Music, to a Music elective. A footnote will also be added stating that the student must take either an Art or Music course from the Fine Arts Component of the Integrated Core. Following discussion, this proposal was approved.

Proposal #2 concerns deleting the catalog statement regarding the Mathematics requirement for Early Childhood and Elementary Education (General and Middle Options) majors. Following discussion, this proposal was referred back to the department pending further clarification of the actual statement that needs to be included in the catalog.

Mary Greenlaw presented the Cost Provision Form to the committee. This form must accompany new/revised course proposals that are forwarded by the Curriculum Committee to any of the University curriculum councils.

Mary Greenlaw informed committee members that when submitting new/revised course proposals, 17 copies must be provided for the Curriculum Committee. Furthermore, if the proposal must be forwarded to any of the University curriculum councils, an additional 20 copies must be provided. All of these copies are the responsibility of the department initiating the proposal. Concerns were raised regarding the limited funds available for copying. Following discussion, the following resolution was passed.

Once a proposal is approved by the Curriculum Committee and becomes a College of Education and Professional Studies document, the copying costs should come from the Dean's budget.

Mary Greenlaw will present this resolution to Dean Hitch.

The meeting was adjourned at 2:35 p.m.

Respectfully submitted,

Bonnie Wilson
