V. Executive Officer's Report**1. Discussion of Integrative Learning**

At the September 23, 2010 CAA meeting Provost Lord spoke about integrative learning. Today he summarized what he had presented at that meeting and invited the council to:

- provide feedback regarding the draft document he created titled "Integrative Learning at EIU: Our Discussion Thus Far" before he shared it with other groups on campus*
- possibly consider, and in turn, invite comments from college curriculum committees on whether to integrate integrative learning into the course proposal form and program revisions*
- possibly consider whether or not to institute a university-wide learning objective regarding integrative learning*

Council members shared comments and suggestions in regards to the items listed above. The council may possibly revisit the matter at a future meeting to work up and/or comment on possible proposals.

VI. Committee Reports:

There were no committee reports.

Dr. White asked the council if anyone was willing to serve as CAA's liaison to Faculty Senate. Dr. Grant Sterling, who served as a liaison the past couple of years, indicated he would be willing to continue to serve as the liaison if no one else volunteered. There were no other volunteers, so Dr. Sterling will serve as the liaison for another academic year.
