ATTACHMENT A

University Approval to Take Teacher Education Courses

Approval to take courses does not of itself admit a student to a teacher education program. A student may not be considered for "University Approval to Take Teacher Education Courses" without being selected (see section on Selection Process above). The University Council on Teacher Education determines admission.

Applicants for University Approval to take Teacher Education Courses should be aware that Section 21-1 of the School Code of Illinois states in part, "No one shall be certified to teach or supervise at the public schools of the State of Illinois who is not of good character, good health and at least 19 years of age." In addition to the qualifications required for teacher certification by the State Code, the following are required by the Council on Teacher Education for University Approval to Take Teacher Education Courses:

1. Received official notification of selection (see Selection Process section above).
2. Submitted letter of intent to Office of the Dean, College of Education and Professional Studies.
3. Established and maintained an EIU cumulative undergraduate GPA of 2.65/4.0 (Post-baccalaureate students required to have GPA 2.65 undergraduate, and 3.0 for courses #4750 and above taken at EIU). Students selected under the selection process in place prior to Fall 2002 are required to establish and maintain an EIU cumulative undergraduate GPA of 2.5/4.0.
4. Completed Speech and Hearing Clearance. Student must schedule an appointment with the Speech, Language, and Hearing Clinic for this.
5. Documented "C" or better in ENG 1001G, ENG 1002G, and SPC 1310G or their equivalents.
6. Documented "C" or better in 3 s.h. of college level math.
7. Documented "C" or better in ELE/MLE 2000 or ELE 2321; SPE 3201 or SPE 3220; SED 2000 or ~~PED 1500~~ **PED 2000** or MUS 2440 or CDS 3700 or CTE 2000.
8. Completed the first required Criminal Background Investigation (CBI).
9. Documented successful completion of the Technology Proficiency.

When a student has met all of the above criteria, he/she will have earned "University Approval to Take Teacher Education Courses."
