Jesse White Bringing Office Services to EIU Once Again

Aug-17-2009

Secretary of State Jesse White reminds Eastern Illinois University students, faculty and staff that they may renew their driver's license or state ID, purchase their annual vehicle license plate sticker, register to be an organ and tissue donor or conduct other transactions with his office on the Charleston campus on the following dates: Sept. 15, Oct. 13, Nov. 17, Jan. 12, Feb. 16 and March 9.

White's office will provide certain driver and vehicle services on campus from 9:30 a.m. to 3 p.m. in the Bridge Lounge of the MLK Jr. Union. Acceptable forms of payment include personal checks, cash, MasterCard, American Express and Discover credit and debit cards.

"This is the third year of this partnership between the Secretary of State's Office and Eastern Illinois University," White said. "This is a great example of how my office can work with public and private institutions to make these transactions more convenient."

Secretary of State employees will be on hand to renew, replace or correct driver's licenses and state ID cards. Motorists wishing to renew their driver's license may do so up to one year in advance of their license's expiration date.

Customers may also purchase vehicle registration renewal stickers for license plates, as well as Eastern Illinois University collegiate license plates, passenger vehicle license plates, motorcycle license plates and B-Truck plates. Other services available include vehicle title registration and parking placards for persons with disabilities. A complete list of acceptable forms of identification is available at www.CyberDriveIllinois.com.
