and Stringfellow, a junior English major, also received "Best Attorney" awards. Allen is a senior political science major with a pre-legal studies minor and Humbard is a graduate assistant in Eastern's political science department.

"The mock trial competition provides students with a great opportunity to learn how a trial is conducted," according to Peter Leigh of Charleston, chair of pre-legal studies at Eastern and Mock Trial Team coach.

During its nine years of competition, the team has received numerous trophies and awards, including a first place "Best Team" award.
