3. Dean Hoadley, LCBAS, the following revised course prerequisites were approved by executive action on February 15, 2005 effective Fall 2005:

REVISION OF ACCOUNTING PREREQUISITE STATEMENTS: (Effective for juniors starting the accounting program Fall 2005)

ACC 4750 – ~~Students who plan to take the Uniform CPA Examination should take this course and ACC 4800.~~ Prerequisites: ACC 3250, ACC 3900, with the grade of C or better; **a minimum cumulative EIU GPA of 2.50 or higher;** admission to the Accounting Program, or permission of the Associate Chair.

ACC 4800 – Prerequisites: ACC 4400 with the grade of C or better; **a minimum cumulative EIU GPA of 2.50 or higher;** admission to the Accounting Program or permission of the Associate Chair. ~~Students who plan to take the Uniform CPA Examination should take this course.~~

4. Dean Hanner, COS, the following executive action was approved on February 11, 2005 effective Summer 2005:

BIO 5039 – Change course title from “Genetics and Evolution for Teachers” to “Genetics and Evolution for Natural Science Teachers” and change course offering from “2-3-3” to “2-1-3”.

Rationale: Name change makes course title congruent with similar course offerings in Biological Sciences for the M.S. Natural Sciences program. Change in format of Summer Term required reduction in laboratory hours to fit course into time modules. Makes lecture and laboratory hours congruent with other courses for M.S. Natural Sciences program in Chemistry, Geology & Geography, and Physics.

BIO 5049 & BIO 5051 – Change course offerings from “2-3-3” to “2-1-3”. Rationale: Change in format of Summer Term required reduction in laboratory hours to fit course into time modules. Makes lecture and laboratory hours congruent with other courses for M.S. Natural Sciences program in Chemistry, Geology & Geography, and Physics.

BIO 5052 – Change course offering from “Arr.-Arr.-1 to 3” to “2-1-3”. Rationale: Makes lecture and laboratory hours congruent with other courses for M.S. Natural Sciences Program in Chemistry, Geology & Geography, and Physics.

BIO 5041, BIO 5042, BIO 5043, BIO 5044, BIO 5045, BIO 5046, BIO 5047, BIO 5048, BIO 5104, SCI 5001 and SCI 5003 – Delete courses from the curriculum. Rationale: The BIO courses are left over from the old M.S. Ed. in Biological Sciences degree program, have not been taught recently, and are no longer relevant for the program. Since the M.S. Natural Sciences is being restructured, the SCI courses are no longer needed.

SCI 5007 – Change prerequisite from “SCI 5003, enrollment in the M.S. in Natural Sciences degree program and permission of the instructor and instructor’s department chair” to “Enrollment in the M.S. in Natural Sciences degree program and permission of the instructor and the instructor’s department chair.” Rationale: SCI 5003 is being deleted.

Note: Order of the agenda was changed to accommodate guests.
