FOR IMMEDIATE RELEASE:

LOCAL EIU STUDENT EARNS RESEARCH GRANT

CHARLESTON -- Valerie DeVillez, daughter of Jim and Sharon Hager of Tinley Park, and Randy and Susan DeVillez of Palos Park, has earned a \$1,500 undergraduate research grant from Eastern Illinois University to study the adolescent adjustment into blended families.

DeViliez, a junior psychology major, is a 1994 graduate of Tinley Park High School.

Eastern emphasizes distinguished teaching in the liberal arts, sciences and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 students in undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-credit and off-site degree programs, as well as cultural and recreational opportunities.

Eastern's pursuit of excellence attracts well-qualified students of an increasingly diverse population and a teaching faculty active in research and public service who utilize the latest technology.
