STUDENTS RECEIVE GRANT-IN-AID AWARDS

CHARLESTON -- Twenty-four students from across the state recently received a Grant-in-Aid award at Eastern Illinois University for Spring 1997.

The award is in the amount of \$147 and is given in recognition of the students' contributions to the university and their future potential as student leaders.

Eastern emphasizes distinguished teaching in the liberal arts, sciences and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 students in undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-credit and off-site degree programs, as well as cultural and recreational opportunities.

Eastern's pursuit of excellence attracts well-qualified students of an increasingly diverse population and a teaching faculty active in research and public service who utilize the latest technology.
