FOR IMMEDIATE RELEASE:

LOCAL EIU STUDENT EARNS RESEARCH GRANT

CHARLESTON -- Carey Netherton, son of Larry and Laura Netherton of Sullivan, has received an undergraduate research grant from the Eastern Illinois University undergraduate research committee.

Netherton, a senior art and philosophy major, is a 1992 graduate of Sullivan High School.

Eastern emphasizes distinguished teaching in the liberal arts, science and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-credit and off-site degree programs, as well as cultural and recreational opportunities.

Eastern's pursuit of excellence attracts well-qualified students of an increasingly diverse population and a teaching faculty active in research and public service who utilize the latest technology.
