FOR IMMEDIATE RELEASE

CHARLESTON, IL--Prehistoric Indians and archeology provide the theme for the spring exhibit at the Greenwood School Museum on the campus of Eastern Illinois University.

The exhibit, "Piece of the Puzzle: Indians, Archology and Coles County," will be open each Sunday from 1:30 to 3:30 p.m. through May 16.

The Coles County Historical Society owns an extensive collection of prehistoric Indian artifacts, many found in the immediate area.

The exhibit includes three sections: the archeologist at work in Illinois, aspects of everyday Indian life, and the chronological overview of the prehistoric era in east central Illinois.
