II. Admission to the CDS Major
Access to all upper division CDS courses (3000 or higher) requires admission to the CDS Major. The Department Admissions Committee reviews the applications of all probational CDS majors seeking admission to the major. The committee determines if the student's academic achievement supports admission to the major and access to upper division (3000 or higher) courses.

III. Criteria for Degree Admission

2. Classification as a probational CDS major.
3. Achievement of a cumulative GPA of 2.5 or higher for all EIU course work.
