CURRICULUM COMMITTEE MEETING
May 2, 2005**

The LCBAS Curriculum Committee held an electronic meeting May 2, 2005, to vote on the following proposal:

REVISION TO INT MAJOR

The motion to approve the proposed change in the INT Electives requirement in the INT major passed. As a result, INT majors will choose 9 hrs. from any INT courses, other than INT core, INT Senior Seminar courses, or INT General Ed courses. In addition, courses from outside the major or transfer courses that support technical management may be considered as INT electives, upon departmental approval. Courses will not double count for concentration and to meet INT elective hours.

NEXT MEETING

The next meeting of this committee will be on call by the Chair.
