EASTERN STUDENTS NAMED TO 1996-1997 WHO'S WHO

CHARLESTON -- Forty-three students from Eastern Illinois University received the 1996-1997 Who's Who Among Students in American Universities and Colleges Award for their outstanding campus leadership.

The Who's Who Awards serve to honor the individual and diverse talents of some of Eastern's most prominent students. These students, through their contributions and service to the campus community, have enhanced the positive image of Eastern.

This year's recipients were selected based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success. They join an elite group of students from more than 1,900 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations. Who's Who Among Students in American Universities and Colleges exists as one of the highly regarded and long-standing honor programs in the nation and has served higher education for 58 years.

Eastern emphasizes distinguished teaching in the liberal arts, sciences and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 students in undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-
