For Immediate Release:

PUZEY HONORED BY EIU CHEMISTRY DEPARTMENT

CHARLESTON – Whitney L. Puzey, daughter of Russ and Becky Puzey of Fairmount, recently received both the Murray and Sally Walters Memorial Scholarship and the Harris E. Phipps Chemistry Scholarship at Eastern Illinois University.

The Walters scholarship, established by Buell Walters in memory of his parents, is given to a full-time student majoring in physics, chemistry or biological sciences with teacher certification, and who has a cumulative grade point average of 3.0 (on a 4.0 scale).

The Phipps scholarship was established by Dr. and Mrs. Phipps to honor an outstanding junior in chemistry who displays exceptional qualities of scholarship and leadership, and who shows great promise of a distinguished career in the field of chemistry.

Puzey, a 2003 graduate of Jamaica High School in Sidell, is majoring in science with teacher certification and a chemistry specialization.
