FOR IMMEDIATE RELEASE

CHARLESTON, IL -- Dr. Michael B. Leyden, Department of Elementary and Junior High School Education, Eastern Illinois University, is co-author of a science methods textbook.

Published by Silver Burdett, "Teaching Science Grades 5 to 9" focuses on the latest research in brain functioning and learning theories. Leyden is co-author of three other texts and has written many articles for professional journals. He is currently completing "Physical Science," a book to be released in 1983.

Leyden received the Distinguished Faculty Award in 1980 and this past spring he received an outstanding merit award for teaching.

CHARLESTON, IL -- New concepts on family structures and therapy will be presented at Eastern Illinois University on Monday, Sept. 28 from 2 p.m. to 4:30 p.m. in the Charleston-Mattoon Room of the University Union.

The speaker will be Dr. Marilou Burnett, an associate professor in human development, counseling and sociology at Sangamon State University, Springfield. Her appearance will be part of an informal exchange program between Eastern and Sangamon State. Dr. Robert Saltmarsh and Dr. Melanie Rawlins of Eastern recently presented workshops at Sangamon State.

Dr. Burnett has presented family services seminars throughout the United States and in South America. The public is invited to attend.
