FOR IMMEDIATE RELEASE

CHARLESTON, IL--The Sigma Chi fraternity chapter at Eastern Illinois University has been awarded the Peterson Significant Chapter Award from its international fraternity for outstanding performance in all major fields of operation.

John Wangler, of Naperville, president of the local chapter, said the award is based on scholarship and leadership as well as campus, community, faculty and alumni relations.

The chapter received a plaque and the university received a scholarship donation from the Fraternity's Foundation, which sponsors the award, Wangler said.

Wangler said that winning the award gives the chapter international recognition and "is good for the morale of the house."

The award was presented to the chapter's delegates at the annual Leadership Training Workshop at Bowling Green State University, Ohio.

The Peterson Award is the highest honor a Sigma Chi chapter can achieve.
