FOR IMMEDIATE RELEASE:

LOGSDON RECIPIENT OF CHEMISTRY AWARD

CHARLESTON -- Brad Logsdon, son of Mary Logsdon of Shelbyville and the late Artie Logsdon, is the recipient of the American Institute of Chemists Student Award given by Eastern Illinois University's chemistry department.

The award is given to a senior chemistry student who has demonstrated leadership, ability, character, scholastic achievement and potential for advancement in the chemical profession.

A 1991 graduate of Shelbyville High School, Logsdon recently graduated from Eastern with a bachelor of science degree in chemistry.

Eastern, which is celebrating its 100th anniversary in 1994-95, is a comprehensive university with more than 10,500 students and 46 undergraduate and 27 graduate degree programs. It is a teaching institution which prides itself on the quality and affordability of its undergraduate program.
