FOR IMMEDIATE RELEASE

CHARLESTON, IL--President Stanley Rives and Dr. Charles Joley, Dean of the College of Education, will be the leadoff guests on the "EIU Connection," a series of programs produced by Eastern Illinois University's Radio and Television Center.

Each program will be aired five times (Monday through Friday) at 6:30 p.m. on Channel 12, Premium 1, beginning Jan. 14 and extending through the spring semester. Doug Bock, Chairman of the Speech-Communication Department, will host each segment.

"The programs will be of interest to the community as well as the campus," said John Beabout, Director of the Center. "For instance, Rives and Joley will discuss Board of Higher Education recommendations for college admission requirements. These requirements would have a bearing on high school courses."

The second program, scheduled to air the week beginning Jan. 21, will include a discussion on the effects of beer on college students. Participants will be Lou Hencken, Director of University Housing; and Dr. Claud Sanders, Counseling Center.

Dr. Thomas Woodall will talk about adult physical fitness on the third session (week of Jan. 28.)
