FOR IMMEDIATE RELEASE:

EASTERN TO HOST ACADEMIC CHALLENGE

CHARLESTON -- More than 50 Illinois high schools will send some of their brightest students to Eastern Illinois University for the regional level of the Illinois Academic Challenge competition to be held this Saturday.

Individual students and schools competing in this event qualified for the regional level of competition by placing either first or second at district competitions held in February.

The Academic Challenge is an academic tournament with competition for individuals and schools. Students demonstrate their abilities in two of the following areas: biology, chemistry, computer fundamentals, engineering graphics, English, mathematics and physics. The exams have been compared to the Advance Placement tests that qualify high school students for college credit, and were drawn up by college professors from various universities around the state.

After a brief general meeting conducted by Associate Dean Dave Ebdon from Eastern's College of Sciences, participants will begin testing at 9:20 a.m. Individual awards and team
