FOR IMMEDIATE RELEASE

CHARLESTON, IL--Alvin McMurray (Chicago-Dunbar), Eastern Illinois University's 6-2, 280 all-conference offensive guard, broke his ankle in spring football practice Tuesday.

"He broke the fibula and a pin was inserted . . . he'll probably be in a cast three to six weeks," said Dr. Jerry Heath, team physician.

"With surgery this shouldn't hinder him coming back in the fall, and could probably start working out on his own about six weeks after the cast is removed."

McMurray started every game on the right side the past two years earning second team all-Mid Continent honors as a sophomore and moving up to first team last fall.
