- A. Berklee Faculty Union of the American Federation of Teachers, Local 4412, AFT-MA, AFL-CIO shall hereinafter be referred to as the Union.
- B. Berklee College of Music shall hereinafter be referred to as the Employer or College.
- C. Position titles used herein are for identification purposes only.
- D. The term "Federation Representative" as used in this Agreement means an employee representative of the American Federation of Teachers Massachusetts authorized in writing by the President of the Union to assist the Union in the administration of this Agreement. Such written authorization will be provided to the Senior Vice President for Academic Affairs and can only be withdrawn in writing to the Senior Vice President for Academic Affairs.
- E. The faculty and the Union will be informed as to the term of the next academic year not later than May 10 of the current academic year. For example, the academic year 2014-2015 will be established and notification given not later than May 10, 2014. An academic year will be defined as a Fall Semester, beginning with the week before the start of classes for the Fall Semester and ending when the Fall Semester grades are due and the Spring Semester beginning with the week before the start of classes for the Spring Semester and ending when the Spring Semester grades are due. The Fall and Spring Semesters consist of no more than a total of fifteen (15) scheduled instructional weeks of classes.

ARTICLE III

UNION SECURITY AND DUES CHECKOFF

- A. Each present faculty member who is a member of the Union in good standing, and each present faculty member who thereafter voluntarily becomes a member will, as a condition of employment, remain a member of the Union for the duration of this Agreement.
- B. Each faculty member hired after the effective date of this Agreement, as a condition of employment, will become a member of the Union after thirty-one (31) days of employment and remain a member of the Union for the duration of this Agreement.

- C. The Employer agrees that it will deduct Union membership dues in an amount established by the Union and certified in writing by the Union's Treasurer to the Employer from the wages of each faculty member who executes a written authorization to make such deduction. Deductions will be made bi-weekly beginning with the first full pay period commencing at least fourteen (14) calendar days following receipt by the Employer of the dues deduction authorization. The Employer may include a dues deduction authorization form and a membership application form in the package of materials which it provides to new full-time and new part-time faculty at the time of hire.
- D. Dues deducted will be remitted to the Union Treasurer by the fifteenth (15th) of the following month. Accompanying each remittance shall be a list of the faculty members from whose wages deductions were made and the amounts deducted.
- E. Any authorization to withhold Union dues from the wages of an employee shall terminate and such withholding shall cease upon the happening of any of the following events:

 - 2. written notice by the employee to the Employer of cancellation of the dues authorization, or
 - 3. the expiration of this Agreement.
- F. The Employer shall be under no obligation to make any deductions for dues if any faculty member's wages within any pay period, after deductions for withholding tax, retirement, insurance and other mandatory deductions as required by law or authorized by the faculty member, is less than the amount of authorized dues deductions. In such event, it will be the responsibility of the Union to collect its dues for that month directly from the faculty member.
- G. The Union shall provide a legally sufficient and properly executed dues authorization form to the Office of Human Resources to authorize dues deductions.
- H. The Union will indemnify the Employer and hold it harmless against any and all suits, claims, demands and liabilities for damages or penalties that may arise out of any action that might be taken by the Employer for the purpose of complying with the foregoing provisions of this Article, or in reliance on the correctness of any list or authorization furnished by the Union to the Employer, provided that the Employer has given timely notification to the Union upon the filing of any such suits, claims, demands or actions. The Employer will notify and may call upon the Union to defend any suits, proceedings or actions arising out of the foregoing indemnity provisions of this Article. If called upon to do so, the Union will defend such suits, proceedings or actions without cost to the Employer and in the event the Union fails to defend such suits, proceedings or actions, the Employer may undertake such defense and all costs thereof, including legal fees, shall be paid by the Union.
- I. This Article applies to both full-time and part-time faculty as described at Article I.

ARTICLE IV

DURATION OF CONTRACT

ARTICLE VII

SEPARABILITY

- A. The provisions of this Agreement are deemed to be separable to the extent that if and when a court of last resort adjudges any provision of this Agreement in its application between the Union and the Employer to be in conflict with any law or regulation, such decision shall not affect the validity of the remaining provisions of this Agreement, but such remaining provisions shall continue in full force and effect; provided, further, that in the event any provision or provisions are so declared to be in conflict with a law or regulation, both parties shall meet for the purpose of negotiating an agreement on the provision or provisions so invalidated.
- B. This Article applies to both full-time and part-time faculty as described at Article I.

ARTICLE VIII

ANTI-DISCRIMINATION

- A. All terms and conditions of employment included in this Agreement will be administered and applied without regard to race, color, creed, national or ethnic origin, age, gender, sexual preference, handicap, or status as a Vietnam Era Veteran.
- B. The Employer and the Union agree that no faculty member covered by this Agreement will be discriminated against because of membership in, or lack of membership in, or activities on behalf of or against the Union.
- C. In the event that a faculty member files a grievance pursuant to Article XI, Grievance Procedures, and a complaint(s) under either federal or state law in a court or agency, the grievance procedures will be stayed until the complaint(s) is resolved after which time the grievance procedure will resume.
- D. This Article applies to both full-time and part-time faculty as described at Article I.

ARTICLE IX

MINIMUM TERMS

- A. The Employer, in its discretion, may initially employ a faculty member(s) upon any terms or conditions of employment which the Employer determines appropriate so long as such terms or conditions of employment are not less favorable than those set forth in this Agreement.
- B. Wage Renegotiation
1. The wages set out at Article XXXV of this Agreement for both part-time and full-time faculty members constitute minimum wages and the College may, at its discretion, employ faculty at rates above those stated minimums.
 2. Upon the written request of a part-time or full-time faculty member submitted to the Senior Vice President for Academic Affairs on or before March 15, the Senior Vice President for Academic Affairs or his/her designee shall meet with the faculty member to discuss a wage increase higher than the wage called for under this Agreement. If the Senior Vice President for Academic Affairs in his/her discretion decides to grant a wage increase higher than the wage increase called for under this Agreement, it will be effective as of the next academic year. The faculty member will be notified in writing on or before May 1 whether he/she has been granted a wage increase and of the amount of the wage increase if any. No part-time or full-time faculty member may request such an increase more than once in a three (3) year period of consecutive employment as a part-time or full-time faculty member, except upon being promoted. In the case of promotion, a written request to the Senior Vice President for Academic Affairs may be submitted not later than fifteen (15) calendar days after notification of promotion.
 3. The granting of any higher wage above those set forth in Article XXXV is at the discretion of the College, subject to any and all applicable state and federal statutes. Neither a faculty member nor the Union, on behalf of itself or any faculty member, shall grieve or arbitrate under this Agreement the College's granting or failure to grant any faculty member's request for a higher wage, or the amount of any wage increment which may be granted at the College's discretion, but the Union does reserve the right to grieve and arbitrate any refusal of the College to meet with a faculty member, pursuant to a timely written request, as set forth in Paragraph 2, above. The Union shall not be required nor requested to sign any release, waiver or other agreement pertaining to any individual faculty member who seeks to take advantage of the terms of this Section B.
 4. Due to past equity adjustments and longevity adjustments, an increase under this section will be granted under exceptional circumstances.
 5. The Union shall be notified of the outcomes of all faculty wage renegotiations including the amounts of all wage adjustments.
- C. In the event a faculty member receives a bona fide offer of employment from another institution or organization, the Employer, in its discretion, may increase the wage of the faculty member to any amount up to the wage set forth in the offer of employment, notwithstanding any provision of this Agreement. The effective date of the wage increase, if any, will be as of the first pay period of the next semester.

- D. A faculty member who receives a wage increase pursuant to Section C above shall agree to serve at the College for at least three (3) academic years after receipt of such increase and shall give a judgment note to the College for the amount of the increase over three (3) academic years, said judgment note to be canceled at the end of that period or at the death or permanent disability of the faculty member.
- E. This Article applies to both full-time and part-time faculty as described at Article I.
- F. This Article or any provision thereof, except as set forth at Section B.3, is not subject to the provisions of Article XI, Grievance Procedure.

ARTICLE X

BARGAINING AGENT'S RIGHTS

- A. The Union will be permitted to use services, supplies, equipment and facilities of the Employer when permitted by a specific term of this Agreement. The Union may employ any individual or agency or utilize the services of any individual employed by any entity, or utilize the services of any volunteer to perform services or duties on the Employer's property, provided that the Union provides the Employer with evidence of appropriate workers' compensation insurance coverage.
- B. The Employer agrees to permit the Union to post official Union materials on one bulletin board set aside for Union use located in an area designated as a "faculty lounge" at both 1140 Boylston Street and 150 Massachusetts Avenue buildings.
 - 1. The Union must be clearly identified on the face of any posted material and its authorization to post must be plainly in view. The Union is solely responsible for all costs associated with any posting. Posted material must clearly display the date of posting and must be removed no later than twenty-one (21) calendar days after posting unless the material is not timely in nature.
 - 2. A copy of the posted material will be provided to the Senior Vice President for Academic Affairs at the time of posting.
 - 3. Materials which are not posted in accordance with this Article may be removed by the Employer.
 - 4. The Union will indemnify the Employer and hold it harmless against any and all suits, claims, demands and liabilities for damages or penalties that may arise out of any posting on bulletin boards set aside for Union use. The Employer may call upon the Union to defend any suits, proceedings or actions arising out of the foregoing indemnity and the Union will defend such suits, proceedings or actions without cost to the Employer and in the event the Union fails to defend such suits, proceedings or actions, the Employer may undertake such defense and all costs thereof, including legal fees, shall be paid by the Union.
- C. The Employer agrees to provide the Union within twenty-one (21) calendar days after the beginning of classes each semester a list of all faculty of each unit, reflecting name, rank, salary, date of appointment to present rank, date of employment, duration of current contract, and the names of unit members on a leave status authorized by this Agreement.

- D. The Union and its officers, for the purpose of carrying out its business, shall have the right to hold meetings in the Employer's premises so long as such facilities are available and the Union complies with the rules and regulations relating to the use of such facilities.
- E. The Employer agrees that the President of the Union and the Secretary-Treasurer of the Union will be released from their responsibilities concerning "Service to the College" and "Service to the Profession," if applicable, as set forth at Article XXV in order that he/she may devote that time to the duties of being President of the Union and Secretary-Treasurer of the Union. In addition, during this Agreement, the President and the Secretary-Treasurer will receive one (1) course reduction in teaching load.
- F. It is agreed that the Union and Federation Representatives will not interrupt or interfere with the operations of the Employer.
- G. This Article applies to both full-time and part-time faculty as described at Article I.

ARTICLE XI

GRIEVANCE PROCEDURES

- A. For the purpose of this Agreement, the term “grievance” is defined as an allegation by the Union that there has been a breach or misapplication or misinterpretation of the expressed term(s) of this Agreement which are subject to the Grievance Procedure. The parties to the alleged grievance may attempt, in an informal manner, to discuss and resolve the alleged violation to this Agreement. If the parties are not successful in resolving the matter informally, then the formal procedures set forth below will apply.
1. If the matter to be grieved originated from a particular Departmental action, the grievance must be filed with that Department Chair at Step 1.
 2. If the matter to be grieved originated from a particular Divisional action, the grievance must be filed with that Division Dean at Step 2.
 3. If the matter to be grieved originated from an action outside a particular Department or Division, the grievance must be filed with the Senior Vice President for Academic Affairs at Step 3.
- B. The steps of the grievance procedure are as follows:
1. Step 1
The Union or a unit faculty member(s), through the Union, will present in writing the grievance to the Department Chair involved within fifteen (15) calendar days after the action to be grieved occurred. Failure to present a written grievance within the fifteen (15) calendar day period will render the grievance untimely, the grievance will be deemed denied and the grievance will not be processed. Within fifteen (15) calendar days of a timely grievance presentation, the Department Chair may meet with the grievant and a Union representative and will give his/her written answer to the Union within fifteen (15) calendar days after said meeting. The answer will be deemed to be the final settlement unless appealed within fifteen (15) calendar days from the date of the answer.
 2. Step 2
If the grievance is appealed from Step 1, the Union must present the grievance in writing within fifteen (15) calendar days from the receipt of the Department Chair’s answer to the Division Dean. If the grievance originates from an action in a Division, it must be presented in writing to the Division Dean within fifteen (15) calendar days after the action to be grieved occurred. Failure to present a written grievance within this fifteen (15) calendar day period will render the grievance untimely, the grievance will be deemed denied and the grievance will not be processed. Within fifteen (15) calendar days of the timely receipt of the written grievance, the Division Dean may meet with the grievant and the Union President or designated elected official of the Union to discuss the grievance and will give his/her written answer to the Union within fifteen (15) calendar days after said meeting. The answer will be deemed to be the final resolution unless appealed within fifteen (15) calendar days from the date of the answer.

3. Step 3

If the grievance is appealed from Step 2, the Union must present the grievance in writing within fifteen (15) calendar days from receipt of the Division Dean's answer to the Senior Vice President for Academic Affairs. If the grievance originates from an action outside a particular Department or Division, it must be presented in writing to the Senior Vice President for Academic Affairs within fifteen (15) calendar days after the action to be grieved occurred. Failure to present a written grievance within these fifteen (15) calendar day periods, as appropriate, will render the grievance untimely, the grievance will be deemed denied and the grievance will not be processed. Within fifteen (15) calendar days of the timely receipt of the written grievance, the Senior Vice President for Academic Affairs or designee shall meet with the grievant and Union President or designated elected official of the Union to discuss the grievance. The Senior Vice President for Academic Affairs or designee shall give a written answer to the Union within fifteen (15) calendar days after said meeting. The answer will be deemed to be the final resolution unless the Union submits the written grievance to arbitration within thirty (30) calendar days from the date of the Step 3 answer.

4. Step 4

The Union will submit the written grievance to the American Arbitration Association within thirty (30) calendar days of the date of the Step 3 answer. If the Union does not timely submit the grievance to arbitration, the decision of Step 3 will be final. A grievance may be submitted to arbitration unless this Agreement provides otherwise.

- a. In the event a grievance involves the Employer's decision not to reappoint a full-time faculty member at the rank of Instructor, except as set forth at Article XIX, Section A, paragraph 1, or Assistant Professor, the arbitrator must accept the Employer's decision unless said decision was arbitrary or capricious.
- b. In the event a grievance involves the Employer's decision not to reappoint a full-time faculty member at the rank of Associate Professor or Professor or not to issue a part-time three (3) academic year contract, the arbitrator must accept the Employer's decision unless said decision was without cause.
- c. In the event a grievance involves the Employer's decision concerning the selection for layoff of a full-time faculty member or a part-time faculty member on a three (3) academic year contract, the arbitrator must accept the Employer's decision unless said decision was arbitrary or capricious.

C. The Employer and the Union jointly acknowledge the right of any faculty member to discuss individual problems, not involving pending grievances, directly with the Senior Vice President for Academic Affairs and to work out the settlement of such problems so long as such settlements are not inconsistent with the terms of this Agreement.

D. The written grievance must contain the following:

1. The facts upon which the grievance is based;
2. The provision of this Agreement allegedly violated; and
3. The remedy sought.

- E. This Article will not apply to any grievance relating to a violation of the No Strike provisions of this Agreement.
- F. If the fifteenth (15th) day on which a grievance is due to be initially filed occurs on a day between the last day of examination week for the Fall Semester and the Friday before the first (1st) week of classes for the Spring Semester, the grievance must be filed no later than the Friday of the first week of classes for the Spring Semester. Failure to present such written grievance not later than Friday of the first (1st) week of classes for the Spring Semester will render the grievance untimely, the grievance will be deemed denied and the grievance will not be processed.
- G. Time limits designated in this Article for processing grievances and for bringing a matter to arbitration may only be extended by mutual written consent between the parties and cannot be extended by an arbitrator. Failure to comply with any time limitation will render the grievance untimely, the grievance will be deemed denied and the grievance will not be processed unless specific language in this Article provides otherwise.
- H. Multiple or related grievances will not be resolved in the same arbitration proceeding unless mutually agreed to by the Employer and the Union in writing.
- I. Arbitration proceedings will be conducted in accordance with the rules of the American Arbitration Association.
- J. Each party will pay any compensation and expenses, including time off from work, relating to its own witnesses and/or representatives. Faculty members who are to be witnesses on behalf of the Union/grievant at the scheduled arbitration proceeding will be permitted to attend, but are expected to make arrangements for their scheduled classes to be covered by another qualified faculty member at no expense to the Employer, and to inform their Department Chairs at least three (3) calendar days in advance of arrangements. The Department Chair may assist the faculty member in making such arrangements.
- K. The fee of the arbitrator and other administrative expenses of the arbitration, including room rental if applicable, shall be shared equally by the parties.
- L. The arbitrator's decision shall be final and binding as long as it is consistent with the terms of this Agreement.
- M. Either party may request that a stenographic record of the hearing be made and that party may provide a copy of that record to the arbitrator. The party requesting such a record will pay the cost; however, if the other party also requests a copy, the stenographic costs will be shared equally.
- N. In arriving at any settlement or decision under the provisions of this Article, neither party nor the arbitrator shall have the authority to alter this Agreement in whole or in part or to add to or delete any of its provisions or to render any award in conflict with its provisions. The teacher is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into the teaching controversial matter which has no relation to his/her subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.

The college or university teacher is a citizen, a member of a learned profession, and an educator. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship or discipline, but his/her special position in the community imposes special obligations. As an individual of learning and an educator, he/she should remember that the public may judge his/her profession and his/her institution by his/her utterances. Hence he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not an institutional spokesperson.

ARTICLE XXXV

WAGES

A. It is mutually understood and agreed that wages will be paid in accordance with the following provisions.

1. Full-time Faculty - Minimum Wages

	<u>9/1/13</u>
Instructor	\$45,541
Assistant Professor	\$50,991
Associate Professor	\$59,980
Professor	\$75,975

2. Part-time Faculty - Minimum Rates Per Teaching Unit

	<u>9/1/13</u>
Instructor	\$50.94
Assistant Professor	\$58.70
Associate Professor	\$73.82
Professor	\$85.64

3. Faculty will receive increases as follows:

<u>9/1/13</u>	<u>9/1/14</u>	<u>9/1/15</u>
3.00%	2.50%	2.50%

4. In the event said increase does not bring a faculty member to the minimum for his/her rank, the faculty member's wage will be increased to the minimum for the rank.

B. Summer Session

1. In the event the Employer needs full-time faculty during the summer semester, the Employer agrees to attempt to satisfy its staffing needs by requesting full-time faculty to volunteer for summer assignment. In the event the Employer is not able to satisfy its summer session needs from full-time faculty volunteers, the Employer may require full-time faculty to work.

2. Full-time and part-time faculty who teach during the summer session may be assigned to teach, as needed, up to eighteen (18) teaching units per week.

3. Full-time faculty who teach during the summer session will be paid at an hourly rate which will be at the same percentage above the minimum hourly rate for the faculty member's rank as the faculty member is above the full-time minimum for the rank. For example:

An Assistant Professor who earns \$56,090 (10% above rank minimum: \$50,991 v. \$56,090) will receive 10% above minimum hourly rate for rank, which is \$64.57 (\$58.70 + 10% (5.87) = \$64.57).

4. Promoted full-time faculty, and part-time faculty converted to full-time positions, will be paid at an hourly rate that shall not be less than their hourly rate prior to their full-time promotion, or their conversion from part-time to full-time status.

C. Promotion Increase

1. A full-time faculty member upon promotion to the next rank will receive an increase in his/her base wage as follows:

Instructor to Assistant Professor	\$4,000
Assistant Professor to Associate Professor	\$4,500
Associate Professor to Professor	\$5,000

2. A part-time faculty member upon promotion to the next rank will receive an increase in his/her hourly rate as follows:

Instructor to Assistant Professor	\$4.00
Assistant Professor to Associate Professor	\$4.50
Associate Professor to Professor	\$5.00

If this increase does not bring the faculty member to the minimum for the rank, the faculty member's wage will be increased to the minimum for the rank.

- D. In the unusual event a full-time faculty member is required to teach a load greater than that provided for at Article XXV, Workload – Full-time Faculty, the faculty member will be paid at the hourly rate for his/her rank as set forth at A.2. of this Article.
- E. A faculty member may submit a written request for a wage increase greater than the amount set forth in this Article in accordance with the provisions of Article IX, Section B.
- F. A full-time faculty member is eligible upon retirement for a one-time payment of \$500.00 per year of continuous service at the College as a full-time faculty member if s/he has a combination of age and continuous years of service at the College as a full-time faculty member equal to 80 or more.
- G. Full-time and part-time faculty members will be paid bi-weekly and will receive wages due for the bi-weekly period on Thursday of the following week. However, a full-time faculty member may elect in writing not later than July 1 of each year to receive his/her annual wage over nine (9) calendar months rather than twelve (12) calendar months.
- H. This Article applies to both full-time and part-time faculty as described at Article I.
- I. New full-time and part-time faculty hired for any academic year will not receive the wage increase effective as of September 1 of that year.

- B. Tuition students are defined as full-time and part-time students, but excludes spouse/dependents of faculty, Pro Arts, faculty members and staff members.

ARTICLE XXXVII

WAIVER OF RIGHT

- A. The failure by either party to insist in any one situation upon performance of any of the terms or provisions of this Agreement shall not be considered as a waiver or relinquishment of the right of the Employer or the Union to future performance of any such terms or provisions, and the obligation of the parties to such future performance shall continue. It is understood that neither party gives up the right to argue to prove the assistance of a past practice or lack thereof.
- B. This Article applies to both full-time and part-time faculty as described at Article I.

ARTICLE XXXVIII

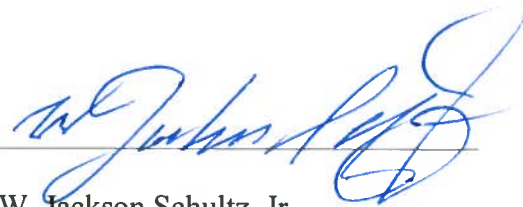

PRE-EXISTING RIGHTS, PRIVILEGES OR BENEFITS

- A. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are fully and exclusively set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement. All rights and duties of both parties are specifically expressed in this Agreement and such expression is all-inclusive. This Agreement constitutes the entire agreement between the parties and concludes collective bargaining for its terms, subject only to a mutual agreement to amend or supplement this Agreement.

MEMORANDUM OF UNDERSTANDING

WORKPLACE DISCRIMINATION AND SEXUAL HARASSMENT POLICY – FACULTY

POLICY

The College and Union agree that it is the policy of the Berklee College of Music to maintain a working and learning environment that is safe, respectful, productive and free from sexual harassment and any other unlawful discrimination. Furthermore, the College and the collective bargaining agreement specifically prohibit any form of unlawful discrimination or harassment, based on race, color, religion, sex or gender, national or ethnic origin, age, physical or mental disability, Vietnam era or disabled veteran status, sexual orientation, genetic information or any other characteristic protected by applicable law.

The College, as well as state and federal laws, prohibits retaliation against any person who, in good faith, reports, assists in reporting or participates in an investigation of possible discrimination or sexual harassment. Any person who retaliates against such an individual will be subject to the College disciplinary procedures up to and including termination of employment by the College.

This document describes the process by which faculty can report prohibited conduct and how complaints will be addressed by the College.

DEFINITIONS

Sexual Harassment

Sexual harassment is a form of sex discrimination that violates federal and state laws as well as College policy. Faculty and administrators shall be held responsible for their acts of discrimination and sexual harassment and are subject to disciplinary action.

Sexual harassment, whether between people of different sexes or of the same sex, is defined to include, but is not limited to, unwanted sexual advances, unwelcome requests for sexual favors, and other behavior of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term and condition of an individual's academic status or employment; or
2. Submission to, or rejection of, such conduct by an individual is used as a basis for employment or academic decisions affecting him or her; or
3. Such conduct, whether verbal or physical, has the purpose or effect of unreasonably interfering with the individual's academic or work performance or of creating an intimidating, hostile, or offensive environment in which to work or to learn.

Sexual harassment can involve:

- Faculty and student
- Faculty and faculty
- Faculty and staff
- Faculty and Administrators
- Service providers and vendors of the College

The following behavior may constitute sexual harassment:

As stated by the Massachusetts Commission Against Discrimination (MCAD):

“While it is not possible to list all those additional circumstances that outline sexual harassment, the following are some examples of conduct which, if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness”:

- Lewd remarks, whistles, or personal reference to one’s anatomy
- Unwanted physical contact such as patting, pinching, or constant brushing against a person’s body
- Subtle or overt pressure for sexual favors
- Persistent and offensive sexual jokes and comments
- Persistent and unwanted requests for dates
- E-mail messages of an offensive sexual nature
- Displaying sexually suggestive objects, pictures or cartoons

Other Unlawful Harassment and Discrimination

The law also prohibits a hostile educational or work environment based on any legally-protected class, which includes race, color, religion, national or ethnic origin, ancestry, sex or gender, age, physical or mental disability, sexual orientation, genetic information, Vietnam era or disabled veteran’s status and any other characteristic protected by state or federal law. In its effort to prevent unlawful harassment or discrimination, the College prohibits negative or stereotyping jokes and demeaning or derogatory comments about any of these protected groups in any manner that may affect the work and educational environment.

PROCEDURES

There are two different processes for resolving harassment and discrimination complaints. They are the informal resolution, and formal resolution processes:

Informal Resolution

Any member of the Berklee community who believes that he/she has been harassed may first attempt to resolve the problem through discussion with the other party. When discussing the problem with that person would present particular stress or difficulties, the complainant has the right to consult with a College workplace discrimination and sexual harassment resource person listed in this policy. Conclusion of an informal proceeding ordinarily should be sought within three weeks of the beginning of informal proceedings. However, the complainant has the right to institute formal proceedings at anytime during this process.

Formal Resolution

If the problem has not been resolved to the satisfaction of the complainant through the informal process, she or he has the right to file a formal complaint in accordance with the following procedure, or, if appropriate, file a grievance pursuant to Article XI of the collective bargaining agreement.

A complainant has the right to institute formal proceedings without first availing him or herself of the informal procedure.

Where to file a complaint:

If the person alleged to be responsible for the harassment or discrimination is:

1. A student - file with the Student Judicial Officer (SJO) in the Office of the Vice President for Student Affairs.
2. A staff member or an administrator - file with the Associate Vice President for Human Resources.
3. A faculty member - file with the Senior Vice President for Academic Affairs or his/her designee.

What to include in a formal complaint:

The complaint should be reduced to writing by the complainant and should set forth the facts upon which the harassment complained of is based, the person alleged to be responsible, the names of the witnesses and the resolution sought.

When to file a complaint:

The complaint should normally be filed within 14 calendar days of the incident(s) giving rise to the complaint. The College may extend this period if it finds there are extenuating circumstances.

How a complaint will be processed:

If the charged party is a faculty member, the written complaint should be filed with the Senior Vice President for Academic Affairs (SVPAA).

1. The SVPAA (or his/her designee), upon receiving the complaint, will immediately (within one business day) notify and provide a copy of the written complaint to the charged party and request that he or she submit a written response to the charges normally within ten (10) working days. Response to a complaint is required and will be pursued to see that it is obtained in timely fashion. Also, the SVPAA or his/her designee will immediately notify in writing the Title IX Coordinator that a complaint has been filed.
2. Upon receiving the written response from the charged party, the SVPAA (or his/her designee) will attempt to resolve the situation through discussion, investigation or other steps that he or she feels is necessary. A faculty member has the right to be represented by the Union during an investigative interview. The complainant and the charged party will be informed in writing by the SVPAA (or his/her designee) of the results of the investigation and any action to be taken.
3. The SVPAA (or his/her designee) will send a summary report to the Title IX Coordinator.

4. The SVPAA's (or his/her designee) determination and penalty and/or remedy, if any, will be final. However, such discipline will be subject to the provision of Article XI, Grievance Procedure, of the collective bargaining agreement, except that only the discipline of termination during the term of the faculty member's contract will be subject to Step 4, arbitration.

Within the constraints of the academic schedule, the SVPAA (or his/her designee) will strive to conclude the investigation within thirty (30) working days from the date the original formal complaint was filed or as soon as practical depending upon schedules and availability.

**Note: the time limits mentioned in this policy are intended as reasonable amounts of time for specific activities to occur. The appropriate College officials may adjust the time lines at their option, while attempting to ensure a fair and equitable process for all parties.*

Confidentiality

The College recognizes that all individuals involved in processing the complaint may want their identity to remain confidential. However, issues of confidentiality must be balanced against the College's need to process the complaint and to resolve the problem.

Central reporting and coordination

Title IX regulations of the Education Amendments of 1972 require all college personnel to report any case of sexual harassment whether resolved informally or formally to the College's Title IX coordinator. (The role and responsibilities of the Title IX coordinator are assigned to the Vice President for Student Affairs, as noted under the following section entitled "Where to find Help.")

Such reports should not include the names or identities of the persons involved. They should include, however, a description of the complaint and the divisions or administrative units with which the participants are affiliated. Reports from decentralized areas will allow the Title IX coordinator to identify patterns of frequency in a particular area or location within the College and report these findings to the President, as necessary.

Berklee College of Music encourages anyone who believes he or she has been subjected to harassment or discrimination to use the procedures described above or, if appropriate, to file a grievance pursuant to Article XI of the collective bargaining agreement. In addition or instead, they may also file a formal complaint with the appropriate government agencies.

Complaints of discrimination or sexual harassment may be directed to:
